

REPORT AND UNAUDITED FINANCIAL STATEMENTS - YEAR ENDED 30 SEPTEMBER 2019

DIRECTORS' REPORT

This Directors' Report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption. The Company has been dormant as defined in section 1169 of the Companies Act 2006 (CA 2006) throughout the year and preceding year.

Adoption of Financial Reporting Standard (FRS) 102

The Financial Reporting Council has issued *FRS 100 Application of Financial Reporting Requirements*, *FRS 101 Reduced Disclosure Framework* and *FRS 102 The Financial Reporting Standard applicable in the UK and the Republic of Ireland*. These standards are applicable to all companies and entities in the UK and the Republic of Ireland, other than listed groups which continue to report under EU-adopted International Financial Reporting Standards (IFRS), for accounting periods which commenced on or after 1 January 2015.

FRS 100 sets out the overall financial reporting framework for companies in the UK and Ireland. FRS 101 applies to the individual financial statements of subsidiaries and ultimate parents, allowing them to apply the same accounting policies as in their listed group accounts, but with fewer disclosures. FRS 102 is a single financial reporting standard that applies to the financial statements of entities that are not applying EU-adopted IFRS, FRS 101 or the Financial Reporting Standard for Smaller Entities (FRSSE).

Having determined that it was in the best interests of the Company to adopt FRS 102, the directors sought and received the necessary approval from shareholders for the adoption of FRS 102 for the period under review.

1 ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's accounts.

(a) Basis of preparation

The accounts have been prepared in accordance with applicable Accounting Standards, and under the historical cost convention, modified to include the revaluation of fixed asset investments.

The Financial Reporting Council has issued *FRS 100 Application of Financial Reporting Requirements*, FRS 101 Reduced Disclosure Framework and FRS 102 The Financial Reporting Standard applicable in the UK and the Republic of Ireland. These standards are applicable to all companies and entities in the UK and the Republic of Ireland, other than listed groups which continue to report under EU-adopted International Financial Reporting Standards (IFRS), for accounting periods which commenced on or after 1 January 2015.

FRS 100 sets out the overall financial reporting framework for companies in the UK and Ireland. FRS 101 applies to the individual financial statements of subsidiaries and ultimate parents, allowing them to apply the same accounting policies as in their listed group accounts, but with fewer disclosures. FRS 102 is a single financial reporting standard that applies to the financial statements of entities that are not applying EU-adopted IFRS, FRS 101 or the Financial Reporting Standard for Smaller Entities (FRSSE).

The Company is exempt by virtue of Section 400 of the CA 2006 from the requirement to prepare consolidated accounts.

The Company is dormant with the meaning of the CA 2006 and in accordance with the requirements of FRS 102 paragraph 35.10(m) will retain its historic accounting policies for reported assets, liabilities and equity at the date of transition until there is any change to those balances or the Company undertakes any new transaction.

Under Financial Reporting Standard 1 (revised), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that its ultimate parent company includes the Company's cash flows in its own published consolidated accounts.
