Notes on the accounts

1. Accounting and disclosure requirements

The accounts of the Company are prepared in accordance with the provisions of Section 255 of, and Schedule 9A to, the Companies Act 1985.

2. Accounting policies

The principal accounting policies of the Company as set out below comply with UK accounting standards, to the extent that they are applicable to insurance companies, and the draft Statement of Recommended Practice on accounting for insurance business issued by the Association of British Insurers in 1995.

The Company has entered into mutual guarantees with Sun Alliance and London Insurance plc and certain of its U.K. subsidiaries for the payment of general insurance business liabilities.

(a) General insurance business

The underwriting result is determined on an annual basis. Premiums written are accounted for in the year in which the risks are incepted. The unearned proportions of the premiums are deferred to subsequent accounting periods and the commission and other acquisition costs incurred in writing the business relating to periods of risk extending beyond the end of the financial year, are deferred and amortised over the period in which the related premiums are earned. Claims incurred comprise claims and related expenses paid in the year and changes in provisions for outstanding claims, including provisions for claims incurred but not reported and related expenses, together with any other adjustments to claims from previous years. Where applicable, deductions are made for salvage and other recoveries.

(b) Exchange

Assets and liabilities in foreign currencies and overseas revenue transactions are translated into sterling at rates ruling at the year-end. The resulting exchange adjustments, including the differences arising from the translation of the insurance funds at the beginning of the year at year-end rates, and gains and losses on the conversion of remittances are transferred to the parent company.

3. Insurance business

All insurance business effected in the Company's name is reinsured to other companies in the Royal & Sun Alliance Insurance Group.

4. Net operating expenses

Net operating expenses are nil as the business is 100% reinsured.
