Statement of Directors' Responsibilities in respect of the Directors' report and the financial statements

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law, including Financial Reporting Standard 101 Reduced Disclosure Framework 'FRS 101'). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies in accordance with IAS8 Accounting Policies, Changes in Accounting Estimates and Errors and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in FRS 101 is insufficient to enable users to understand the impact of particular transactions, other events and conditions on the financial position and financial performance;
- state whether applicable UK Accounting Standards, including FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the Directors are also responsible for preparing a Directors' report that complies with the law and those regulations. The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website.

Statement of Profit and Loss Account and Other Comprehensive Income

The Company has not traded in the current or prior year and therefore received no income, nor incurred any expenses. Consequently, during those years, the Company made neither a profit nor a loss or had any other comprehensive income, and therefore no Statement of Profit and Loss Account and Other Comprehensive Income is presented.

The registered office is Arla House, 4 Savannah Way, Leeds Valley Park, Leeds, West Yorkshire, LS10 1AB. The Company's principal activities and nature of its operations are disclosed in the Directors' report.

1.1 Accounting convention

The financial statements have been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and in accordance with applicable accounting standards.

The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies set out within these financial statements. The principal accounting policies adopted are set out below.

As permitted by FRS 101, the Company has taken advantage of the following disclosure exemptions from the requirements of IFRS:

- inclusion of an explicit and unreserved statement of compliance with IFRS;
- presentation of a statement of cash flows and related notes;
- disclosure of the objectives, policies and processes for managing capital;
- disclosure of the categories of financial instrument and the nature and extent of risks arising on these financial instruments;
- the effect of financial instruments on the statement of comprehensive income;

- related party disclosures for transactions with the parent or wholly owned members of the Group.

Where required, equivalent disclosures are given in the group accounts of Arla Foods amba, available to the public and can be obtained as set out in note 5.

1.2 Going concern

The Company is dormant, having ceased trading in a prior year. The Directors intend to dissolve the Company when circumstances allow. Having considered the requirements of IAS 1 Presentation of Financial Statements, the Directors concluded that it is inappropriate to prepare the financial statements on a going concern basis. However, with no transactions during the year and very limited outstanding balances, not applying the going concern basis has had no impact on the preparation of the financial statements. In practice, the accounting policies have been applied in accordance with the normal recognition and measurement requirements of FRS 101.

2. Directors' remuneration

There are no employees of the Company, other than the Directors. The Directors of the Company are also Directors or employees of other companies within the Group. The Directors' services to the Company do not occupy a significant amount of their time. As such the Directors do not consider that they have received any remuneration for their incidental services to the Company.
