Westminster Tobacco Company Limited**Report of the directors
for the year ended 31 December 1994****Directors' responsibilities**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- select appropriate accounting policies and then apply them consistently, subject to any material departures being disclosed and explained;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless they consider that to be inappropriate.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board

Auditors' Report to the Shareholders of Westminster Tobacco Company Limited

We have audited the financial statements on pages 5 to 10 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

Respective responsibilities of directors and auditors

As described on page 3 the Company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the affairs of the Company as at 31 December 1994 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Westminster Tobacco Company Limited

Notes to the financial statements for the year ended 31 December 1994

1 Accounting policies

A summary of the principal accounting policies, all of which have been applied consistently throughout the current year and the preceding year, is set out below. A cash flow statement is not submitted, as the Company, being a wholly owned subsidiary undertaking of a parent undertaking established under UK law, includes cash flow information in the financial statements of the parent undertaking.

1.1 Basis of accounting

The financial statements are prepared in accordance with Accounting Standards applicable in the United Kingdom and under the historical cost convention.

1.2 Group financial statements

Group financial statements are not submitted as the Company is a wholly owned subsidiary of a company incorporated in Great Britain.

1.3 Translation of assets and liabilities

Assets and liabilities are translated at rates of exchange ruling at the end of the financial year. Transactions expressed in currencies other than sterling are translated into sterling at actual rates. Exchange differences on remittances are reflected in trading profit.

1.4 Investments valuation

Investments are shown at cost less provisions consistent with the concept of prudence.

1.5 Deferred taxation

Deferred taxation is provided for on timing differences using the liability method to the extent that it is probable that the liability will crystallise. Timing differences arise on items of income and expenditure which are recognised for tax purposes in different periods from those in which they are recognised in the profit and loss account.

1.6 Accounting for income

Income is accounted for on a receivable basis. Where delays are anticipated in the receipt of monies from overseas companies provision is made in accordance with the concept of prudence.

1.7 Taxation

No account is taken of taxation which may be payable on the realisation of investments, or in the event of the distribution of profits retained by the subsidiary undertakings.

Westminster Tobacco Company Limited
