NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items that are considered material in relation to the company's financial statement.

Basis of preparation

These financial statements are prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU (IFRS) but makes amendments where necessary in order to comply with Companies Act 2006 and sets out below where the FRS 101 disclosure exemptions have been taken.

These financial statements are prepared on a going concern basis under the historical cost convention, except that certain financial instruments are stated at their fair value.

The company is a wholly owned subsidiary of Diageo plc and is included in the consolidated financial statements of Diageo plc which are publicly available.

The company has taken advantage of the following exemptions from the requirements of IFRS in the preparation of these financial statements, in accordance with FRS 101:

- a cash flow statement and related notes;
- comparative period reconciliations for share capital;
- disclosures in respect of transactions with wholly owned subsidiaries;
- the effects of new but not yet effective IFRSs.

Functional and presentational currency

These financial statements are presented in sterling (£), which is the company's functional currency.

All financial information presented in sterling (£) has been rounded to the nearest thousand unless otherwise stated.

Financial assets

Financial assets are initially recorded at fair value including, where permitted by IFRS 9, any directly attributable transaction costs. For those financial assets that are not subsequently held at fair value, the company assesses whether there is evidence of impairment at each balance sheet date. The company classifies its financial assets into the following categories: financial assets at amortised cost, financial assets at fair value through profit and loss and financial assets at fair value through other comprehensive income. Where financial assets are eligible to be carried at either amortised cost or fair value the company does not apply the fair value option.
