Statement of capital

5 Statement of capital (Prescribed particulars of rights attached to shares)

Class of share	Ordinary Shares	
Prescribed particulars ①	<p>Income subject to the provisions of the Act, the Directors may pay interim dividends if it appears to them that they are justified by the profits of the company available for distribution. If the share capital is divided into different classes, the Directors may pay interim dividends on shares which confer deferred or non-preferred rights with regard to dividend as well as on shares which confer preferential rights with regard to dividend, but no interim dividend shall be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear. The Directors may also pay at intervals settled by them any dividend payable at a fixed rate if it appears to them that the profits available for distributions justify the payment. All dividends shall be apportioned and paid proportionately to the amount paid up on shares during any portion or portions of the period in respect of which the dividend is paid, but if any share is issued on terms providing that it shall rank for dividend as from a particular date, that share shall rank for dividend accordingly. Capital if the company is wound up, the liquidator may, with the sanction of an extraordinary resolution of the company and any other sanction required by the Act, divide among the members in specie the whole or any part of the assets of the company and may, for that purpose, value any assets and determine how the division shall be carried out as between the members of different classes of members. Voting subject to any rights or restrictions attached to any shares, on a show of hands every member who (being an individual) is present in person or (being a corporation) is present by a duly authorised representative not being himself a member entitled to vote, shall have one vote, and on a poll every member shall have one vote for every share of which he is the holder.</p>	<p>① Prescribed particulars of rights attached to shares The particulars are</p> <ul style="list-style-type: none"> a particulars of any voting rights, including rights that arise only in certain circumstances, b particulars of any rights, as respects dividends, to participate in a distribution, c particulars of any rights, as respects capital, to participate in a distribution (including on winding up), and d whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder and any terms or conditions relating to redemption of these shares <p>A separate table must be used for each class of share</p>
