(iii) each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral, but only to the extent that such dividends, interest, principal and other distributions are permitted by, and are otherwise paid or distributed in accordance with, the terms and conditions of the Facilities Agreement, the other Finance Documents and applicable law; provided that any noncash dividends, interest, principal or other distributions that would constitute Pledged Equity Interests or Pledged Debt Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral and, if received by any Grantor, and required to be delivered to the Security Agent hereunder, shall not be commingled by such Grantor with any of its other funds or property (but shall be held separate and apart therefrom), shall be held in trust for the benefit of the Security Agent and the other Secured Parties and shall be promptly delivered to the Security Agent in the form in which they shall have been received (with any endorsements, stock or note powers and other instruments of transfer requested by the Security Agent).

(b) Upon the occurrence and during the continuance of an Event of Default, and, other than in the case of an Event of Default under either Paragraph (a) of Clause 24.6 or Paragraph (d) or (e) of Clause 24.7of the Facilities Agreement, after the Security Agent shall have notified the Grantors of the suspension of the Grantor's rights under Section 2.05(a)(iii), all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to Section 2.05(a)(iii), shall cease, and all such rights shall thereupon become vested in the Security Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal and other distributions received by any Grantor contrary to the provisions of this Section 2.05 shall be held in trust for the benefit of the Security Agent and the other Secured Parties, shall be segregated from other property or funds of such Grantor and shall be promptly delivered to the Security Agent upon demand in the form in which they shall have been received (with any necessary endorsements, stock powers or other instruments of transfer). Any and all money and other property paid over to or received by the Security Agent pursuant to the provisions of this Section 2.05(b) shall be retained by the Security Agent in an account to be established by the Security Agent upon receipt

of such money or other property, shall be held as security for the payment and performance of the Secured Liabilities and shall be applied in accordance with the provisions of Section 4.02. After all Events of Default have been cured or waived and the Security Agent has received from the US Borrower satisfactory evidence relating to any such cure, the Security Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise have been permitted to retain pursuant to the terms of Section 2.05(a)(iii) and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default, and, other than in the case of an Event of Default under either Paragraph (a) of Clause 24.6 or Paragraph (d) or (e) of Clause 24.7 of the Facilities Agreement, after the Security Agent shall have notified the Grantors of the suspension of the Grantors' rights under Section 2.05(a)(i), all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to Section 2.05(a)(i), and the obligations of the Security Agent under Section 2.05(a)(ii), shall cease, and all such rights shall thereupon become vested in the Security Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by the Majority Lenders, the Security Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights.

(d) Any notice given by the Security Agent to the Grantors suspending the Grantors' rights under Section 2.05(a): (i) shall be in writing and given to the US Borrower in accordance with Clause 33 of the Facilities Agreement and (ii) may suspend the rights and powers of the Grantors under Section 2.05(a)(i) or Section 2.05(a)(iii) in part without suspending all such rights or powers (as specified by the Security Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Security Agent's right to give additional notices from time to time suspending other rights and powers so long as an Event of Default has occurred and is continuing.

ARTICLE III

Security Interests in Personal Property

SECTION 3.01. Security Interest. (a) As security for the payment or performance, as the case may be, in full of the Secured Liabilities, and subject to Section 3.01(d), each US Grantor hereby grants to the Security Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such US Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the "Article 9 Collateral"):

(i) all Accounts;

(ii) all Chattel Paper;

(iii) all cash, cash equivalents and Deposit Accounts;

(iv) all Documents;

(v) all Equipment;

(vi) all General Intangibles, including all Intellectual Property;

(vii) all Instruments;

(viii) all Inventory;

(ix) all other Goods;

(x) all Investment Property;

(xi) all Letter-of-Credit Rights;

(xii) all Commercial Tort Claims described on Schedule IV, as such schedule may be supplemented from time to time pursuant to Section 3.02(e);

(xiii) all Fixtures;

(xiv) all books and records pertaining to the Article 9 Collateral; and

(xv) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing.

(b) Each US Grantor hereby irrevocably authorizes the Security Agent (or its designee) at any time and from time to time to file in any relevant jurisdiction any financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as "*all assets*" of such US Grantor or words of similar effect or of a lesser scope or with greater detail and (ii) contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including in the case of a financing statement filed as a fixture filing or covering Article 9 Collateral constituting minerals or the like to be extracted or timber to be cut, a sufficient description of the real property to which such Article 9 Collateral relates. Each US Grantor agrees to provide the information required for any such filing to the Security Agent promptly upon request.

The Security Agent (or its designee) is further authorized by each US Grantor to file with the United States Patent and Trademark Office or the United States Copyright Office (or any successor office) such documents as may be reasonably necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or

protecting the Security Interest granted by such US Grantor, without the signature of any Grantor, and naming any US Grantor or the US Grantors as debtors and the Security Agent as secured party.

(c) The Security Interest and the security interest granted pursuant to Article II are granted as security only and shall not subject the Security Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any US Grantor with respect to or arising out of the Collateral.

(d) Notwithstanding anything herein to the contrary, to the extent and for so long as any asset is an Excluded Asset, the Security Interest granted under this Section 3.01 shall not attach to, and the Article 9 Collateral shall not include, such asset; *provided, however* that the Security Interest shall immediately attach to, and the Article 9 Collateral shall immediately include, any such asset (or portion thereof) upon such asset (or such portion) ceasing to be an Excluded Asset.

SECTION 3.02. Representations and Warranties. The Grantors jointly and severally represent and warrant to the Security Agent for the benefit of the Secured Parties that, as of the date hereof:

(a) Each Grantor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant the Security Interest (except for (i) minor defects in title that do not interfere with its ability to conduct its business as currently conducted or (ii) where the failure to have such title or rights would not reasonably be expected to have a Material Adverse Effect) and has full corporate or other applicable entity power and authority to grant to the Security Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any Governmental Authority except consent or approval (i) such as have been obtained or made and are in full force and effect, (ii) filings registrations of charges necessary to perfect Liens created under the Finance Documents and to release existing Liens (if any), (iii) stamping of any relevant Finance Documents, and (iv) such consents, approvals, registrations, filings, or other actions that are not required in accordance with the Agreed Security Principles or the failure of which to obtain or make could not be reasonably expected to have a Material Adverse Effect.

(b) Schedules I through IV have been duly prepared, completed and executed and the information set forth therein, including the exact legal name of each Grantor, is correct and complete in all material respects (other than with respect to the exact legal name, which shall be in all respects) as of the Effective Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) prepared by the Security Agent based upon the information provided to the Security Agent in [Schedule I] for filing in each governmental, municipal or other office specified in [Schedule I] (or specified by notice from the US Borrower to the Security Agent after the Effective Date in the case of filings, recordings or registrations required by the Facilities Agreement), are all the

filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office and the United States Copyright Office in order to perfect the Security Interest in the Article 9 Collateral consisting of United States Patents, United States registered Trademarks (and Trademarks for which United States applications for registration are pending), United States registered Copyrights (and Copyrights for which United States applications for registration are pending) and United States exclusive registered Copyright Licenses) that are necessary to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Security Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary with respect to any such Article 9 Collateral in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements. A Patent Security Agreement in the form of Exhibit II-A hereto, a Trademark Security Agreement in the form of Exhibit II-B hereto, and a Copyright Security Agreement in the form of Exhibit II-C hereto (such agreements being collectively referred to herein as the "IP Security Agreements"), in each case containing a description of the Article 9 Collateral consisting of United States Patents, United States registered Trademarks (and Trademarks for which United States applications for registration are pending), United States registered Copyrights (and Copyrights for which United States applications for registration are pending) and United States exclusive Copyright Licenses, as applicable, and executed by each Grantor owning any such Article 9 Collateral, have been delivered to the Security Agent for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Security Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral consisting of United States Patents, United States Trademarks, United States Copyrights and United States exclusive Copyright Licenses in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary with respect to any such Article 9 Collateral in any such jurisdiction (other than such actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of United States Patents, United States Trademarks and United States Copyrights and United States exclusive Copyright Licenses (or registration or application for registration thereof) acquired or developed after the date hereof).

(c) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Liabilities, subject to the Legal Reservations, (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which

a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States or any State thereof pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (iii) a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of the IP Security Agreements with the United States Patent and Trademark Office and the United States Copyright Office, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than Liens that have priority as a matter of law or Permitted Liens.

(d) Schedule III sets forth, as of the Effective Date, a true and complete list, with respect to each Grantor, of (i) all Patents owned by such Grantor that have been granted by the United States Patent and Trademark Office and Patents for which United States applications are pending, (ii) all Copyrights owned by such Grantor that have been registered with the United States Copyright Office and Copyrights for which United States registration applications are pending and (iii) all Trademarks owned by such Grantor that have been registered with the United States Patent and Trademark Office and Trademarks for which United States registration applications are pending, in each case truly and completely specifying the name of the registered owner, title, registration or application number, filing date, a brief description thereof and, if applicable, in the case of an exclusive Copyright License to the extent constituting Collateral, the licensee, licensor and date of license agreement. In the event any Supplemental Schedule or any Supplement shall set forth any Intellectual Property, Schedule III shall be deemed to be supplemented to include the reference to such Intellectual Property, in the same form as such reference is set forth on such Supplemental Schedule or Supplement.

(e) Schedule IV sets forth, as of the Effective Date, a true and complete list, with respect to each Grantor, of each Commercial Tort Claim in respect of which a complaint or a counterclaim has been filed by such Grantor, seeking damages in an amount reasonably estimated to exceed $2,500,000, including a summary description of such claim. In the event any Supplemental Schedule or any Supplement shall set forth any Commercial Tort Claim, Schedule IV shall be deemed to be supplemented to include the reference to such Commercial Tort Claim (and the description thereof), in the same form as such reference and description are set forth on such Supplemental Schedule or Supplement.

SECTION 3.03. Covenants. (a) Each Grantor shall, at its own expense, take any and all commercially reasonable actions necessary to defend the Security Interest of the Security Agent in the Article 9 Collateral and the priority thereof against any Lien (subject to Permitted Liens).

(b) Upon the written request of the Security Agent and subject to the Agreed Security Principles, each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments, financing

statements, agreements and documents and take all such other actions as the Security Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and Taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing and recording of any financing statements (including fixture filings) or other documents in connection herewith or therewith. Each Grantor will provide to the Security Agent, from time to time upon the Security Agent's reasonable request, evidence reasonably satisfactory to the Security Agent as to the perfection and priority of the Liens created or intended to be created pursuant to this Agreement.

(c) Each Grantor agrees to maintain, at its own cost and expense, such complete and accurate records (in all material respects) with respect to the Article 9 Collateral owned by it as is consistent with its current practices, and, upon the occurrence and during the continuance of an Event of Default, upon the request of the Security Agent, deliver to the Security Agent a duly certified schedule or schedules in form and detail reasonably satisfactory to the Security Agent showing the identity, amount and location of any and all Article 9 Collateral. Subject to Clause 38 of the Facilities Agreement, the Security Agent shall have the absolute right to share any information it obtains pursuant to this paragraph (c) with any Secured Party.

(d) At its option, the Security Agent may discharge past due Taxes, assessments, charges, fees and Liens at any time levied or placed on the Article 9 Collateral that are not permitted by the Facilities Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by this Agreement or the other Finance Documents, and each Grantor jointly and severally agrees to reimburse the Security Agent promptly on demand for any payment made or any expense incurred by the Security Agent pursuant to the foregoing authorization (and any such payment made or expense incurred shall be additional Secured Liabilities secured hereby); provided, however that nothing in this Section 3.03(f) shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Security Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to Taxes, assessments, charges, fees and Liens and maintenance as set forth herein or in the other Finance Documents.

(e) Each Grantor shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Security Agent and the Secured Parties from and against any and all liability for such performance.

(f) [reserved].

(g) [reserved].

(h) The Grantors, at their own expense, shall maintain or cause to be maintained insurance in accordance with the requirements set forth in Clause 23.21of the Facilities Agreement. Each Grantor irrevocably makes, constitutes and appoints the Security Agent (and its designees) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, upon the occurrence and during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required pursuant to Clause 23.21 of the Facilities Agreement, or to pay any premium in whole or part relating thereto, the Security Agent may, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Security Agent deems advisable. All sums disbursed by the Security Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable upon demand by the Grantors to the Security Agent and shall be additional Secured Liabilities secured hereby. No Grantor shall be required to procure any loss payee or additional insured endorsements with respect to any insurance policies.

SECTION 3.04. Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of the Security Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral, in each case, subject to the Agreed Security Principles:

(a) Instruments and Tangible Chattel Paper. Without limiting each Grantor's obligations under Article III, if any Grantor shall at any time hold or acquire any Instruments to the extent constituting Collateral (other than any Instrument with a face amount of less than $2,500,000 or Tangible Chattel Paper with a face amount of less than $2,500,000), such Grantor shall promptly (and in any event within 30 days (or such longer period as the Security Agent may agree in its sole discretion)) endorse, assign and deliver the same to the Security Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Security Agent may from time to time reasonably request.

(b) Deposit Accounts. For each Deposit Account (other than any Excluded Deposit Account) that any Grantor organized in a U.S. jurisdiction at any time opens or maintains, within 90 days (or such later date as the Security Agent may agree in its reasonable discretion) of opening or acquiring such account, such Grantor shall either (i) cause the depositary bank to agree to comply with instructions from the Security Agent to such depositary bank directing the disposition of funds from time to time credited to such deposit account, without further consent of such Grantor or any other Person, pursuant to an agreement reasonably satisfactory to the Security Agent, or (ii) arrange for the Security Agent to become the customer of the depositary bank with respect to such Deposit

Account, with the Grantor being permitted, only with the consent of the Security Agent, to exercise rights to withdraw funds from such deposit account. The Security Agent agrees with each Grantor that the Security Agent shall not give any such instructions or withhold any withdrawal rights from any Grantor unless an Event of Default has occurred and is continuing or, after giving effect to any withdrawal, would occur. The provisions of this paragraph shall not apply to any Deposit Account for which any Grantor, the depositary bank and the Security Agent have entered into a cash collateral agreement specially negotiated among such Grantor, the depositary bank and the Security Agent for the specific purpose set forth therein.

(c) Investment Property. Without limiting each Grantor's obligations under Article III, if any securities to the extent constituting Collateral now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, such Grantor shall promptly notify the Security Agent thereof and, at the Security Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Security Agent, cause the issuer to agree to comply with instructions from the Security Agent as to such securities, without further consent of any Grantor or such nominee. If any securities to the extent constituting Collateral, whether certificated or uncertificated, or other investment property to the extent constituting Collateral now or hereafter acquired by any Grantor are held by such Grantor or its nominee through a securities intermediary or commodity intermediary, such Grantor shall promptly notify the Security Agent thereof and, upon the occurrence and during the continuance of an Event of Default, at the Security Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Security Agent, either (i) cause such securities intermediary or commodity intermediary, as the case may be, to agree to comply with entitlement orders or other instructions from the Security Agent to such securities intermediary as to such security entitlements or to apply any value distributed on account of any commodity contract as directed by the Security Agent to such commodity intermediary, as the case may be, in each case without further consent of any Grantor, such nominee, or any other Person, or (ii) in the case of Financial Assets or other Investment Property held through a securities intermediary, arrange for the Security Agent to become the entitlement holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Security Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Security Agent agrees with each of the Grantors that the Security Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor, unless an Event of Default has occurred and is continuing or, after giving effect to any such investment and withdrawal rights, would occur.

(d) Electronic Chattel Paper and Transferable Records. If any Grantor at any time holds or acquires an interest in any Electronic Chattel Paper or any

"transferable record," in each case, to the extent constituting Collateral, as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, in an amount in excess of $2,500,000 (in the aggregate for all Grantors), such Grantor shall promptly (and in any event within 30 days (or such longer period as the Security Agent may agree in its sole discretion)) notify the Security Agent thereof and, at the request of the Security Agent, shall take such action as the Security Agent may reasonably request to vest in the Security Agent control under New York UCC Section 9-105 of such Electronic Chattel Paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Security Agent agrees with such Grantor that the Security Agent will arrange, pursuant to procedures reasonably satisfactory to the Security Agent and so long as such procedures will not result in the Security Agent's loss of control, for the Grantor to make alterations to the Electronic Chattel Paper or transferable record permitted under UCC Section 9-105 or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Grantor with respect to such Electronic Chattel Paper or transferable record.

(e) Letter-of-Credit Rights. If any Grantor is at any time a beneficiary under a letter of credit to the extent constituting Collateral now or hereafter issued in favor of such Grantor with a face amount greater than $5,000,000, such Grantor shall promptly (and in any event within 30 days (or such longer period as the Security Agent may agree in its sole discretion)) notify the Security Agent thereof and shall, at the request and option of the Security Agent, pursuant to an agreement in form and substance reasonably satisfactory to the Security Agent, either (i) arrange for the issuer and any confirmer of such letter of credit to consent to a collateral assignment to the Security Agent of the proceeds of any drawing under the letter of credit or (ii) arrange for the Security Agent to become the transferee beneficiary of the letter of credit, with the Security Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be paid to the applicable Grantor unless an Event of Default has occurred and is continuing.

ARTICLE IV

Remedies

SECTION 4.01. Remedies Upon Default. Upon the occurrence and during the continuance of an Event of Default, subject to the requirements in Section 2.05, each Grantor agrees to deliver each item of Collateral to the Security Agent on demand and it is agreed that the Security Agent shall have the right to take any of or all

the following actions at the same or different times: (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Grantors to the Security Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Security Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained), and (b) with or without legal process and with or without prior notice (except any notice expressly required by this Agreement, including Section 2.05 hereof) or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Security Agent shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Security Agent shall deem appropriate. The Security Agent shall be authorized to take the actions set forth in Sections 4.02, 4.03 and 4.04. Each such purchaser at any sale of Collateral shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal that such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Security Agent shall give the applicable Grantors 10 days' prior written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Security Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Security Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Security Agent may (in its sole and absolute discretion) determine. The Security Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Security Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Security Agent until the sale price is paid by the purchaser or purchasers thereof, but the Security Agent and the other Secured Parties

shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. In the event of a foreclosure by the Security Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Security Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Security Agent, at the direction of the Majority Lenders, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Majority Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Liabilities as a credit on account of the purchase price for any Collateral payable by the Security Agent on behalf of the Secured Parties at such sale or other disposition. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Security Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Security Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Liabilities paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Security Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

SECTION 4.02. Application of Proceeds. The Security Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral, including any Collateral consisting of cash, in accordance with Clause 28 of the Facilities Agreement.

The Security Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Facilities Agreement. Upon any sale of Collateral by the Security Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Security Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Security Agent or such officer or be answerable in any way for the misapplication thereof. The Grantors shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral (together with the proceeds of any sale or disposition of any other collateral granted under the Security Documents) are insufficient to pay all Secured Liabilities, including any reasonable and documented out-of-pocket expenses attorneys' fees and other reasonable and documented out-of-pocket expenses incurred by the Security Agent or any Lender to collect such deficiency.

SECTION 4.03. Grant of License To Use Intellectual Property. For the purpose of enabling the Security Agent to exercise rights and remedies under this Agreement at such time as the Security Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Security Agent an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors) to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, but with respect to any third-party Intellectual Property licensed to such Grantor, only to the extent (i) such license, sublicense or agreement does not prohibit such use by Security Agent and (ii) such Grantor will not be in default under such license, sublicense, or other agreement as a result of such use by Security Agent, in each case after giving effect to the provisions of all applicable anti-assignment and similar laws, and, to the extent permitted by applicable law, the right to prosecute and maintain all Intellectual Property and the right to sue for infringement of the Intellectual Property. Upon the written request of the Security Agent, each Grantor further agrees to use commercially reasonable efforts to cooperate with the Security Agent in any attempt to prosecute or maintain the Intellectual Property or sue for infringement of the Intellectual Property. Each Grantor further agrees to cooperate with the Security Agent in any attempt to prosecute or maintain the Intellectual Property or sue for infringement of the Intellectual Property. The use of such license by the Security Agent may be exercised, at the option of the Security Agent, only upon the occurrence and during the continuation of an Event of Default; *provided* that any license, sublicense or other transaction entered into by the Security Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default. Each Grantor irrevocably agrees that the Security Agent may sell any of such Grantor's Inventory directly to any person, including Persons who have previously purchased the Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Security Agent's rights under this Security Agreement, may sell Inventory which bears any Trademark owned by or licensed to such Grantor and any Inventory that is covered by any Copyright owned by or licensed to such Grantor and the Security Agent may finish any work in process and affix any Trademark owned by or licensed to such Grantor and sell such Inventory as provided herein.

SECTION 4.04. Securities Act. In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act as now or hereafter in effect or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Security Agent if the Security Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Security Agent in any attempt to dispose of all or part of the Pledged Collateral under

applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that in light of such restrictions and limitations the Security Agent may, with respect to any sale of the Pledged Collateral, and shall be authorized to, limit the purchasers to those who will agree, among other things, to acquire such Pledged Collateral for their own account for investment, and not with a view to the distribution or resale thereof, and upon consummation of any such sale may assign, transfer and deliver to the purchaser or purchasers thereof the Pledged Collateral so sold. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Security Agent, in its sole and absolute discretion, (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (b) may approach and negotiate with a limited number of potential purchasers (including a single potential purchaser) to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Security Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Security Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a limited number of potential purchasers (or a single purchaser) were approached. The provisions of this Section 4.04 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Security Agent sells. The Security Agent acknowledges that any sale must comply with Federal Securities Laws and any other applicable securities legislation.

ARTICLE V

Miscellaneous

SECTION 5.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein or in the Facilities Agreement) be in writing and given in the manner provided in Clause 33 of the Facilities Agreement. All communications and notices hereunder to any Subsidiary Grantor (other than the US Borrower) shall be given to it in care of the US Borrower in the manner provided in Clause 33 of the Facilities Agreement.

SECTION 5.02. Waivers; Amendment. (a) No failure or delay by the Security Agent or any other Secured Party in exercising any right or power hereunder or under any other Finance Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Security Agent and the other Secured Parties hereunder and under the other Finance Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any

Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 5.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement or the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Security Agent or any other Secured Party may have had notice or knowledge of such Default at the time. No notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Security Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Clause 37 of the Facilities Agreement; provided that the Security Agent may, without the consent of any Secured Party, consent to a departure by any Grantor from any covenant of such Grantor set forth herein to the extent such departure is not inconsistent with the Agreed Security Principles or with any other limitation on the authority of the Security Agent set forth in the Facilities Agreement.

(c) This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 5.03. Security Agent's Fees and Expenses; Indemnification. (a) The Grantors jointly and severally agree to reimburse the Security Agent for its fees and expenses incurred hereunder as provided in Clause 18 of the Facilities Agreement as if each reference therein to the US Borrower were a reference to the Grantors.

(b) The Grantors jointly and severally agree to indemnify and hold harmless each Indemnitee as provided in Clause 16 of the Facilities Agreement as if each reference to the US Borrower therein were a reference to the Grantors.

(c) Any amounts payable hereunder, including as provided in Section 5.03(a) or 5.03(b), shall be additional Secured Liabilities secured hereby and by the other Security Documents. All amounts due under Section 5.03(a) or 5.03(b) shall be payable promptly after written demand therefor.

(d) To the fullest extent permitted by applicable law, each party hereto shall not assert, or permit any of their respective Related Parties to assert, and each hereby waives, any claim against any other such Person or its respective Related Parties (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) (unless such damages are determined by a final and non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Person or its Related Parties) or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as

opposed to direct or actual damages) arising out of, in connection with, or as a result of this Agreement, any other Finance Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof (other than, with respect to this clause (ii), in respect of any such damages incurred or paid by an Indemnitee to a third party and required to be indemnified pursuant to clause (b) above).

(e) BY ACCEPTING THE BENEFITS OF THIS AGREEMENT AND THE SECURITY INTERESTS CREATED HEREBY, EACH SECURED PARTY ACKNOWLEDGES THE PROVISIONS OF CLAUSE 27 OF THE FACILITIES AGREEMENT AND AGREES TO BE BOUND BY SUCH PROVISIONS AS FULLY AS IF THEY WERE SET FORTH HEREIN.

SECTION 5.04. Survival. All covenants, agreements, representations and warranties made by the Grantors in the Finance Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Finance Document shall be considered to have been relied upon by the Security Agent and the other Secured Parties and shall survive the execution and delivery of the Finance Documents and the making of any Loans, regardless of any investigation made by or on behalf of the Security Agent, any other Secured Party or any other Person and notwithstanding that the Security Agent, any other Secured Party or any other Person may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Finance Document is executed and delivered or any credit is extended under the Facilities Agreement, and shall continue in full force and effect until the termination of the Facilities Agreement and the commitments thereunder and the payment in full of all the Secured Liabilities (other than contingent amounts not yet due). The provisions of Section 5.03 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated by the Finance Documents, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

SECTION 5.05. Counterparts; Effectiveness; Successors and Assigns. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Security Agent and a counterpart hereof shall have been executed on behalf of the Security Agent, and thereafter shall be binding upon such Grantor and the Security Agent and their respective successors and assigns, and shall inure to the benefit of such Grantor, the Security Agent and the other Secured Parties and their respective successors and assigns, except that no Grantor may assign or otherwise transfer any of its rights or obligations hereunder or any interest herein or in the Collateral (and any attempted assignment or transfer by any Grantor shall be null and void), except as expressly contemplated by this Agreement or the Facilities Agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 5.06. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 5.07. Reserved.

SECTION 5.08. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Each party hereto irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Security Agent, any other Secured Party or any Related Party of any of the foregoing in any way relating to this Agreement or the transactions relating hereto, in any forum other than the courts of the State of New York sitting in New York County and of the United States District Court for the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of such court and agrees that all claims all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each party hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Security Agent or any other Secured Party may otherwise have to bring any action, litigation or proceeding relating to this Agreement against any Grantor or any of its properties in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section 5.08. Each of the Grantors hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 5.01. Nothing in this Agreement or any other Finance Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 5.09. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY

LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.09.

SECTION 5.10. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 5.11. Security Interest Absolute. All rights of the Security Agent hereunder, the Security Interest, the grant of the security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Facilities Agreement, any other Finance Document, any agreement with respect to any of the Secured Liabilities or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Liabilities, or any other amendment to or waiver of, or any consent to any departure from, the Facilities Agreement, any other Finance Document, any agreement with respect to any of the Secured Liabilities or any other agreement or instrument relating to any of the foregoing, (c) any exchange, release or non-perfection of any Lien on other collateral securing, or any release or amendment to or waiver of, or any consent to any departure from, any guarantee of, all or any of the Secured Liabilities, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Liabilities or this Agreement.

SECTION 5.12. Termination or Release; Reinstatement. (a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate and be released when all the Secured Liabilities (other than contingent obligations for indemnification, expense reimbursement, tax gross up or yield protection as to which no claim has been made) have been paid in full in cash and the Lenders have no further commitment to lend under the Facilities Agreement.

(b) The Security Interest and the other security interests granted hereby shall also be released (in whole or in part) at the time or times and in the manner set forth in Clause 27.28 of the Facilities Agreement. In the event of any such termination or release, Schedules II, III and IV to this Agreement shall be deemed to be modified to remove the Collateral with respect to which the Security Interest and the other security interests granted hereby have been so released.

(c) In connection with any termination or release pursuant to this Section 5.12, the Security Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents by the Security Agent pursuant to this Section 5.12 shall be without recourse to or warranty by the Security Agent.

(d) Each Grantor agrees that this Agreement and the security interest created hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Secured Liabilities are rescinded or must otherwise be restored by the Security Agent or any other Secured Party upon the bankruptcy, insolvency, dissolution, liquidation or reorganization of the US Borrower, any other Grantor or otherwise.

SECTION 5.13. Additional Subsidiaries. Pursuant to the Facilities Agreement, certain Material Subsidiaries not party hereto on the Effective Date are required to enter in this Agreement. Upon the execution and delivery by the Security Agent and any such Material Subsidiary of a Supplement, such Material Subsidiary shall become a Subsidiary Grantor and a Grantor hereunder, with the same force and effect as if originally named as such herein. The execution and delivery of any Supplement shall not require the consent of any other Grantor. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 5.14. Security Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Security Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Security Agent may deem reasonably necessary to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Security Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Security Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Security Agent; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Security Agent were the absolute owner of the Collateral for all purposes; provided that nothing herein

contained shall be construed as requiring or obligating the Security Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Security Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Security Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their Related Parties shall be responsible to any Grantor for any act or failure to act hereunder, except for their (or their respective Related Parties') own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable judgment).

SECTION 5.15. Conflict. In the case of any Collateral "located" in any jurisdiction outside the United States (including any Equity Interests of a Foreign Subsidiary), in the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any applicable Security Document governed by the law of such jurisdiction pursuant to which a security interest is validly granted in such Collateral, and which cannot be resolved by complying with both provisions, the provisions contained in such foreign Security Document shall govern to the extent of such conflict with respect to such Collateral.

[FORM OF] PATENT SECURITY AGREEMENT dated as of [ ] (this "Agreement"), among Global Appliance UK Holdco Limited, a limited liability company incorporated under the laws of England and Wales with registration number 10891700 ("Global Appliance UK"), Global Appliance LLC, (the "US Borrower"), the other Subsidiary Grantors from time to time party hereto and Bank Of China Limited Macau Branch ("BOC Macau"), as Security Agent.

Reference is made to (a) the Facilities Agreement dated [●], 2020 (as amended, restated, supplemented or otherwise modified from time to time, the "Facilities Agreement"), among JS Global Lifestyle Company Limited (the "Company"), the US Borrower, BOC Macau as mandated lead arranger, the Lenders from time to time party thereto, BOC Macau as agent of the other Finance Parties, and BOC Macau as Security Agent, and (b) the Collateral Agreement dated as of [●], 2020 (the "Collateral Agreement"), among Global Appliance UK, the US Borrower, the other Subsidiary Grantors from time to time party thereto and BOC Macau, as Security Agent. The Subsidiary Grantors party hereto (other than the US Borrower) are Affiliates of the Borrowers, will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Facilities Agreement and are willing to execute and deliver this Agreement in order to induce the Original Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Facilities Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Clause 1.2 of the Facilities Agreement also apply to this Agreement, *mutatis mutandis*.

SECTION 2. Grant of Security Interest. (a) all letters patent of the United States or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or the equivalent thereof in any other country, including registrations, recordings and pending applications in the United States Patent and Trademark Office, including those listed on Schedule I, or any similar office in any other country; and

(b) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein.

SECTION 3. Collateral Agreement. The security interests granted to the Security Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Security Agent pursuant to the Collateral Agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

This Agreement and the security interest created hereby shall remain in full force and effect until all of the Secured Liabilities (other than contingent obligations for indemnification, expense reimbursement, tax gross up or yield protection as to which no claim has been made) have been paid in full in cash and the Lenders have no further commitment to lend under the Facilities Agreement.

SECTION 6. Release. If any Trademark Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Facilities Agreement (other than to any other Person required to grant a security interest in such Trademark Collateral to the Security Agent), then such Trademark Collateral shall be released from the Liens created hereby.

SECTION 7. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

(a) (i) all copyright rights in any work subject to the copyright laws of the United States or any other country, whether as author, assignee, transferee or otherwise, and (ii) all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations, recordings and applications in the United States Copyright Office, including those listed on Schedule I or any similar office in any other country; and

(b) all exclusive Copyright Licenses under which any Grantor is a licensee, including those listed on Schedule I.

SECTION 3. Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Security Agent with respect to the Copyright Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
