Electrium (UK) Limited

Directors' report for the year ended 31 March 2005

The directors present their report and the audited financial statements for the year ended 31 March 2005.

Principal activities and review of business

The company is a divisional holding company within the Electrium Limited group of companies.

The results for the year are shown in the profit and loss account on page 4.

The directors consider the future prospects of the company to be satisfactory.

The directors do not propose the payment of any dividends this year. (2004: £nil)

Directors and their interests

The directors who held office during the year are listed on page 1.

None of the directors had any interest in the shares of the company at the beginning or end of the period.

Messrs C J Thomas, A Kitchen and N M Turnbull are directors of Electrium Limited, the ultimate holding company, in whose accounts their interests in the share capital of Electrium Limited are shown.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial period that give a true and fair view of the company and of the profit or loss for that period. The directors are required to prepare financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that suitable accounting policies have been used and applied consistently. They also confirm that reasonable and prudent judgements and estimates have been made in the preparing the financial statements for the year ended 31 March 2005 and that applicable accounting standards have been followed.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

A resolution to reappoint PricewaterhouseCoopers LLP as auditors of the Company will be proposed at the annual general meeting.

By order of the board

N M Turnbull
Company Secretary

Independent auditors' report to the members of Electrium (UK) Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet and the related notes.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or in to whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the annual report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. The other information comprises only the directors' report.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 March 2005 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Electrium (UK) Limited

Notes to the financial statements for the year ended 31 March 2005

1 Accounting policies

These financial statements are prepared under the historical cost convention, and in accordance with applicable accounting standards.

Consolidated accounts

Under Section 228(1) of the Companies Act 1985 the company is exempt from the requirement to prepare group accounts, therefore consolidated accounts have not been prepared and these financial statements only present information about the company as an individual undertaking.

Investments

Investments are carried at cost less any provision for impairment.

Taxation

Corporation tax payable is provided on taxable profits at the current rate. Deferred taxation liabilities are provided on all timing differences arising from transactions that have occurred at the balance sheet date and give rise to an obligation to pay more tax in future. Deferred tax assets are recognised to the extent that on the basis of all available evidence it can be regarded more likely than not that there will be suitable profits from which the future reversal of the underlying timing differences can be deducted.

Foreign currency

Transactions denominated in foreign currencies are recorded in sterling at actual exchange rates as of the date of the transaction or, where appropriate, at the rate of exchange in a related forward exchange contract. Monetary assets and liabilities denominated in foreign currencies at the period end are reported at the rates of exchange prevailing at the year end or, where appropriate, at the rate of exchange in a related forward contract. Differences on exchange arising from the retranslation of the opening net investments in subsidiary companies, and from the translation of the results of those companies at average rate are taken to reserves and are reported in the statement of total recognised gains and losses. All the foreign exchange differences are taken to the profit and loss account in the year in which they arise.

2 Cash flow statement and related party disclosures

The company is a wholly owned subsidiary of Electrium Limited and is included in the consolidated financial statements of Electrium Limited, the ultimate parent company, which are publicly available at Companies House. Consequently, the company has taken advantage of the exemption from preparing a cashflow statement under the terms of Financial Reporting Standard 1 (revised 1996). The company is also exempt under the terms of Financial Reporting Standard 8 from disclosing related party transactions with entities that are part of the Electrium group.
