

The director presents his report and financial statements for the year ended 31 December 2007

Administration

On 1 October 2001, the Company's ultimate parent undertaking, Federal-Mogul Corporation and its subsidiaries in the United States voluntarily filed for financial restructuring under Chapter 11 of the US Bankruptcy Code. In addition, the majority of Federal-Mogul subsidiaries in the United Kingdom, including the Company, filed jointly for Chapter 11 and Administration under the UK Insolvency Act 1986.

On 26 September 2005, the Administrators entered into a Global Settlement Agreement with Federal-Mogul Corporation, the Plan Proponents and the Pension Protection Fund. The Agreement allowed Federal-Mogul to retain the businesses and other assets of the UK Filing Group in exchange for funding specific creditor payments and reserves used by the Administrators to provide distributions to creditors.

On 10 July 2006 the Administrators issued to the creditors their proposals for Company Voluntary Arrangements ("CVAs") for the Company and 50 other UK filing subsidiaries. These proposals were approved at shareholders and creditors meetings held on 7 September 2006 and were confirmed by the UK Court on 11 October 2006. This had the effect on the Company of a reduction in the net pre-filing receivable balance from a fellow group company of 25%, therefore a write-off of £163,390 was made in the profit and loss account in 2006.

On 1 December 2006, 64 of the UK filing companies, including the Company, exited from UK administration.

On 8 November 2007, the US Bankruptcy Court confirmed Federal-Mogul Corporation's Fourth Amended Joint Plan of Reorganization ("the Plan") and on 14 November 2007 the Plan was affirmed by the US District Court. On 27 December 2007, following a 30 day period when objections to the Plan could be raised, the Plan became effective in accordance with its terms (the "Effective Date") and Federal-Mogul Corporation, together with 59 of the UK filing companies, including the Company, emerged from Chapter 11.

On the Effective Date, the Chapter 11 Cases of a further 75 Federal-Mogul subsidiaries in the UK were dismissed. Each of those UK subsidiaries has either few or, in most cases, no known third-party creditors, has no history of using asbestos or manufacturing, selling or distributing asbestos containing products. None of the UK subsidiaries whose Chapter 11 Cases were dismissed were a party to the Plan.

Activities

The Company operates, as managing agents for T&N Limited, the business of component manufacturer primarily for the motor vehicle industry. In addition to the Plan related write-off of £1,055, it has made a loss on the restatement of an overseas deposit account and has incurred bank charges on that deposit account. The loss for the year was £1,183 (2006 loss of £163,830). The director does not recommend a dividend (2006 £nil).

Treasury Policies

The Company makes little use of financial instruments other than a small overseas deposit account. Exposure to price, credit, currency, liquidity and cash flow risks is not material to the assessment of assets, liabilities and profit or loss of the Company.

The directors are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

We read the Director's Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. NOTES FORMING PART OF THE ACCOUNTS

1 ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards and under the historical cost convention

(b) Cash Flow Statement

Under Financial Reporting Standard 1 (Revised 1996), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking of Federal-Mogul Corporation, a company which has prepared a consolidated cash flow statement

(c) Foreign currencies

Transactions in foreign currency are recorded at the rate ruling at the date of transaction. Any assets or liabilities denominated in foreign currency are retranslated at the year end rate. Exchange differences on transactions in foreign currencies are included in the profit and loss account

(d) Deferred Taxation

The taxation charge is based on the result for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or right to pay less or to receive more, tax with the following exceptions

- Provision is made for gains on disposals of fixed assets that have been rolled over into replacement assets only where, at the balance sheet date, there is a commitment to dispose of the replacement assets,
- Deferred tax assets are recognised only to the extent that the director considers that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

(e) Fundamental Accounting Concept

The director believes it to be appropriate to prepare the financial statements on the going concern basis due to the continued financial support provided by the ultimate parent undertaking

(f) Related Parties

The Company has taken advantage of the exemption in FRS8 Related Party Disclosures from disclosing transactions with related parties that are part of the Federal-Mogul Corporation group
