1 Accounting policies

Basis of accounting

The financial statements have been prepared on a going concern basis in accordance with the Companies Act 2006 and applicable United Kingdom accounting standards. The principal accounting policies of the Company have been applied consistently and are set out below:

Cash flow statement and related party disclosures

The Company is a wholly owned subsidiary of Inchcape plc, a company registered in England and Wales, and is included in the consolidated financial statements of Inchcape plc which are publicly available. Consequently, the Company has taken advantage of the exemption in paragraph 5(a) of FRS 1 (Revised 1996), 'Cash Flow Statements', and not published its own cash flow statement. The Company is also exempt under the terms of paragraph 3 of FRS 8, 'Related Party Disclosures', from disclosing related party transactions with entities that are part of the Inchcape plc Group or investees of the Inchcape plc Group.

Investments

Fixed asset investments are shown at cost less provision for impairment. Current asset investments are stated at the lower of cost and net realisable value. Net realisable value is that price at which the investments can be sold in the normal course of business after allowing for the costs of realisation.

Fixed asset investments are reviewed for impairment whenever events or circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount and is charged to the profit and loss account.
