Ref: CPD/CW/AR/API/D11.1

Email: apigroup@uk.ey.com

Dear Sirs

**API Group Limited, Cedar 2015 Limited, API Group Services Limited, API-
Stace Limited, API Laminates Limited, API Foils Holdings Limited, APIF
Realisations Limited (formerly API Foils Limited) and API Holographics
Limited (all in Administration) ('the Group')**

I write further to my appointment as Joint Administrator of the Group on 31 January 2020.

I now attach a copy of my statement of proposals in accordance with paragraph 49 of Schedule B1 to the Insolvency Act 1986.

Cedar 2015 Limited, API Group Services Limited, API-Stace Limited, API Laminates Limited, API Foils Holdings Limited, APIF Realisations Limited (formerly API Foils Limited) and API Holographics Limited ('the Companies')

As you will note from the proposals, there is no prospect of any funds becoming available to unsecured creditors other than by virtue of the prescribed part. As a consequence, I do not propose to seek a decision on approval of the proposals from creditors.

Creditors whose debts amount to at least 10% of total debts of the Companies may requisition a decision (either by a decision procedure or deemed consent procedure) on approval of the proposals if they deliver to me, within 8 business days of the date of delivery of these proposals, a request which fulfils the requirements of Rule 15.18 of the Insolvency (England and Wales) Rules 2016 (the Rules). In accordance with Rule 15.19 of the Rules, I may require a deposit as security for payment of the expenses associated with convening a decision procedure or deemed consent procedure and will not be obliged to initiate the procedure until I have received the required sum.

In the event that a decision is not requested by creditors under paragraph 52(2)(c) of the Insolvency Act 1986, the proposals will be deemed to be accepted. The Joint Administrators' remuneration and Category 2 disbursements will be agreed with the secured creditor and the preferential creditors in accordance with the provisions of Rule 18.18 of the Insolvency (England and Wales) Rules 2016.

As the joint administrators propose to ask for their remuneration to be fixed on a time-cost basis, they are required to provide creditors with an estimate of the remuneration to be charged and details of expenses incurred and likely to be incurred. The information is attached as Appendix A to this letter.

API Group Limited ('the Company')

I intend to seek the approval of the proposals by deemed consent and I enclose, for your attention, formal notice of deemed consent.

I have also enclosed with this letter (i) an *Invitation to form a Creditors' Committee* in accordance with Rule 3.39; and (ii) in accordance with Rules 15.28 to 15.35 I enclose an *Administration Notice of Claim for Voting Purposes*.

In the event a creditors' committee is not formed, the Joint Administrators will seek approval of their remuneration from the Company's creditors. In this regard, I also enclose a *Notice to Creditors of the Decision Procedure*. This notice has been drafted in line with the requirements of Rules 15.7 and 15.8 of the Rules.

The statutory provisions relating to remuneration are set out in Chapter 4, Part 18 of the Rules. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the website of the Institute of Chartered Accountants in England and Wales at <http://www.icaew.com/en/technical/insolvency/creditors-guides>, or is available in hard copy upon written request to the Joint Administrators.

As the Joint Administrators propose to seek for their remuneration to be fixed on a time-cost basis, they are required to provide creditors with an estimate of the remuneration to be charged and details of expenses incurred and likely to be incurred. This information can be found at Appendix A.

1. Introduction, background and circumstances giving rise to the appointment

1.1 Introduction

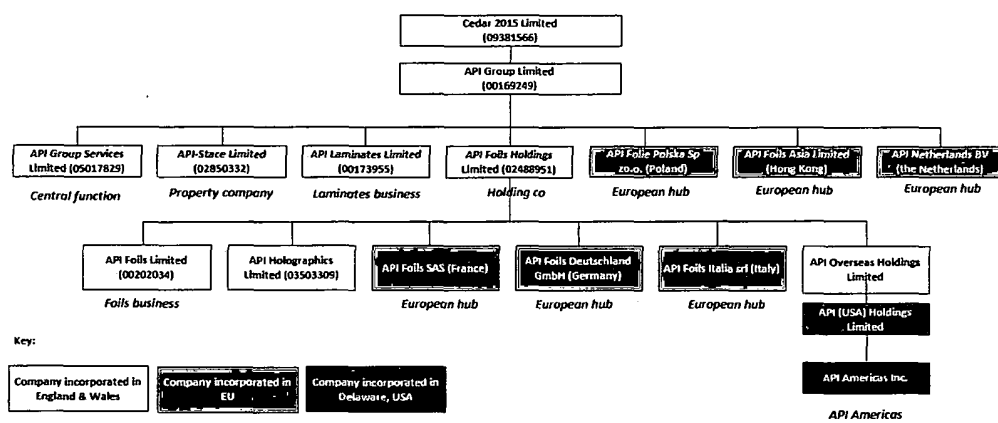

On 31 January 2020, the Companies entered Administration and C P Dempster and R H Kelly were appointed to act as Joint Administrators ("Administrators"). This document, including its appendices, constitutes the Joint Administrators' statement of proposals to creditors of the Companies pursuant to paragraph 49 of Schedule B1 to the Insolvency Act 1986 ("Act") and Rule 3.35 of the Insolvency (England and Wales) Rules 2016 ("Rules").

Certain statutory information relating to the Companies and the appointment of the Joint Administrators is provided at Appendix A

The Companies are part of the API Group of Companies ("the Group"). A structure chart is provided below for reference.

On 2 February 2020, two other companies within the Group also entered Chapter 11 Bankruptcy processes in the USA, specifically API (USA) Holdings Limited along with its subsidiary API Americas Inc. These US companies are not under the control of the Administrators.

Group Structure

For the avoidance of doubt, API Overseas Holdings Limited and the European entities (API Folie Polksa Sp z o.o; API Folts Asia Limited; API Netherlands BV; API Folts SAS; API Folts Deutschland GmbH; and API Folts Italia srl) ("the European Companies") are not in Administration and are not under the control of the Administrators.

Administration appointments for these entities under Centre of Main Interest ("COMI") rules was considered, but it was concluded it would not be possible.

1.2 Background

The Group is a packaging manufacturing business, with operations in the UK and US, Europe and Hong Kong.

In 2015 the Group was acquired by Cedar 2015 Limited ("Cedar"), a company ultimately owned by Steel Partners L.P. ("Steel Partners"), a US investment firm (who had previously

held a minority shareholding in the Group). The Group was also delisted from the AIM market in 2015 ahead of the acquisition by Cedar.

The Group's manufacturing activities include laminating, coating, metallising, embossing and finishing processes for foil and card packaging materials. These products were typically supplied to intermediate packaging businesses with onward supply to end customers predominantly in the premium drinks, tobacco, confectionary, fragrance, personal care and healthcare sectors.

The Group's headcount on the date of appointment totalled as set out below:

Company	Number of employees
Group	1
Group Services	25
Stace	-
Laminates	68
Foils Holdings	-
Foils UK	137
Holographics	-
Cedar	-
Total	231

1.4 Circumstances giving rise to the appointment of the Joint Administrators

The Group as a whole has experienced challenging trading conditions in recent years from:

- Regulatory changes (such as EU tobacco packaging regulation moving to plain packaging) and the resulting loss of major customers and revenue;
- Market changes / consumer trends that negatively impacted sales (such as plastic becoming less desirable); and
- Integration problems following acquisitions (primarily relating to the US businesses which are not part of the UK administrations).

This resulted in significant losses (£22m in FY18 and a £20m loss in FY19 with corresponding cash expenditures, which the Group could not continue to sustain despite management's efforts to turnaround the business in 2019.

As a result, the Group's shareholder decided to market the Group for sale and EY were engaged to assist.

A marketing process was undertaken to sell the Group (either to achieve a sale of the business as a whole, or its individual parts separately) during December 2019 and January 2020 with 125 interested parties being approached from across the world (across both trade and financial buyers).

Despite a wide marketing process being undertaken, only 24 non-disclosure agreements were signed and ultimately no offers were received for either the Group as a whole, nor for any of the UK or European based businesses.

In the absence of a sale and faced with significant ongoing operating losses, the directors concluded that an insolvency of the Group was unavoidable and made arrangements to place the Companies into Administration under the provisions of paragraph 22 of Schedule B1 to the Insolvency Act 1986. The Directors of the affiliate US entities also took steps to place the US Companies into Chapter 11 Bankruptcy in the USA.

1.5 Initial Introduction to the Group

EY were introduced to the Group by its legal advisors, Eversheds Sutherland (International) LLP ("Eversheds") in October 2019 and were engaged by Group to provide contingency planning and insolvency options advice.

In December 2019, EY was engaged to assist the Group in carrying out an accelerated sale process.

In total, EY received fees of £665,602 in relation to this work. In line with our Code of Professional Ethics, we have carefully considered whether this engagement constitutes a conflict of interest which precludes us from acting as Joint Administrators of the Companies. We are satisfied that it does not.

2. Purpose, conduct and end of the Administration

2.1 Purpose of the administration

The purpose of an administration is to achieve one of three objectives:

- a. To rescue a company as a going concern
- b. To achieve a better result for a company's creditors as a whole than would be likely if the company were wound up (without first being in administration)
- c. To realise property in order to make a distribution to one or more secured or preferential creditors

Insolvency legislation provides that objective (a) should be pursued unless it is not reasonably practicable to do so or if objective (b) would achieve a better result for a company's creditors as a whole. Objective (c) may only be pursued if it is not reasonably practicable to achieve either objective (a) or (b) and can be pursued without unnecessarily harming the interests of the creditors of the company as a whole.

For the Companies, it was considered unlikely that objective (a) would be practicable to achieve given the following factors:

- ▶ The business had been widely marketed to a global list of potential purchasers with minimal formal interest shown in acquiring the Group as a going concern and no offers were received;
- ▶ The Companies had significant levels of liabilities; and
- ▶ The business was loss making and it was not considered likely that profitability can be returned in the short to medium term without significant further funding of working capital, trading losses or capital investment.

The Joint Administrators have therefore sought to pursue objective (b) to achieve a better result for the Company's creditors as a whole than would be likely if the company were wound up (without first being in administration). The key reasons for this are:

- ▶ It was considered that best value in respect of the Companies' assets would be achieved through going concern sales of the businesses (if possible) rather than through a longer term wind down and break-up of the assets; and
- ▶ The moratorium granted by an Administration afforded a period of protection to pursue going concern sales of the businesses and assets and, if viable, continue trading all or part of the business to facilitate the sales process.

Further considerations regarding achieving one of the three purposes for each entity include:

Group Limited

- ▶ Group Limited owns certain intellectual property assets that would be required to be included in any sale of the Laminates or Foils business or assets;
- ▶ Owns the shares in the subsidiaries in Netherlands, Hong Kong and Poland that would be marketed for sale in the administration, which could generate distributions for the secured creditor; and

- ▶ It is the agent for Group's banking arrangements with Santander and thus it was necessary to gain control over the UK Group's cash balances on appointment.

Group Services

- ▶ Group Services continues to incur costs that are recharged to the Companies and the US businesses.

Stace

- ▶ Stace owns the freehold (Poynton) and long leasehold (Livingston) property assets, which would need to be included as part of any going concern sales of the Laminates and Foils businesses.

Laminates and Foils

- ▶ Going concern sales of the businesses and assets would likely offer a better return than break up value for both Foils and Laminates. In addition, there was also the possibility of trading the Laminates business. Both of these activities would be better conducted in administration than liquidation.

Holographics

- ▶ Holds assets to realise for the benefit of the secured creditor (deferred consideration and cash).

Foils Holdings

- ▶ Held the shares in the subsidiaries in France and Italy that would be marketed for sale in the administration (principally the Italian subsidiary of Foils), which could generate distributions for the secured creditor

Cedar

- ▶ Held assets to realise for the benefit of the secured creditor (cash)

As a result of the above, the Joint Administrators' consider that objective (b) will be achieved. If objection (b) is not achieved then objective (c), to realise property in order to make a distribution to one or more secured or preferential creditors, will be followed.

2.2 Conduct of the Administration

2.2.1 Group Limited

2.2.1.1 Asset realisations

Investments in Foils subsidiaries (Poland, Hong Kong and Netherlands)

Following our appointment, the Joint Administrators re-contacted a number of interested parties to gauge interest for a sale of the shareholdings held in each of the overseas subsidiaries - either as part of a sale of the Foils business as a whole or separately.

Subsequently, on 26 February 2020, the Joint Administrators concluded a sale of the shares held in API Folie Polska SP z o.o. (Poland) for £1 as part of the sale of the Foils business which is discussed in further detail at section 2.2.6.

The shares in the Hong Kong and Netherlands subsidiaries were not included in the sale. We do not anticipate any future realisations from these assets.

The shares of the other direct subsidiaries of Group Limited (Group Services, Stace, Laminates and Foils Holdings) are not expected to be sold.

Intercompany debts

Intercompany debts totalling £12.5m were owing from the follow group companies to Group Limited at the date of appointment:

- Netherlands: £5.1m
- Poland: £0.4m
- API Overseas Holdings Limited (holding company of the US business): £7.0m

We understand the Netherlands subsidiary is expected to enter insolvent liquidation imminently and therefore we do not anticipate any recoveries against the intercompany debt.

The Poland intercompany balance was assigned to the purchaser for £1 as part the sale of the Foils business. This was necessary to achieve the wider going concern sale of the Foils business.

Absent a going concern sale of the Foils business the Joint Administrators do not believe any realisations would have been possible from the Poland intercompany debt as the Poland subsidiary could not operate on a standalone basis and would have needed to enter into a Polish insolvency process.

There is minimal/no prospect of any recovery of the debt owing from API Overseas Holdings Limited, due to the Chapter 11 Bankruptcy of API Americas Inc.

2.2.1.2 VAT receivable

Group Limited is due a refund of £45,684 from HMRC in relation to pre-appointment VAT. A return has been submitted for the pre-appointment period. However, it is possible that HMRC may seek to offset amounts owing to it from other group companies for outstanding PAYE and NIC liabilities. As a result, any asset realisations from this source are uncertain.

2.2.1.3 Cash at date of appointment

The Companies banking facilities were held with Santander Bank plc and a sum of £430,236 was allocated to Group Limited from the funds held on appointment with Santander.

2.2.2 Group Services

2.2.2.1 Post appointment services

Following appointment of the Joint Administrators, 15 Group Services staff were retained to assist in providing various ongoing central services required by the Laminates and Foils businesses, as well as the US business.

These services primarily include IT, finance, credit control and payroll.

The purchasers of the Foils and Laminates businesses have entered into separate Transitional Services Agreements ("TSA") with Group Services to enable the continued provision of key services for a limited period whilst they make alternative arrangements.

All costs incurred by Group Services will be recharged appropriately to the users of the services.

Assets

Fixed assets with a book value of c.£0.8m primarily relate to capitalised IT costs and office fit out of the Group's head office. We do not anticipate any realisations from this source.

Intercompany debts totalling £2.7m are owed from various entities within the Group. As the entities are all subject to insolvency proceedings, the only realisation route would be via distributions to unsecured creditors. The ultimate quantum of this is currently uncertain. However, we do not anticipate any material recoveries from this source.

Group Services is due a refund of £77,528 from HMRC in relation to pre-appointment VAT. A return has been submitted for the pre-appointment period. However, it is possible that HMRC may seek to offset amounts owing to it from the UK Group for outstanding PAYE and NIC liabilities. As a result, any refund is uncertain.

2.2.3 Stace

2.2.3.1 Asset realisations

Freehold property - Poynton (Laminates)

This Property was sold as part of the Laminates business and assets sale for £1.9m (see below for further details).

Long leasehold property - Livingston (Foil)

As part of the transaction to API Foilmakers, a licence to occupy the leasehold site was granted to API Foilmakers. We anticipate assigning the lease in due course.

Other assets

Other assets of Stace include:

- Intercompany debt owing from Laminates (£83,000) - the only realisation will be via an unsecured distribution from Laminates under the Prescribed Part;
- Other debtors and prepayments (£28,000) - no realisations are anticipated from this source; and
- Cash held at the date of appointment - The Companies banking facilities were held with Santander Bank plc and a sum of £65,061 was allocated to Stace from the funds held on appointment with Santander.

2.2.4 Laminates

2.2.4.1 Trading

Shortly following the appointment of the Joint Administrators, a total of 34 employees were made redundant while 34 employees were retained to:

- Continue production on a limited basis whilst a buyer was sought for the business and assets on a going concern basis (see below), or if a going concern sale is not possible;
- Assist with realising the assets of Laminates and winding down its operations.

A very limited amount of production for Laminates major customer was undertaken under the supervision of the Joint Administrators.

2.2.4.2 Going concern sale

The accelerated marketing process conducted immediately prior to administration had not resulted in any offers for the Laminates business. However, immediately following our appointment, the Joint Administrators received several new expressions of interest.

Non-disclosure agreements (NDAs) were sent to 13 parties and following these parties conducting due diligence, offers were received from four parties on 21 February 2020. A preferred bidder was selected on 22 February 2020 and exclusivity was granted to that party in order for them to undertake further due diligence, with a view to completing a sale in the first week of March.

However, on Friday 28 February 2020, this party withdrew their offer for the business.

As the business had not serviced its customer base for over five weeks, the prospects of achieving a going concern appeared remote, along with it not being possible to undertake any further production due to a lack of raw material supply. Accordingly, a further 17 employees were made redundant on Monday 2 March 2020, leaving a skeleton staff to assist with a full wind down and closure.

Subsequently, the Joint Administrators re-approached parties who had earlier expressed an interest to test whether any possibility of a going concern sale remained and invited the parties to re-submit offers.

A conditional offer on 4 March 2020 was accepted on a non-exclusive basis from Jindal Films (a trade buyer listed on the Indian Stock Exchange). Other parties were not willing to proceed on a non-exclusive basis. Accordingly, Jindal Films travelled to the UK to undertake detailed due diligence.

On 19 March 2020 we completed a sale of Laminates business and assets to a subsidiary of Jindal Films called JPF API Laminates Limited ('the Purchaser'). On the same date, the Purchaser acquired the freehold property owned by Stace and certain intellectual property was assigned and licenced to the purchaser from API Group.

Total consideration was £2.1m, comprising:

Stace - freehold property	£1,900,000
Laminates - plant and machinery	£150,000
Laminates - stock	£49,996
Laminates - other assets	£4

Note - the sale proceeds were received after the date of the receipts and payments account and are therefore not reflected in the account at Appendix B.

The sale of the Laminates business and assets excluded Laminates' trade debtors (see below).

The Joint Administrators are in the process of changing the name of Laminates to APIL Realisations Limited.

2.2.4.3 Other asset realisations

Trade debtors

On appointment, trade debtor balances due to Laminates totalled c£3.5m (after provisions for uncollectible amounts are taken into account). Of this, c£3.2m has been collected to the date of this report. The Joint Administrators continue to pursue collection of the remaining outstanding balance.

Stock

As at 31 January 2020, the Company held finished goods stocks with a net book value of £297,000k. During the Administration period, limited sales of finished goods stock to customers were agreed and combined with the limited production discussed above, stock sales totalled £228,160.

VAT Receivable

Laminates is due a refund of £102,829 from HMRC in relation to pre-appointment VAT. A return has been submitted for the pre-appointment period. However, it is possible that HMRC

may seek to offset amounts owing to it from the UK Group for outstanding PAYE and NIC liabilities. As a result, any refund is uncertain.

2.2.5 Foils Holdings

2.2.5.1 Asset realisations

On 26 February 2020, the Joint Administrators concluded a sale of the shares held in API Foils Italia srl (Italy) for £500,000 and API Foils SAS (France) for £1, as part of the overall sale of the Foils business to API Foilmakers.

The shares of the other direct subsidiaries of Foils Holdings (Foils UK, Holographics, Germany and API Overseas Holdings Limited) relate to insolvent or dormant companies and therefore are not considered saleable.

The only other asset of Foils Holdings is an intercompany debt of £1.2m from Foils UK. The only realisation in relation to the debt will be via an unsecured distribution by way of the Prescribed Part.

2.2.6 Foils UK

2.2.6.1 Going concern sale

The accelerated sale process conducted immediately prior to administration had resulted in no offers for the Foils business. As a result, the Joint Administrators concluded there was no immediate prospect of a going concern sale. On 2 February, 108 employees were made redundant with 29 employees being retained to:

- Assist with a limited production schedule to service certain customer orders; and
- Proceed to fully wind down the operations and realise the assets, whilst efforts to find a buyer for the business on a going concern basis continued.

At the same time, the Joint Administrators contacted interested parties to clarify any residual interest in a going concern sale for the Foils business, and/or for the European and Hong Kong sales hubs.

Whilst interest was initially very limited, we were subsequently approached by Aldus Pty Limited ("Aldus"), an Australian based trade party, who communicated strong interest in acquiring the majority of the Foils businesses and assets in a short timescale.

On 14 February 2020, we agreed to grant a seven day exclusivity period to allow Aldus to undertake diligence. An offer was received on 21 February 2020 and on 26 February 2020, the Joint Administrators concluded a sale of the Foils UK business and assets and the shares held in API Foils Italia srl (Italy), API Foils SAS (France) and API Folie Polska SP z o.o. (Poland) to API Foilmakers Limited (a subsidiary of Aldus).

The consideration for the sale totalled £2.0m, comprising:

Foils UK - plant and machinery	£1,000,000
Foils UK - stock	£499,992
Foils UK - other assets	£7
Foils Holdings - shares in Italian subsidiary	£500,000
Foils Holdings - shares in French subsidiary	£1
Group Limited - shares in Poland subsidiary	£1

Included within the other assets of Foils UK were intercompany debts owing from the Foils overseas entities totalling £6.5m. Absent a going concern sale, we consider it would have been highly unlikely that any realisations would have been possible from the intercompany debts, as those entities would have likely entered into local insolvency procedures in their respective countries.

As part of the sale, 28 employees transferred to the purchaser under TUPE regulations.

The Joint Administrators granted licences to occupy the Livingston and Sheffield leasehold sites to the purchaser while it seeks assignments of the leases.

2.2.6.2 Other asset realisations

Trade Debtors

Trade debtors on appointment totalled £1.6m. Of these balances, £747,388 has been collected to date. The Joint Administrators will continue to pursue collection of the outstanding debts.

Stock

Foils UK held stock at the date of appointment of £1.5m. Prior to the sale to API Foilmakers, limited sales of finished goods stock to customers were agreed and total stock sales of £820,307 were made.

The Joint Administrators have also agreed a further sale to Foilmakers of raw material stock excluded from the going concern sale for £0.1m.

VAT Receivable

Foils UK is due a refund of £16,382 from HMRC in relation to pre-appointment VAT. A return has been submitted for the pre-appointment period. However, it is possible that HMRC may seek to offset amounts owing to it from the UK Group for outstanding PAYE and NIC liabilities. As a result, any refund is uncertain.

2.2.7 Holographics

2.2.7.1 Asset realisations

Cash on appointment

The Companies banking facilities were held with Santander Bank plc and a sum of £179,012 was allocated to Holographics from the funds held on appointment with Santander.

Deferred consideration

Holographics other asset relates to deferred consideration from the sale of its 50% interest in API Optix s.r.o. in 2016 to a former JV partner. The total due is €283,000 due in equal instalments in June and December 2020.

2.2.8 Cedar

2.2.8.1 Asset realisations

The Companies banking facilities were held with Santander Bank plc and a sum of £792,171 was allocated to Cedar from the funds held on appointment with Santander.

Cedar's only other asset is its investment in API Group Limited. The shares have no value and there will be no realisations from this source.

2.3 Approval of the Joint Administrators' Proposals

Group Services, Stace, Foils Holdings, Foils UK, Laminates, Holographics, Cedar

The Joint Administrators are of the opinion that the Companies (with the exception of Group Limited) have insufficient property to enable a distribution to be made to unsecured creditors other than by virtue of the prescribed part and consequently, in accordance with the provisions of paragraph 52(1) of Schedule B1 to the Act, they do not intend to seek a decision of the creditors on the approval of the proposals relating to Group Services, Stace, Laminates, Foils Holdings, Foils UK, Holographics and Cedar.

The Joint Administrators will be obliged to seek a decision of the creditors if requested to do so by creditors of the Companies whose debts amount to at least 10% of the total debts of the company individually. The request must be delivered within 8 business days of the date on which these proposals are delivered to creditors (or such longer period as the court may allow) and must include the information required by Rule 15.18 of the Insolvency (England and Wales) Rules 2016 ("the Rules").

In accordance with Rule 15.19 of the Rules, the Joint Administrators may require a deposit as security for payment of the expenses associated with convening a decision procedure or deemed consent procedure and will not be obliged to initiate the procedure until they have received the required sum.

Group Limited

The Joint Administrators are seeking approval of their Proposals in relation to Group by deemed consent. Further details of the arrangements and any steps to be taken by creditors are given in the formal notice of deemed consent delivered to creditors with these proposals.

2.4 Future conduct of the Administrations

The Joint Administrators will continue to manage the affairs, business and property of the Companies to achieve the purpose of the Administrations. This will include, inter alia:

- ▶ Realising the remaining assets of the Companies, most notably the book debts in Foils and Laminates and deferred consideration in Holographics;
- ▶ Facilitating and managing the shared services under the TSAs;
- ▶ Facilitating lease assignments to Foilmakers in respect of the Livingston and Sheffield properties.
- ▶ Monitoring staffing levels in Group Services and consulting with employees with respect to potential further redundancies (if appropriate);

- ▶ Dealing with corporation tax and VAT matters, including filing statutory returns;
- ▶ Investigating the conduct of the Directors leading up to the Joint Administrators' appointment in accordance with the requirements of the CDDA;
- ▶ Complying with statutory reporting and compliance obligations; and
- ▶ Distributing realisations to the secured and preferential creditors of the Company;
- ▶ Dealing with unsecured creditor enquiries and making a distribution to unsecured creditors by virtue of the Prescribed Part (where applicable);
- ▶ Finalising the Administration, including payment of all Administration liabilities.

2.5 The end of the Administrations

The Administrations of the Companies will end automatically after twelve months following the date of the Joint Administrators' appointment, although this period can be extended by either the creditors or an application to Court.

Group Services, Stace, Foils Holdings, Foils UK, Laminates, Holographics, Cedar

Currently, the Joint Administrators do not anticipate that there will be any assets remaining at the end of the Administrations. Accordingly, it is proposed that if at the end of the Administrations the Companies (with the exception of Group Limited) have no property which might permit a distribution to its creditors other than by way of the Prescribed Part, the Joint Administrators will send a notice to that effect to the Registrar of Companies.

On registration of the notice the Joint Administrators' appointment will come to an end. In accordance with the provisions of paragraph 84(6) of Schedule B1 to the Insolvency Act 1986 the Companies will be deemed to be dissolved three months after the registration of the notice.

Group Limited

It is proposed that the Administration will end either through a subsequent liquidation or via dissolution depending on whether there are any assets remaining at the end of the Administration.

The Joint Administrators may seek to apply to Court for permission to make distributions to the non-preferential creditors of Group Limited during the Administration if considered to be more advantageous for creditors. In this event, the Administration will end via dissolution.

If it is not possible to distribute all available funds to creditors either during Administration or before the end of the Administration, it is proposed that, at the end of the Administration, Group Limited will move straight into creditors' voluntary liquidation upon the filing with the Registrar of Companies of a notice pursuant to paragraph 83 of Schedule B1 to the Insolvency Act 1986. It is proposed that the liquidators will be and C P Dempster and R H Kelly of Ernst & Young LLP and that any act required or authorised under any enactment to be done by the liquidators may be done by either or both of them.

In accordance with paragraph 83(7) of Schedule B1 to the Insolvency Act 1986 and Rule 3.60(6)(b) of the Insolvency (England and Wales) Rules 2016, creditors may nominate a different person as the proposed liquidator, provided that the nomination is made after the receipt of these proposals and before the proposals are approved. It should be noted in this regard that a person must be authorised to act as an insolvency practitioner in order to be appointed as liquidator.

3. Statement of Affairs

The directors submitted their Statement of Affairs relating to the Companies on 3 and 5 March 2020. A copy of the Statement of Affairs for each company is included at Appendix E for reference.

It should be noted that the Statement of Affairs are stated before the costs of realisation. The figures have been compiled by the directors and have not been subject to independent review or audit.

Similarly, a number of creditor claims have yet to be quantified and may be different to that indicated.

We provide below, for information, an indication of the current position with regard to creditors' claims. The figures have been compiled by the Companies' management and have not been subject to independent review or audit.

3.1 Secured creditors

The principal lender to the Companies is PNC Bank, NA ("PNC").

With the exception of Group Limited, PNC has a debenture (fixed and floating charges) covering all property, stock, trade debtors, intercompany debtors and other assets of the Companies. The charge was created on 14 November 2017.

In addition, PNC has an unsecured claim in Group Limited by way of a company guarantee.

As the date of our appointment, the debt due from the Companies to PNC totalled c.£19.0m.

The Joint Administrators anticipate there will be a significant shortfall to PNC.

Group Limited

There are no secured creditors in Group Limited.

3.2 Preferential creditors

Based on the Directors' Statement of Affairs, preferential creditors are estimated to total £181,000, split across the Companies as outlined in the table below:

	Estimated preferential claims (£000s)
Company	
Group Services	48
Laminates	53
Foils UK	78
Group Limited	2
Total for the Companies	181

These claims remain uncertain, given that they relate to employee claims for arrears of wages, holiday pay and pension contributions, and include a subrogated claim from the Redundancy Payments Office in respect to unpaid salaries and pensions contributions.

Based on the current estimate of preferential creditor claims and the value of assets realised, we currently estimate that preferential claims will be paid in full.

3.3 Unsecured, non-preferential creditors

The Administrators continue to receive claims from non-preferential unsecured creditors of the Companies. Accordingly, it remains too early for us to estimate the likely quantum of non-preferential claims.

However, we have summarised below the estimated non-preferential unsecured claims as included in the Directors' Statement of Affairs (including intercompany positions between Companies):

Estimated non-preferential unsecured creditor claims (£000s)	
Company	
Group Limited	97,795
Group Services	78,509
Stace	82
Laminates	82,586
Foils Holdings	-
Foils UK	89,051
Holographics	77,189
Cedar	-

Unsecured creditor claims may ultimately be higher due to contingent claims and other non-priority creditor amounts not included in the Companies' records.

As the secured creditor is likely to suffer a shortfall on its secured debt, we do not expect any distributions to unsecured, non-preferential creditors of the Companies other than by virtue of the Prescribed Part (discussed below).

Group Limited

As there are no secured creditors of Group Limited and only one preferential creditor, the majority of realisations from Group Limited are likely to be available to be distributed to the unsecured, non-preferential creditors of Group.

3.4 Creditor claims

Please note that debts incurred by the Companies before our appointment will rank as unsecured, non-preferential claims. If you have a claim, please forward details together with supporting documentation (e.g. invoices, statements and agreements) to Ernst & Young LLP, 144 Morrison Street, Edinburgh, EH3 8EX, marked for the attention of Craig Waddell or, alternatively, to the following email address: apigroup@uk.ey.com.

Certain debts due from the Companies may be preferential in accordance with Section 386 of the Insolvency Act 1986. If you consider that you have a claim in this category, please advise me immediately. If you hold any security for your claim or you consider that you have title to any assets in the Companies' possession, please forward details to me as soon as possible.

4. Prescribed part

Group Services, Stace, Foils Holdings, Foils UK, Laminates, Holographics, Cedar

The Prescribed Part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Insolvency Act 1986. The Prescribed Part applies to floating charges created on or after 15 September 2003. The relevant charge for the Companies (excluding PLC) was created on 14 November 2017.

The Joint Administrators do not currently intend to make an application to the Court under section 176A(5) of the Insolvency Act 1986 for an order not to distribute the Prescribed Part.

We estimate that the Prescribed Part in Laminates will be at the maximum level of £600,000.

It is too early to accurately predict the quantum of the Prescribed Part in Foils UK, Holographics and Stace, as it is reliant on future asset realisations and costs which are uncertain at this stage.

We anticipate there will be no Prescribed Part in Group Services.

We do not believe there are any unsecured creditors in Foils Holdings or Cedar, and thus the Prescribed Part will not be required.

We will provide an update on quantum and timing of any distribution to non-preferential, unsecured creditors under the Prescribed Part in our next progress report to creditors.

Group Limited

As detailed above, Group Limited does not have any secured creditors and therefore the Prescribed Part will not apply.

5. Administrators' receipts and payments

A summary of the Administrators' receipts and payments for the Companies for the period from 31 January 2020 to 20 March 2020 is attached at Appendix B.

6. Administrators' remuneration, expenses, disbursements and payments to other professionals

6.1 Remuneration

The statutory provisions relating to remuneration are set out in Chapter 4, Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the website of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to the Joint Administrators.

The Joint Administrators are seeking approval for their remuneration to be fixed on the basis of time properly given by them and their staff in dealing with matters arising in the Administrations at the hourly rates set out below.

Grade	Hourly rate (£)
Partner	810
Associate Partner	725
Director	621
Assistant Director	549
Senior Executive	428
Executive	329
Analyst	171 - 243

In the period from 31 January 2020 to 20 March 2020, the Joint Administrators have incurred time costs (based on the above hourly rates) as detailed below. Attached at Appendix D is a detailed analysis of time spent and charge out rates for each grade of staff for the various areas of work carried out to 20 March 2020 as required by the Association of Business Recovery Professionals' Statement of Insolvency Practice No. 9.

Company	Number of hours	Time costs (excluding VAT)
Group Limited	90.5	34,830
Stace	163.3	95,729
Laminates	1007.6	414,466
Foils Holdings	166.5	85,653
Foils UK	1737.1	660,393
Holographics	13.1	6,273
Cedar	13.6	6,678

Group Services, Stace, Foils Holdings, Foils UK, Laminates, Holographics, Cedar

In the event that a creditors' decision is not requested, and a creditors' committee is not formed, the Joint Administrators will seek to have their remuneration in respect of the Companies (excluding Group Limited) fixed by the secured and preferential creditors, in accordance with Rule 18.18(4) of the Rule. To this end, a fee estimate for each company is being circulated to creditors at the same time as these proposals.

Group Limited

In the event that a creditors' committee is not formed, the Joint Administrators propose that their remuneration is fixed on the basis of time properly given by them and their staff in dealing with matters arising in the Administrations, in accordance with a fee estimate which is being circulated to creditors at the same time as these proposals.

6.2 Disbursements

Appendix C also includes a statement of the Joint Administrators' policy for charging disbursements.

Group Services, Stace, Foils Holdings, Foils UK, Laminates, Holographics, Cedar

In the event that a creditors' meeting is not requisitioned, and a creditors' committee is not formed, the Joint Administrators will seek the approval of the secured creditor and preferential creditors to charge and draw disbursements in accordance with the charging policy set out in Appendix C.

Group Limited

In the event that a creditors' committee is not formed, the Joint Administrators will seek the approval of the creditors to charge and draw disbursements in accordance with the charging policy set out in Appendix C.

6.3 Explanation of expenses incurred and anticipated to be incurred

Expenses comprise sums paid or to be paid to third parties and sums paid or payable to the Joint Administrators' firm in respect of out of pocket expenses and costs which include an element of shared or allocated costs.

An estimate of payments is provided with the fee estimate which is being circulated to creditors at the same time as these proposals.

6.4 Payments to other professionals

The Joint Administrators have engaged the services of the following during the course of the liquidations:

Name of firm	Nature of service	How contracted to be paid
Eversheds	Legal advice	Time costs
SIA Group	Asset valuations and advice	Time costs

The Joint Administrators have selected the above professional firms on the basis of their experience in similar assignments and familiarity with the Company.

Details of the fees paid to date are included in the receipts and payments account attached at Appendix B.

7. Other Matters

7.1 Opting out

Under the provisions of Rule 1.39, creditors have the right to elect to opt out of receiving further documents relating to the administrations.

If you do elect to opt out you will still receive the following documents:

- ▶ Any which the Insolvency Act requires to be delivered without expressly excluding opted-out creditors;
- ▶ Notice relating to a change in the Administrators, or their contact details;
- ▶ Notice of dividend or proposed dividend; or
- ▶ A notice which the court orders to be sent to all creditors, or all creditors the particular category to which you belong.

Any election to opt-out will not affect your entitlement to receive dividends, if any are paid.

Unless the Rules provide to the contrary, opting-out will not affect your rights to vote in a decision procedure or participate in a deemed consent procedure, although you would not receive notice of such procedures.

Any opted-out creditors will be treated as opted out in respect of any consecutive insolvency procedure which might follow the administrations.

You may opt-out by delivering an authenticated (e.g. signed) and dated notice to me stating that you are electing to be an opted-out creditor in relation to the administrations. You may at any time revoke this election by delivering to me an authenticated and dated notice stating that you no longer wish to be an opted-out creditor.

7.2 Matters to be brought to the attention of the Joint Administrators

If there are any matters concerning the Company's affairs which you consider may require investigation and consequently should be brought to our attention, please forward the details to me in writing as soon as possible.

7.3 Reporting

The Joint Administrators shall provide a report regarding the conduct of the administrations of the Companies covering each six-month period from the date of appointment. The report will be provided within one month of each six-month period (i.e. by 31 August 2020 in respect of the report covering the six months to 31 July 2020).

The report will be made available on the following website:

Appendix C Statement of administrators' charging policy for remuneration and disbursements pursuant to Statement of Insolvency Practice No.9

Administrators' charging policy for remuneration

The Joint Administrators have engaged managers and other staff to work on the administrations. The work required is delegated to the most appropriate level of staff taking account of the nature of the work and the individual's experience. Additional assistance is provided by accounting and treasury executives dealing with the Company's bank accounts and statutory compliance diaries. Work carried out by all staff is subject to the overall supervision of the Joint Administrators.

All time spent by staff working directly on case-related matters is charged to a time code established specifically for each company. Time is recorded in units of six minutes. Each member of staff has a specific hourly rate, which is subject to change over time. The average hourly rate for each category of staff over the period is shown below:

Grade	Hourly rate (£)
Partner	810
Associate Partner	725
Director	621
Assistant Director	549
Senior Executive	428
Executive	329
Analyst	171 - 243

A summary of the Joint Administrators' time costs for each company from 31 January 2020 to 20 March 2020 has been provided below. The time spent by the Administrators and their staff to date primarily relates to the following matters:

- ▶ Overseeing the scaled back trading activities of Laminates and Foils, liaising with employees, suppliers and customers and sale of stock;
- ▶ Conducting going concern sales of the Laminates and Foils businesses;
- ▶ Liaising with the Foils overseas entities in respect of ongoing trading and potential share sales;
- ▶ Preparing to realise the Companies' assets on a piecemeal basis in the event that going concern sales were not possible;
- ▶ Pursuing collection of the Companies' outstanding debtors' ledgers;
- ▶ Employee matters, including implementing redundancies and supporting these employees to make claims for amounts due from the RPS;
- ▶ Addressing correspondence received from creditors, including trade suppliers and landlords of the leased sites;

- ▶ Arranging appropriate insurance cover for the administrations and also conducting health and safety assessments as appropriate; and
- ▶ Fulfilling the statutory obligations required of the Joint Administrators' including notifying the Joint Administrators' appointment to all known creditors.

Administrators' charging policy for disbursements

Statement of Insolvency Practice No. 9 divides disbursements into two categories.

Category 1 disbursements are defined as specific expenditure relating to the administration of the insolvent's affairs and referable to payment to an independent third party. Such disbursements can be paid from the insolvent's assets without approval from the Creditors' Committee or the general body of creditors. In line with Statement of Insolvency Practice No. 9, it is our policy to disclose Category 1 disbursements drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the disbursements drawn.

Category 2 disbursements are charges made by the office holder's firm that include elements of shared or overhead costs. Statement of Insolvency Practice No. 9 provides that such disbursements are subject to approval as if they were remuneration.

It is our policy, in line with the Statement, to seek approval for Category 2 disbursements before they are drawn.

To date, no Category 1 or Category 2 expenses have been drawn.

Notes

- Statement of Insolvency Practice 9 (SIP 9) defines expenses as amounts properly payable from the insolvency estate which are not otherwise categorised as office holders' remuneration or distributions to creditors.
- SIP 9 defines disbursements as a type of expense which is met by, and reimbursed to, an office holder in connection with an insolvency appointment. Disbursements fall into two categories: Category 1 and Category 2.
 - Category 1 disbursements are payments to independent third parties where there is specific expenditure directly referable to the appointment
 - Category 2 disbursements are expenses which are directly referable to the appointment but not a payment to an independent third party. They may include shared and allocated costs.
- IT and group services costs have currently been paid by Group, these will be recharged appropriately to Foils UK, Laminates and API Americas.

Estimate of return for creditors

We currently estimate the following returns for creditors:

Secured creditors

The principal lender to the Companies is PNC Bank, NA ("PNC").

With the exception of Group Limited, PNC has a debenture (fixed and floating charges) covering all property, stock, trade debtors, intercompany debtors and other assets of the Companies. The charge was created on 14 November 2017.

In addition, PNC has an unsecured claim in Group Limited by way of a company guarantee.

As the date of our appointment, the debt due from the Companies to PNC totalled c.£19.0m.

The Joint Administrators anticipate there will be a significant shortfall to PNC.

Group Limited

There are no secured creditors in Group Limited.

Preferential creditors

Based on the Directors' Statement of Affairs, preferential creditors are estimated to total £181,000, split across the Companies as outlined in the table below:

Company	Estimated preferential claims (£000s)
Group Services	48
Laminates	53
Foils UK	78
Group Limited	2
Total for the Companies	181

These claims remain uncertain, given that they relate to employee claims for arrears of wages, holiday pay and pension contributions, and include a subrogated claim from the Redundancy Payments Office in respect to unpaid salaries and pensions contributions.

Based on the current estimate of preferential creditor claims and the value of assets realised, we currently estimate that preferential claims will be paid in full.

Non-preferential creditors

According to the Directors' Statement of Affairs, the estimated that total non-preferential claims will be approximately as follows:

Company	Estimated total non-preferential claims (£000)
Foils UK	89,051
Laminates	82,586
Group Limited	97,795
Group Services	78,509
Stace	82
Cedar	-
Holographics	77,189
Foils Holdings	-
Total	425,212

The level of dividend which will eventually be available to non-preferential creditors in each of the Companies is uncertain, but given the shortfall expected to be suffered by the secured creditor we

anticipate distributions to non-preferential creditors will be limited, if any, to funds set aside pursuant to the Prescribed Part, for all the Companies apart from API Group Limited. Further details are at section 4 of the Statement of Proposals.

In API Group Limited, we expect there will be sufficient funds set aside to make a distribution to the non-preferential creditors.

NOTICE IS HEREBY GIVEN that the joint administrators of the above-named company are seeking approval of their proposals dated 26 March 2020 by deemed consent.

Creditors will be deemed to have consented to the approval of the proposals unless by the end of **10 April 2020** at least 10% in value of creditors who would be entitled to vote in a qualifying decision procedure have objected to approval and their objections have been made in accordance with the procedure set out below.

Objections

Any creditor wishing to object to the proposed decision to approve our proposals – including any creditor who has opted out from receiving notices about the administration - must deliver to me, at the above address, a notice stating that the creditor so objects. The notice must be delivered to me at the above address not later than the end of **10 April 2020** together with a proof in respect of the creditor's claim which complies with the requirements of Rules 15.28 to 15.35 of the Insolvency (England and Wales) Rules 2016 failing which the objection will be disregarded.

Please note that creditors whose debts may be treated as small debts in accordance with Rule 14.31(1) of the Insolvency (England and Wales) Rules 2016 must still deliver a proof of claim if they wish to object.

It is my responsibility, as joint administrator convening the deemed consent procedure, to aggregate any objections to see if the threshold is met for the decision to be taken as not having been made.

If the threshold is met the deemed consent procedure will terminate without a decision being made on the proposals and if a decision is sought again on the same matter it will be sought by a decision procedure.

Requests for a physical meeting to be held

Creditors who meet the thresholds in s.246ZE(7) of the Insolvency Act 1986, namely 10% in value of creditors, 10% in number of creditors or 10 creditors, may, within five business days from the date of delivery of this notice, make a request to me in writing for a physical meeting of creditors to be held to consider the approval of our proposals.

Extracts from the Insolvency (England and Wales) Rules 2016:

15.31 Calculation of voting rights

- (1) Votes are calculated according to the amount of each creditor's claim -
 - (a) in an administration, as at the date on which the company entered administration, less -
 - (i) any payments that have been made to the creditor after that date in respect of the claim, and
 - (ii) any adjustment by way of set-off which has been made in accordance with rule 14.24 or would have been made if that rule were applied on the date on which the votes are counted; ...
- (4) Where a debt is wholly secured its value for voting purposes is nil.
- (5) Where a debt is partly secured its value for voting purposes is the value of the unsecured part.
- (6) However, the value of the debt for voting purposes is its full value without deduction of the value of the security in the following cases -
 - (a) where the administrator has made a statement under paragraph 52(1)(b) of Schedule B1 and the administrator has been requested to seek a decision under paragraph 52(2); ...
- (7) No vote may be cast in respect of a claim more than once on any resolution put to the meeting; and for this purpose (where relevant), the claim of a creditor and of any member State liquidator in relation to the same debt are a single claim.
- (8) A vote cast in a decision procedure which is not a meeting may not be changed.
- (9) Paragraph (7) does not prevent a creditor or member State liquidator from -
 - (a) voting in respect of less than the full value of an entitlement to vote; or
 - (b) casting a vote one way in respect of part of the value of an entitlement and another way in respect of some or all of the balance of that value.

15.32 Calculation of voting rights: special cases

- (1) In an administration, a creditor under a hire-purchase agreement is entitled to vote in respect of the amount of the debt due and payable by the company on the date on which the company entered administration.
- (2) In calculating the amount of any debt for the purpose of paragraph (1), no account is to be taken of any amount attributable to the exercise of any right under the relevant agreement so far as the right has become exercisable solely by virtue of -
 - (a) the making of an administration application;
 - (b) a notice of intention to appoint an administrator or any matter arising as a consequence of the notice; or
 - (c) the company entering administration.
