## Strategic Report

The director presents his strategic report for the year ended 30 April 2019.

### Principal activity and strategy

The principal activity of the company during the year was that of investment holding.

### Review of the business

The company's performance for the year is in line with the director's expectations. The company did not trade during the current or preceding year. The only significant transactions were to write down investments and write off certain creditor balances, resulting in a profit of £3,000 (2018: £2,000). The company had shareholder's funds of £8,966,000 at 30 April 2018 (2018: £8,963,000).

### Future developments

The company is unlikely to begin trading in the foreseeable future and it is the director's intention that the company will continue as an investment holding company.

### Principal risks and uncertainties

The company is part of a group whose ultimate parent is HSGP Investments Ltd. The company is reliant upon the continued operation of the group to ensure it can continue to operate as a going concern.

After making enquiries, the director has a reasonable expectation that the company and the group have adequate resources to continue in operational existence for the foreseeable future.

As a non trading intermediate holding company the only other significant risk is the value of its investment and the potential decline in the underlying assets.

Interest rate, foreign currency and liquidity risks are not considered by the director to be applicable.

### Key Performance Indicators

Given the nature of the business, the director is of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business.

### Director's report

The director presents his report and audited financial statements for the year ended 30 April 2018.

#### Results and dividends

The result for the financial year ended 30 April 2019 after taxation amounted to £3,000 (2018 – £2,000). The director does not recommend a final dividend (2018 – £nil).

#### Future developments

The company is unlikely to begin trading in the foreseeable future and it is the director's intention that the company will continue as an investment holding company. Principal risks and uncertainties are discussed in the Strategic Report on page 2.

#### Going concern

The company is an intermediate parent undertaking that did not trade during the year. The company is unlikely to begin trading in the foreseeable future and it is the director's intention that the company will continue as an investment holding company.

The company is part of a group whose ultimate parent is HSGP Investments Ltd. The company is reliant upon the continued operation of the group to ensure it can continue to operate as a going concern.

After making enquiries, the director has reasonable expectation that the company and the group have adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

#### Directors

The director who served the company throughout the year and up to the date of this report was as follows:

H Savoy

#### Disclosure of information to the auditors

- As far as the director is aware there is no relevant audit information of which the company's auditors are unaware and the director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

The financial statements on pages 7 to 12 were approved by the Director on 28 January 2020 and signed on behalf of the board:

## ***Statement of directors' responsibilities in respect of the financial statements***

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

## ***Independent auditors' report to the members of Filofax Group Limited***

### **Report on the audit of the financial statements**

#### **Opinion**

In our opinion, Filofax Group Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 30 April 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Report and Financial Statements (the "Annual Report"), which comprise: the balance sheet as at 30 April 2019; the statement of income and retained earnings for the year ended 30 April 2019; and the notes to the financial statements, which include a description of the significant accounting policies.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

#### **Conclusions relating to going concern**

ISAs (UK) require us to report to you when:

- the director's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the director has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the company's trade, customers, suppliers and the wider economy.

#### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The director is responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Director's Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

**Strategic Report and Director's Report**

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Director's Report for the year ended 30 April 2019 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Director's Report.

**Responsibilities for the financial statements and the audit**

**Responsibilities of the director for the financial statements**

As explained more fully in the Statement of Director's Responsibilities set out on page 4, the director is responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The director is also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

**Use of this report**

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

**Other required reporting**

**Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of director's remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

## Notes to the financial statements

for the year ended 30 April 2019

### 1. General information

The company is a private company limited by shares and is registered and incorporated in England. The address of the registered office is 21 Perry Mount Road, Haywards Heath, West Sussex RH16 3TP. The principal activity of the company during the year was that of investment holding.

### 2. Statement of compliance

The individual financial statements of Filofax Group Limited have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

### 3. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### *(a) Basis of preparation*

These financial statements have been prepared on a going concern basis, under the historical cost convention.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. Due to the straightforward nature of the entity, the director considers that there are no areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements. As such, no critical accounting estimates and assumptions note has been prepared.

#### *(b) Going concern*

These financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future and be able to meet its liabilities as they fall due.

The company is part of a group whose ultimate parent is HSGP Investments Ltd. The company is reliant upon the continued operation of the group to ensure it can continue to operate as a going concern.

After making enquiries, the director has a reasonable expectation that the company and the group have adequate resources to continue in operational existence for the foreseeable future. Accordingly, he continues to adopt the going concern basis in preparing the annual report and financial statements.

#### *(c) Exemptions for qualifying entities under FRS 102*

The company has taken advantage of the exemptions under FRS 102 paragraph 1.12(b) from preparing a statement of cash flows and under FRS 102 paragraph 1.12(c) from the financial instrument disclosure requirements on the basis that it is a qualifying entity and its ultimate parent company, HSGP Investments Ltd, meets the financial instrument disclosure requirements and includes the company's cash flows in its own consolidated financial statements.

#### *(d) Consolidated financial statements*

The financial statements contain information about Filofax Group Limited as an individual company and do not contain group financial information as the parent of a company. The company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare group financial statements.

## Notes to the financial statements

for the year ended 30 April 2019

### 3. Summary of significant accounting policies (continued)

*(e) Functional and presentational currency*

The company's functional and presentation currency is pounds sterling.
