DISBURSEMENT POLICY

Disbursements are expenses met by and reimbursed to an office holder in connection with an insolvency appointment.

There are two types of disbursements; direct disbursements (known as Category 1) and indirect disbursements (known as Category 2).

Category 1 disbursements:

These are payments to independent third parties where there is specific expenditure directly referable to the appointment in question, these include but are not limited to such items as case advertising, storage, bonding, searches, insurance.

Category 1 disbursements can be drawn without prior approval.

Category 2 disbursements

These are expenses that are directly referable to the appointment in question but not to a payment to an independent third party. With the exception of mileage FRP do not charge category 2 disbursements.

Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP at the HMRC approved mileage rate prevailing at the time the mileage was incurred, at the time of this report this is 45p per mile.

Category 2 disbursements require prior approval in the same manner as an office holder's remuneration.
