SmithKline Beecham Liaison Services Limited

Directors' Report for the Year Ended 31st December 2004

The Directors submit their report and the audited financial statements for the year ended 31st December 2004.

Principal activities

The principal activity of the Company is to provide liaison and technical services in the Near East region, which ceased trading during 2004.

Review of business

The Company made a loss on ordinary activities after taxation of £4,000 (2003 - profit £12,000). The Directors are of the opinion that the year end finance position is satisfactory, as the company ceased trading during 2004.

The retained loss for the year of £4,000 will be transferred from reserves (2003 - retained profit for the year of £12,000 transferred to reserves).

Results and dividends

The Company's results for the financial year are shown in the profit and loss account on page 4.

The Directors propose that no dividend be paid to the holders of Ordinary Shares in respect of the year ended 31st December 2004 (2003 - £nil).

Directors and their interests

The Directors of the Company who served during the year are as follows:

Edinburgh Pharmaceutical Industries Limited

Glaxo Group Limited

No Director had, during the year or at the end of the year, any material interest in any contract of significance to the Company's business except where such an interest may arise in the ordinary course of business.

Save as disclosed, no arrangements to which the Company was a party existed at the end of the year, or at any time during the year, which would enable the Directors to acquire benefits through the acquisition of shares, or debentures of the Company, or any body corporate within the Group.

At 31st December 2004 none of the Directors have beneficial interests in the shares of any other Group company, except where such a beneficial interest may arise in the ordinary course of business.

SmithKline Beecham Liaison Services Limited

Directors' Report for the Year Ended 31st December 2004

Statement of directors' responsibilities

Company law requires the Directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the profit or loss for that year.

In preparing the financial statements the Directors are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the accounts.

Auditors

Elective resolutions to dispense with holding Annual General Meetings, the laying of accounts before the Company in general meetings and the appointment of Auditors annually are currently in force. The Auditors, PricewaterhouseCoopers LLP, will therefore be deemed to have been re-appointed at the end of the period of 28 days beginning with the day on which copies of this Report and Accounts are sent to members unless a resolution is passed under Section 393 of the Companies Act to the effect that their re-appointment be brought to an end.

By order of the Board

Independent auditors' report to the members of SmithKline Beecham Liaison Services Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet and the related notes which have been prepared under the historical cost convention and the accounting policies set out in the statement of accounting policies.

Respective responsibilities of directors and auditors

The Directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of Directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the Company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the annual report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. The other information comprises only the Directors' Report.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs at 31st December 2004 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Financial Statements for the Year Ended 31st December 2004

1 Accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below.

(a) Basis of accounting

These financial statements have been prepared using the historical cost convention, and have been drawn up in accordance with UK generally accepted accounting principles and with UK accounting presentation.

(b) Foreign currency translation

Foreign currency transactions are booked in local currency at the exchange rate ruling on the date of the transaction, or at the forward rate if hedged by a forward exchange contract. Foreign currency assets and liabilities are translated into local currency at rates of exchange ruling at the balance sheet date, or at the forward rate. Exchange differences are included in trading profit. The retranslation of the opening reserves and results for the period of overseas branches that are denominated in a foreign currency are taken to the statement of total recognised gains and losses.

(c) Turnover

Turnover represents service fee income from group companies net of value added tax and other sales taxes.

(d) Taxation

The Company accounts for taxation which is deferred or accelerated by reason of timing differences which have originated but not reversed by the balance sheet date. Deferred tax assets are only recognised to the extent that they are considered recoverable against future taxable profits. Deferred tax on the retained earnings of overseas subsidiaries is only provided when there is a binding commitment to distribute past earnings in future periods.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse. Deferred tax liabilities and assets are not discounted.
