The company does not have a share capital being limited by guarantee.

Any reserve for taxation is detailed in the notes to the financial statements.

The auditor Mark Garrett FCA has indicated his willingness to accept reappointment under s385(2) of the Companies Act 1985

DIRECTORS RESPONSIBILITIES

Company law requires us as directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements we are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable us to ensure that the financial statements comply with the Companies Act 1985. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

D. Keith - Secretary
16 Abbey Churchyard

Bath.

BATH CHAMBER OF COMMERCE (INCORPORATED) AUDITORS REPORT FOR THE YEAR ENDED 31ST DECEMBER 2002

I report to the members of Bath Chamber of Commerce (Incorporated) that I have audited the financial statements attached, which have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000), under the historical cost convention, subject to the revaluation of certain assets, and the accounting policies detailed in the notes to the financial statements.

Responsibilities of directors and auditors

The Chamber's directors are responsible for the preparation of the financial statements. It is my responsibility to form an independent opinion, based on my audit, of these financial statements and report my opinion to you.

Basis of opinion

I conducted my audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes the examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

I planned and performed my work so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud, other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of the information in the financial statements.

Opinion

In my opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st December 2002 and of its surplus or deficit for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

MARK GARRETT
CHARTERED ACCOUNTANT

REGISTERED AUDITOR
