Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- · select suitable accounting policies and apply them consistently;

Independent Auditor's Report to the members of Duttons Brewery Limited

We have audited the financial statements of Duttons Brewery Limited for the year ended 2 March 2017, which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 11. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework'.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities (set out on page 3), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 2 March 2017 and of its profit for the year then ended
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

- the Directors' Report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

Matters on which we are required to report by exception

- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Directors' Report.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

The Company meets the definition of a qualifying entity under FRS 100 'Application of Financial Reporting Requirements' as issued by the Financial Reporting Council (FRC). Accordingly, in the year ended 3 March 2016, the Company transitioned from reporting under UK GAAP to FRS 101 'Reduced Disclosure Framework'. The financial statements have therefore been prepared in accordance with FRS 101.

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

The parent undertaking of the smallest group of undertakings for which group accounts are drawn up and of which the Company is a member, is Whitbread Group PLC. Copies of their accounts can be obtained from Whitbread Court, Houghton Hall Business Park, Porz Avenue, Dunstable, Bedfordshire LU5 5XE.

The financial year represents 52 weeks to 2 March 2017 (prior financial year: 53 weeks to 3 March 2016).

The Company has adopted the following standards and interpretations which have been assessed as having no financial impact or disclosure requirements at this time:

- The IASB's annual improvement process, 2012-2014;

- IAS 16 and IAS 38 Clarification of Acceptable Methods of Depreciation and Amortisation Amendments to IAS 16 and IAS 38;
- IAS 16 and IAS 41 Bearer Plants Amendments to IAS 16 and IAS 41;

- IFRS 11 Accounting for Acquisitions of Interests in Joint Operations Amendments to IFRS 11.

Notes to the Financial Statements for the Year Ended 2 March 2017

Summary of disclosure exemptions

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to share-based payments, non-current assets held for sale, financial instruments, capital management, presentation of comparative information in respect of certain assets, presentation of a cash flow statement, standards not yet effective, impairment of assets and related party transactions.

Where required, equivalent disclosures are given in the consolidated financial statements of the Group.

Going concern

The financial position of the Company is set out in these financial statements. The Company has considerable financial resources and, as a consequence, the directors believe that the Company is well placed to manage its business risks.

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Interest receivable

Interest income is recognised as the interest accrues, using the effective interest method.

Tax

The tax expense represents the sum of the tax currently payable and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

Current and deferred tax are recognised in profit or loss.

The tax currently payable is based on taxable profit for the year. The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax is charged or credited in the profit and loss account, except when it relates to items charged or credited in other comprehensive income, in which case the deferred tax is also dealt with in other comprehensive income.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Notes to the Financial Statements for the Year Ended 2 March 2017

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

3 Critical accounting judgements and key sources of estimation uncertainty

Preparation of the financial statements requires management to make significant judgements and estimates. The Directors have considered whether there are any such sources of estimation or critical accounting judgements in forming the financial statements and do not determine there to be any for the purposes of disclosure.
