Strategic Report

The Directors present their Strategic Report together with the Directors' Report and audited financial statements of Imperial Tobacco Overseas Limited (the Company) for the year ended 30 September 2020.

Review of the business

The principal activity of the Company continued to be that of holding investments.

The Company is a wholly owned indirect subsidiary of Imperial Brands PLC, which is the ultimate parent company within the Group, and the Directors of the Group manage operations at a Group level. For this reason, the Company's Directors believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of the Company. The development, performance and position of the Group's UK operations, which include the Company, are discussed in the Group's Annual Report which does not form part of this report, but is available at www.imperialbrandsplc.com.

In addition, the Directors of the Group manage the Group's risks at a Group level, rather than at an individual entity level. For this reason, the Company's Directors believe that a discussion of the Group's risks would not be appropriate for an understanding of the development, performance or position of the business of the Company. The principal risks and uncertainties of the Group, which include those of the Company, are discussed in the Group's Annual Report, which does not form part of this report.

In the normal course of business, the Group is exposed to market, liquidity and credit risk. The financial risk management policy is discussed in the Financial Risk Factors section of the Group's Annual Report, which does not form part of this report.

The subsidiaries of the Company are shown at the end of this report.

Financial results

The results for the Company show a loss for the financial year of £21,972 thousand (2019: loss £15,643 thousand) and total equity at 30 September 2020 of £4,105,342 thousand (2019: £4,127,314 thousand).

The Directors do not propose a final dividend (2019: £nil).

The aggregate dividends on the ordinary shares recognised as a charge to the Statement of Changes in Equity during the year amounts to £nil (2019: £nil).

Future Developments

This year end financial position was considered satisfactory and the Directors expect that the present level of activity will be sustained for the foreseeable future.

Streamlined Energy and Carbon Reporting (SECR)

The Company is exempt from the UK Streamlined Energy and Carbon Reporting (SECR) regulations. The performance of the Imperial Brands PLC Group in respect of these regulations can be found in the Group's annual report on page 22.

Strategic Report

Statement on Section 172 of the Companies Act 2006

The ongoing sustainable success of the Company is dependent on its relationship with stakeholders.

Section 172 of the Companies Act 2006 requires a director of a company to act in the way he/she considers, in good faith, would be most likely to promote the success of the company for the benefit of its members as a whole, and in doing so have regard (amongst other matters) to:

- the likely consequences of any decision in the long term,
- the interests of the company's employees,
- the need to foster the company's business relationships with suppliers, customers and others,
- the impact of the company's operations on the community and the environment,
- the desirability of the company maintaining a reputation for high standards of business conduct, and
- the need to act fairly between members of the company.

Building and maintaining trust with our stakeholders underpins the success and reputation of the Company. Through stakeholder collaboration we aim to develop the Company and uphold high standards of governance. The stakeholders of the Company consist of other Imperial Brands PLC group companies. Company activities are enacted with due regard to other companies within the Imperial Brands PLC Group and applicable rules and regulations.

Brexit

The UK formally exited from the European Union (EU) on 31 January 2020, and entered into a transition trading arrangement until 31 December 2020. On 30 December 2020 a trade deal was agreed between the UK and EU. The Company has considered the potential impacts of the trade deal and does not expect any material adverse consequences from the UK's exit from the EU.

COVID-19

During the pandemic the impacts of COVID-19 have been well managed by the Imperial Brands Group to ensure continuity of operations, with new working practices having evolved and significant effort provided by our teams across the globe, along with those of our customers, suppliers, and other stakeholders. However, the wider socioeconomic effects of COVID-19 could impact the commercial environment into the longer-term, and could result in the size of the legitimate nicotine market being negatively impacted by regulatory change, excise tax or increases in other product taxes, and affordability concerns resulting in consumer downtrading or increased consumption of illicit product. Additionally, the impacts on global supply chains, financial markets, and businesses in commercial distress are being actively considered and mitigating actions taken across the business. Given the unprecedented nature of the pandemic and the related variability of outcomes our ability to accurately predict and quantify these risks may be reduced in comparison to pre-pandemic periods.

Strategic Report

COVID-19 (continued)

The Directors recognise that the current environment brings uncertainty due to the COVID-19 pandemic; however, over the last year, the Group has effectively managed operations across the world, and has an established mechanism to operate efficiently despite the uncertainty, with little impact to date. Consumer sales have proved to be resilient, and it can be seen that governments are supportive of ongoing distribution. Consequently, we now do not perceive the impact of COVID-19 to present a significant risk to the maintenance of cash flows. This means that the Group continues to have the ability to pay down debt, maintain covenants, credit ratings, bank, bond, and investor confidence.

As the Company's principal activity is that of holding investments in other group companies, the Company's operations themselves have not been significantly impacted by the Covid 19 pandemic. The Company is not aware of any post year end impairments to its investments specifically associated with the impact of the pandemic.

Directors' Report

The Directors submit their report together with the Strategic Report and audited financial statements of the Company for the year to 30 September 2020.

Future developments and going concern

Future Developments are set out in the Strategic Report.

The Directors are satisfied that the Company has adequate resources to meet its operational needs for the foreseeable future and accordingly they continue to adopt the going concern basis in preparing the financial statements. The Directors of the Company have assurances of unconditional committed financial support from Imperial Brands PLC, the ultimate parent company, and that this will continue for at least 12 months from the date of signing of the financial statements.

Financial risk management policy

Financial risk management policies are detailed in the Strategic Report.

Share capital

Details of the Company's share capital are shown in note 12 to the financial statements.

Dividends

As set out in the Strategic Report, the Directors do not propose a final dividend. No interim dividends have been paid in the current or the prior period.

Qualifying third party indemnity provisions

Imperial Brands PLC has purchased Directors' and Officers' liability insurance that has been in force during the financial year and is currently in force at the date of approval of these financial statements. The Directors of the Company have the benefit of this insurance, which is a qualifying third party indemnity provision as defined by the Companies Act 2006.

Statement of Directors' responsibilities in respect of the financial statements

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 'Reduced Disclosure Framework', and applicable law).

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF IMPERIAL TOBACCO OVERSEAS LIMITED

Opinion

We have audited the financial statements of Imperial Tobacco Overseas Limited for the year ended 30 September 2020 which comprise the Income Statement, the Balance Sheet, the Statement of changes in equity and the related notes 1 to 15, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 30 September and of its loss for the year then ended;
- · have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- \cdot the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report set out on pages 1 to 6, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF IMPERIAL TOBACCO OVERSEAS LIMITED

Other information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- · adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF IMPERIAL TOBACCO OVERSEAS LIMITED

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements

1. Authorisation of financial statements and statement of compliance with FRS101

The financial statements of the Company for the year ended 30 September 2020 were authorised for issue by the board of directors on 25 June 2021, and the balance sheet was signed on the board's behalf by J M Downing. The Company is a private company limited by shares incorporated and domiciled in the United Kingdom, and registered in England and Wales.

These financial statements were prepared in accordance with the Companies Act 2006, Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and applicable accounting standards.

The Company's financial statements are presented in Sterling and all values are rounded to the nearest thousand pounds (£000) except when otherwise indicated.

The Company has taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group financial statements as it is a wholly owned subsidiary of Imperial Brands PLC, registered in the United Kingdom. The results of the Company are included in the consolidated financial statements of Imperial Brands PLC which are available from 121 Winterstoke Road, Bristol, BS3 2LL or on its website www.imperialbrandsplc.com.

2. Accounting policies

Going concern

The Directors are satisfied that the Company has adequate resources to meet its operational needs for the foreseeable future and accordingly they continue to adopt the going concern basis in preparing the financial statements. The Directors of the Company have assurances of unconditional committed financial support from Imperial Brands PLC, the ultimate parent company, and that this will continue for at least 12 months from the date of signing of the financial statements. Imperial Brands PLC has undertaken its own assessment of going concern, which it has confirmed and this is disclosed on page 140 of the Imperial Brands PLC Annual Report for the year ended 30 September 2020. The directors, having made enquiries are satisfied that there has been no deterioration in the ability of the Group to provide financial support since this date.

Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Companies Act 2006 as applicable to Companies using Financial Reporting Standard 101 'Reduced Disclosure Framework' (FRS 101), and FRS 101 as issued by the Financial Reporting Council, on a going concern basis. The financial statements have been prepared consistently during the current and preceding year, except for newly applicable standards.

The financial statements have been prepared on the historical cost basis, except as described in the accounting policies on foreign currency and financial instruments below. Historical cost is generally based on the fair value of the consideration given in exchange for the assets.

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of expenses during the period and of assets and liabilities at the balance sheet date.

Notes to the Financial Statements

2. Accounting policies (continued)

Basis of preparation of financial statements (continued)

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available in the preparation of the financial statements, as detailed below:

- Paragraph 38 of IAS 1 'Presentation of financial statements' comparative information requirements in respect of:
 - (i) paragraph 79(a)(iv) of IAS 1; and
 - (ii) paragraph 118(e) of IAS 38 'Intangible assets' reconciliations between the carrying amount at the beginning and end of the period;
- The following paragraphs of IAS 1 'Presentation of financial statements':
 - (i) 10(d) statement of cash flows;
 - (ii) 10(f) a statement of financial position as at the beginning of the preceding period when an entity applied an accounting policy retrospectively or makes a retrospective restatement of items in its financial statements, or when it reclassifies items in its financial statements;
 - (iii) 16 statement of compliance with all IFRS;
 - (iv) 38A requirement for minimum of two primary statements, including cash flow statements;
 - (v) 38B-D additional comparative information;
 - (vi) 40A-D requirements for a third statement of financial position;
 - (vii) 111 cash flow information; and
 - (viii) 134-136 capital management disclosures;
- IAS 7 'Statement of cash flows';
- Paragraph 30 and 31 of IAS 8 'Accounting Policies, changes in accounting estimates and errors' requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not vet effective:
- Paragraph 17 of IAS 24 'Related party disclosures' key management compensation;
- The requirements in IAS 24 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group; and
- IFRS 7 'Financial Instruments: Disclosures'.

New accounting standards and interpretations

IFRIC 23 'Uncertainty over income tax treatments' was adopted for the period beginning 1 October 2019. The interpretation clarifies how to apply the recognition and measurement requirements in IAS 12 'Income Taxes' when there is uncertainty over income tax treatments. The adoption of this interpretation did not have a material effect on the Company's net assets or results.

IFRS 16 'Leases' was effective for the period beginning 1 October 2019. As the Company does not currently have any leases there was no impact on adoption of the standard.

Notes to the Financial Statements

2. Accounting policies (continued)

Foreign currency

Monetary assets and liabilities denominated in foreign currencies are translated into pound sterling at the rates of exchange ruling at the balance sheet date.

Transactions in currencies other than pound sterling are initially recorded at the exchange rate ruling at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at exchange rates ruling at the balance sheet date of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement with exchange differences arising on trading transactions being reported in operating profit, and those arising on financing transactions being reported in net finance costs.

Income from subsidiary

Dividend income from subsidiary entities is recognised in the period in which the right to receive payment is established.

Interest

Interest payable and receivable is recognised in the income statement on an accruals basis.

Taxes

The tax expense for the year comprises current and deferred tax. Tax is recognised in the income statement, except to the extent that it relates to items recognised in other comprehensive income or directly in shareholders' funds. In this case, the tax is also recognised in other comprehensive income or directly in the shareholders' funds, respectively.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustments to tax payable in respect of previous periods.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

A net deferred tax asset is recognised only to the extent that it is probable that future taxable profit will be available against which the asset can be utilised.

Deferred tax is determined using tax rates that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax is measured on a non-discounted basis.

Dividends

Final dividends are recognised as a liability in the period in which the dividends are approved by shareholders, whereas interim dividends are recognised in the period in which the dividends are paid.

Investments

Investments held as fixed assets comprise the Company's investment in subsidiaries and are predominantly shown at historic purchase cost less any provision for impairment. The exception is when a fair value hedge is in place whereby the investment is revalued at the rate prevailing at the period end, with any foreign exchange movement taken to the net finance income / costs.

Notes to the Financial Statements

2. Accounting policies (continued)

Impairment of Investments

Investments are tested for impairment annually to ensure that the carrying value of the investment is supported by their underlying net assets.

Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument. Financial assets are de-recognised when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership. Financial liabilities are de-recognised when the obligation is extinguished.

Non-derivative financial assets are classified as loans and receivables. Receivables are initially recognised at fair value and are subsequently stated at amortised cost using the effective interest method, subject to reduction for allowances for estimated irrecoverable amounts. A provision for impairment of receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of those receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, and is recognised in the income statement. For interest-bearing assets, the carrying value includes accrued interest receivable.

Non-derivative financial liabilities are classified as loans and payables. Payables are initially recognised at fair value and are subsequently stated at amortised cost using the effective interest method. For borrowings, the carrying value includes accrued interest payable.

Critical accounting estimates and judgements

The Company makes estimates and assumptions regarding the future. Estimates and judgements are continually evaluated based on historical experience, and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In the future, actual experience may deviate from these estimates and assumptions. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the current financial year are discussed below.

Investment in subsidiaries

The Company holds investments in subsidiary undertakings, the value of which is assessed on an annual basis. Estimates of future cashflows are used to provide valuations of the subsidiary entities, and where there are indications that the current carrying value of the investment is greater than the valuation of the business, impairment of the investment may be required.

The complexity of the estimation process and issues related to the assumptions, risks and uncertainties inherent in the application of the accounting estimates affect the carrying values reported in the financial statements. If business conditions were different, or if different assumptions were used in the calculation of accounting estimates, it is possible that different amounts could be reported.

Notes to the Financial Statements

3. Operating profit / (loss)

Expenses of the Company, including audit fees of £5,124 (2019: £2,440) were met by Imperial Tobacco Limited, a wholly owned subsidiary of Imperial Brands PLC, the ultimate parent company. No non-audit services were provided by the Auditors.

4. Directors and employees

The Company has no employees other than the Directors (2019: none), who did not receive any remuneration (2019: £nil).

The emoluments of the Directors are paid by Imperial Tobacco Limited a wholly owned indirect subsidiary of Imperial Brands PLC, the ultimate parent company. The Directors' services to the Company and to a number of fellow subsidiaries below the ultimate parent company are of a non-executive nature and their emoluments and retirement benefits are deemed to be wholly attributable to their services to Imperial Tobacco Limited and the ultimate parent company. Accordingly, no emoluments or retirement benefits are disclosed in these financial statements.

5. Amounts written off investments

(In £ thousand)		2020	2019
Amounts written off investn	nents	 29,059	23,435
Amounts written off investr	nents	 29,059	

During the current year the company made a provision against the carrying value of its investment in Imperial Tobacco Tutun Urunleri Satis ve Pazarlama AS of £29,059 thousand. During the prior year the Company impaired the same subsidiary by £23,435 thousand.

Notes to the Financial Statements

7. Tax on loss (continued)

Factors affecting the tax charge for the year

The tax assessed for the year is higher (2019: higher) than the standard rate of corporation tax in the UK of 19.0 per cent (2019: 19.0 per cent). The differences are explained as follows:

(In £ thousand)	2020	2019
Loss before taxation	(21,972)	(15,643)
Loss before taxation multiplied by standard rate of corporation tax in the UK of		
19.0 per cent (2019: 19.0 per cent).	(4,175)	(2,972)
Tax effects of:		
Expenses not deductible for tax purposes	5,521	4,452
Group relief claimed	(1,342)	(1,476)
UK-UK transfer pricing adjustment	(4)	(4)
Total tax charge to the income statement	-	-

The corporation tax charge for the year has been adjusted by £1,342 thousand (2019: £1,476 thousand) due to the claim of group relief from (2019: from) other Imperial Brands PLC companies.

Factors that may affect future tax charges

The current year and prior year tax rate of 19.0 per cent arises from profits being taxed at 19.0 per cent.

As announced in the Chancellor's Budget on 3rd March 2021, the UK corporation tax rate is expected to increase to 25 per cent from 1 April 2023.
