NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER 2013

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on the going concern basis which assumes the company will continue in operation for at least 12 months from the date of approval of these financial statements, notwithstanding the fact that the company's balance sheet disclosed net current liabilities of £139,239 (2012 £169,866) at 31st December 2013 Of this amount £55,484 (2012 £46,829) comprises subscriptions received in advance from members which are highly unlikely to be repaid

Furthermore, the directors have prepared cash flow projections which indicate that the company will remain comfortably within its bank overdraft facility in the period of 12 months following the date of approval of these financial statements

On this basis the directors consider it appropriate to prepare the financial statements on the going concern basis

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The company has taken advantage of the Companies Act 2006 396(5) and presented its profit and loss account in a format that reflects the special nature of the company's operations

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Income represents the amount derived from the receipt of membership subscriptions and the provisions of goods and services falling within the company's activities after deduction of Value Added Tax

Depreciation

Depreciation is calculated so as to write of the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Groundskeepers' facility

Half way house

Practice ground
Other land and buildings
Plant and machinery

4% straight line
NIL (See below)
20% straight line

Fixtures and fittings 10%, 20% and 50% straight line

Motor vehicles 25% straight line Course alterations 10% straight line

The other land and buildings, comprising the golf course and club house are maintained to a high standard and depreciation is not provided on the property as, in the director's opinion, the residual value is equal to the carrying value disclosed in the accounts. This accounting treatment is not in accordance with paragraph 5 26 of the FRSSE. The directors believe that to comply with this requirement of the FRSSE would not show a true and fair view of the company's financial position.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date
