Directors' report

The directors present their annual report and the audited financial statements of the company for year ended 30 March 2002.

Principal activities

The principal activities of the company are those of retail jewellers and silversmiths and the retailing of gifts and watches. In addition to the company's outlets in the United Kingdom, the company has wholesale distribution to the Middle East and Japan.

Results and proposed dividends

The audited financial statements for the year ended 30 March 2002 are set out on pages 5 to 16. The company's profit for the period after taxation was £ 3,000 (2001: loss of £922,000).

The directors do not recommend the payment of an ordinary dividend.

Introduction of the euro

Apart from positioning the company to handle the introduction of the euro at the appropriate time, the Directors will ensure that business impacts and opportunities are also addressed.

Holding company

The company is a wholly owned subsidiary of Mappin & Webb Holdings Limited. The ultimate parent company is The MW Group Limited.

Group Reorganisation

On 5 June 2001 there was a group reorganisation. Further details are given in note 10.

Directors and directors' interests

The directors who held office during the year were as follows:

JM Pilkington
PE Rivers

The interests of JM Pilkington and PE Rivers who were directors of The MW Group Limited as at 30 March 2002 in the shares of group undertakings are disclosed in the group accounts.

Creditor payment policy

The company's policy on payment of its trade creditors is as follows:

- the terms of payment are agreed at the start of business with individual suppliers to ensure that they are aware of the terms of payment; and
- payments are made on the basis of the agreed terms, contractual and other legal obligations.

The average days creditors outstanding at the period end was 22 days (2001: 25 days).

Directors' report *(continued)*

Disabled persons

It is the policy of the company to support the employment of disabled persons wherever practicable and to ensure that, as far as possible, they share in the training, career development and promotion opportunities available to all employees.

Staff information and consultation

Staff are kept fully informed of matters of interest through a staff magazine, notice boards and staff handbook. A two-way process of informing and consulting staff operates through the line management structure.

Auditors

Our auditors KPMG have indicated to the directors that their business has transferred to a limited liability partnership, KPMG LLP. Accordingly, a resolution is to be proposed at the annual general meeting for the appointment of KPMG LLP as auditors of the company.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditors' report to the members of Mappin & Webb Limited

We have audited the financial statements on pages 5 to 16.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 3, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board in the United Kingdom. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 March 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements. The company has adopted FRS 17 'Retirement benefits', FRS 18 'Accounting policies' and FRS 19 'Deferred tax' in these financial statements. There is no material impact to the company in adopting these new standards.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards in compliance with the Companies Act 1985 and under the historical cost accounting rules modified to include the revaluation of certain land and buildings.

The company has net assets of £323,000 at the balance sheet date. The directors have drawn up the accounts on the going concern basis as the directors have received assurance from The MW Group Limited, the company's ultimate parent, that it will provide all necessary financial support to enable the company to meet its liabilities as they fall due for a period of 12 months from the date of approval of these accounts.

Under FRS 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

As 100% of the company's voting rights are controlled within the group headed by The MW Group Limited, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of The MW Group Limited are available to the public.

The company has adopted a normal retail reporting basis to the Saturday nearest 31 March each year.

Turnover

Turnover represents sales (exclusive of VAT) including pawnbroking interest to third parties primarily arising in the United Kingdom.

Fixed assets and depreciation

Tangible fixed assets are stated at cost and are depreciated at the following annual rates, in order to write off the cost of the assets over their estimated useful lives.

Building and improvements	-	3-5% per annum
Fixtures and fittings	-	8-25% per annum

Leasehold properties and improvements are amortised over the period of the lease or the estimated useful life if lower.

Notes (continued)

1 Accounting policies (continued)

Leases

Rentals payable under operating leases are written off to the profit and loss account on a straight line basis over the lease term.

Foreign currencies

Trading results are expressed in sterling at the average of the rates ruling during the year and include exchange differences realised in the normal course of trade. Assets and liabilities in foreign currencies are expressed in sterling at rates of exchange ruling at balance sheet dates and resultant unrealised exchange differences are dealt with through reserves or through the profit and loss account where appropriate.

Deferred taxation

Deferred tax is recognised without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS19.

Stocks

Stocks are stated at the lower of cost and net realisable value. In determining the cost of goods purchased for resale, the weighted average purchase price is used. For work in progress and finished goods cost is taken as production cost.

Pensions

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

The company's long leasehold property was valued by Messrs Richard Ellis, Chartered Surveyors, at open market value on the basis of existing use in March 1998. This valuation was incorporated in the company's accounts as at 28 March 1998. The revaluation attributable to the building gave rise to an additional depreciation charge of £48,000 (2001:£48,000) in the profit and loss account. No provision has been made in the accounts for capital gains tax as there is no intention to dispose of the property in the foreseeable future.

All land and buildings are comprised of short leasehold properties.
