Objectives & Activities

The objectives of the Society are:

The advancement of education in art, science and practice of architecture within the county of Yorkshire for the public benefit, in particular but not exclusively through:

- a) Awarding financial prizes, bursaries and other awards to those studying architecture.
- b) Organising, running and funding architectural workshops, competitions and exhibitions.
- c) In such other ways as the trustees in their absolute discretion shall determine.

Aims, objectives and activities are reviewed annually to ensure they remain focused on our principal objectives. We have referred to the Charity Commission's general guidance on public benefit when undertaking this review process.

Risk Assessments

The Trustees examine the major risks that the charity faces each quarter when considering their plans and annual budgets. The charity has contracts in place to control these risks and mitigate any impact they may have on the charity's future.

Financial Review

Incoming resources for the year amounted to £17. Total resources expended in the year decreased by £3,074 to £9,092. This means there were net outgoing resources in the year of £9,075, with total unrestricted funds carried forward decreasing to £487,903.

Reserves Policy

The charity's policy on reserves is to ensure that sufficient unrestricted funds are maintained to enable the charity to continue in the event that there is an unpredicted and/or significant drop in the income levels. The trustees consider that the current level of general reserves meet the requirements of this policy.

**Report of the Trustees
for the Year Ended 31 December 2020**

Statement of Responsibilities of the Trustees/Directors

The charity trustees (who are also the directors for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires that the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure for the financial year. In preparing the financial statements, the members of the management committee are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees/directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies. The trustees also confirm that they have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance on public benefit published by the Charity Commission.

ON BEHALF OF THE TRUSTEES:

A handwritten signature in black ink, appearing to read 'T Robbins', is written over a horizontal line.
