19 **Miscellaneous**

19.1 **Benefit of Deed**

The benefit of this deed will be held by the Security Agent on and subject to the terms of the Senior Facilities Agreement on trust for the benefit of itself and the other Secured Parties without preference or priority amongst themselves as security for the Secured Liabilities, except as provided under the Senior Facilities Agreement.

19.2 **Certificates conclusive**

A certificate or determination by the Security Agent as to any amount or rate under this deed shall be conclusive evidence of that amount or rate in the absence of any manifest error.

19.3 **Limitations**

This deed constitutes notice in writing to each Chargor of any charge or assignment of a debt owed by that Chargor to any other member of the Group and contained in any other Finance Document.

19.5 **Financial collateral**

19.5.1 To the extent that the Charged Assets constitute “financial collateral” and this deed and the obligations of the Chargors under this deed constitute a “security financial collateral arrangement” (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 no. 3226)), the Security Agent shall have the right after this Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Liabilities.

19.5.2 For the purpose of clause 19.5.1, the value of the financial collateral appropriated shall be such amount as the Security Agent reasonably determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

19.6 **Severability**

If any of the provisions of this deed is or becomes invalid or unenforceable, the validity and enforceability of the remaining provisions shall not be affected or impaired thereby.

19.7 **Section 2(1) Law of Property (Miscellaneous Provisions) Act 1989**

The terms of the Finance Documents and of any side letters between any parties in relation to the Finance Documents are incorporated in this deed to the extent required to ensure that any purported disposition of Charged Assets contained in this deed is a valid disposition in accordance with Section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1989.

19.8 **Third party rights**

Save as expressly provided to the contrary in a Finance Document, a third party (being any person other than the Chargors and the Secured Parties and their successors and permitted assigns) has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or to enjoy the benefit of any term of this deed. Notwithstanding any term of any Finance Document, the consent of such third party is not required to rescind or vary this deed at any time.

19.9 **Perpetuity period**

The perpetuity period applicable to all trusts declared by this deed shall be 125 years.

19.10 **Joint and several liability**

The covenants, agreements, obligations and liabilities of the Chargors contained in this deed or implied on their part are joint and several and shall be construed accordingly.

19.11 **Trustee Act 2000**

The Chargors and the Security Agent agree that the Security Agent shall not be subject to the duty of care imposed on the trustees by the Trustee Act 2000.

20 **Demands and notices**

Any demand, notice, consent or communication to be made or given by or to a Chargor or the Security Agent under or in connection with this deed shall be made and delivered as provided in Clause 34 (*Notices*) of the Senior Facilities Agreement. Any demand on a Chargor shall be validly made whether or not it contains an accurate statement of the amount of the Secured Liabilities.

21 Assignment and transfer

21.1 Assignment by Security Agent

The Security Agent may at any time without the consent of any Chargor, assign or transfer the whole or any part of its rights under this deed to any person in accordance with the terms of the Senior Facilities Agreement.

21.2 Assignment by Chargor

No Chargor may assign any of its rights or transfer any of its obligations under this deed or enter into any transaction which would result in any of these rights or obligations passing to another person.

22 Release of Security

22.1 Release

22.1.1 The Security Agent shall at the request and cost of the Chargors, take whatever action is necessary to release or re-assign from the security created pursuant to this deed any relevant Charged Assets which are permitted to be disposed of under the Senior Facilities Agreement in the circumstances and in the manner permitted by the Senior Facilities Agreement including providing a letter on non-crystallisation if requested.

22.1.2 Subject to clause 22.3 (*Discharge conditional*), upon the expiry of the Security Period (but not otherwise) the Security Agent shall at the request and cost of the Chargors, take whatever action is necessary to release the Charged Assets from the security constituted by this deed.

22.2 Avoidance of payments and reinstatement

If any payment by an Obligor or any discharge given by a Finance Party (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is (a) capable of being avoided or reduced (in the opinion of the Security Agent) or (b) avoided or reduced in each case as a result of insolvency or any similar event, then:

22.2.1 the liability of each Obligor will continue as if the payment, discharge, avoidance or reduction had not occurred;

22.2.2 each Finance Party will be entitled to recover the value or amount of that security or payment from each Obligor, as if the payment, discharge, avoidance or reduction had not occurred; and

22.2.3 the Security Agent shall be entitled to enforce this deed subsequently as if such payment, discharge, avoidance or reduction had not occurred.

22.3 Discharge conditional

Any release, discharge or settlement between any Chargor and the Security Agent or any other Finance Party shall be deemed conditional upon no payment or security received by the Security Agent or such other Finance Party in respect of the Secured Liabilities being avoided or reduced or ordered to be refunded pursuant to any provision of any enactment relating to insolvency, bankruptcy, winding-up, administration or receivership and, notwithstanding any such release, discharge or settlement:

22.3.1 the Security Agent or its nominee shall be at liberty to retain this deed and the security created by or pursuant to this deed, including all certificates and documents relating to the Charged Assets or any part thereof, for such period as the Security Agent shall deem necessary to provide the Security Agent with security against any such avoidance or reduction or order for refund; and

22.3.2 the Security Agent shall be entitled to recover the value or amount of such security or payment from the Chargor concerned subsequently as if such settlement, discharge or release had not occurred and each Chargor agrees with the Security Agent accordingly and charges the Charged Assets and the proceeds of sale thereof with any liability under this clause, whether actual or contingent.

23 **Governing law**

This deed is governed by, and shall be construed in accordance with, English law.

24 **Enforcement**

24.1 **Jurisdiction of English courts**

24.1.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence, validity or termination of this deed) (a “**Dispute**”).

24.1.2 The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

This clause 24.1 is for the benefit of the Security Agent only. As a result, the Security Agent shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Agent may take concurrent proceedings in any number of jurisdictions.

25 **Counterparts**

This deed may be executed in counterparts, all of which when taken together shall be deemed to constitute one and the same instrument.
