### **Directors' Responsibilities**

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:-

select suitable accounting policies and then apply them consistently;

make judgement and estimates that are reasonable and prudent;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Auditors**

The Auditors, Priory Practice Limited, will be proposed for reappointment in accordance with Section 385 of the Companies Act 1985.

The report of the Directors was approved by the Board on 22nd January 2003 and signed on their behalf by

# Independent Auditors Report to the Members of Wirral Chamber of Commerce and Industry

We have audited the financial statements of the Wirral Chamber of Commerce and Industry for the year ended 31st December 2002 which comprise the Profit and Loss Account, the Balance Sheet and the related notes numbered 1 to 15. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the Company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by the law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, or for the opinions we have formed.

### Respective responsibilities of Directors and Auditors.

As described in the Statement of Directors' Responsibilities the Company's Directors are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions with the Company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatement within it.

### Basis of opinion.

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion.

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 31st December 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

## NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31ST DECEMBER 2002

### 1. ACCOUNTING POLICIES

#### a. Basis of Accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards and incorporate the results of the principal activity which is described in the Directors' Report and which is continuing.

### b. Tangible Fixed Assets

Fixed assets are stated at cost less accumulated depreciation.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Premises
Fixtures and Fittings

2% on straight line 20% on straight line

#### c. Taxation

Corporation tax payable is provided on taxable profits at the current rate.

Deferred taxation (which arises from difference in the timing of the recognition of items, principally depreciation, in the accounts and by the tax authorities) has been calculated on the liability method. Deferred tax is provided on timing differences, which will probably reverse at the rates of tax likely to be in force at the time of reversal. Deferred tax is not provided on timing differences which, in the opinion of the Directors, will probably not reverse.

#### d. Government Grants

Grants on capital expenditure are treated as a deferred credit and are released to the Profit and Loss Account in equal instalments over the estimated useful life of the related assets. Grants of a revenue nature are credited to income in the period to which they relate.

#### e. Turnover

Turnover comprises the value of subscriptions and other income (excluding V.A.T. and similar taxes) arising in the normal course of business.

## f. Leased Assets

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and depreciated over their expected useful lives. The interest element of leasing payments represents a constant proportion of the capital balance outstanding and is charged to the profit and loss account over the period of the lease.

All other leases are regarded as operating leases and the payments made under them are charged to the profit and loss account on a straight-line basis over the lease term.

### g. Cash Flow Statement

The Company has taken advantage of the exemption in Financial Reporting Standard No.1 from producing a cash flow statement on the grounds that it is a small company.

### 2. TURNOVER

Turnover and profit on ordinary activities before taxation are attributable to the principal activity.
