NOTES

You should read these notes carefully before compleing the forms. The notes do not form part of line return to be sent to the registrar of companies

Form and Contents of Statement

(1) Every statement must contain a detailed account of all the liquidator's realisations and discursements in respect of the company. The statement of realisations should contain a record of all receipts derived from assets existing at the date of the winding up resolution and subsequently realised including balance at bank book debts and calls collected, property sold etc. and the account of disbursements should contain all payments of costs, charges, and expenses or to creditors or contributories. Receipts derived from deposit accounts and money market deposits are to be included in the balance at bank. Only actual investments are to be included in the 'amounts invested' section in the analysis of balance on page 5 of the form. Where property has been realised, the gross proceeds of sale must be entered under realisations and the necessary payments incidental to sales must be entered as disbursements. A payment into the Insolvency Services Account is not a disbursement and should not be shown as such not are payments into a bank building society or any other financial institution. However, the interest received on any investment should be shown in the realisations. Each receipt and payment must be entered in the account in such a manner as sufficiently to explain its nature. The receipts and payments must severally be added up at the foot of each sheet and the total amoun's received and paid by the liquidator respectively.

Trading Account

(2) When the liquidator carries on a business, a trading account must be forwarded as a distinct account, and the total of receipts and payments on the trading account must alone be set out in this statement.

Dividends

- (3) When dividends instalments of compositions letter are paid to creditors or a return of surplus assets is made to contributories the total amount of each dividend, etc. ac ually paid must be entered in the statement of disbursements as one sum and the liquidator must forward separate accounts showing in first the amount of the claim of each creditor and the amount of dividend, etc. payable to each creditor or contributory.
- (4) When unclaimed dividends leter are paid in orther Insolvency Services Account the total amount so paid in should be entered in the statement of dispursements as one sum. The items to be paid in relation to unclaimed dividends should first be included in the realisations side of the account.
- (5) Credit should not be taken in the statement of disbursements for any amount in respect of liquidator's iremuneration unless it has been duly allowed by resolutions of the liquidation committee or of the creditors or of the company in general impecting, or by order of the court as the case may require or is otherwise allowable under the provisions of the insolvency Rules
