The financial statements have been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

All the members have consented to the preparation of an abridged Income Statement and an abridged Balance Sheet for the year ended 31st December 2017 in accordance with Section 444(2A) of the Companies Act 2006.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors on 12th February 2018 and were signed on its behalf by:

N A Stallworthy - Director

S R Hinton - Director

A M Martin - Director

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2017

1. STATUTORY INFORMATION

The Sand Moor Golf Club Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Income represents the amount derived from the receipt of membership subscriptions and the provisions of goods and services falling within the company's activities after deduction of Value Added Tax.

Depreciation

Tangible fixed assets are stated at cost (or deemed cost) less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold	property	
ricenoiu	DIODELLA	

Groundskeepers' facility	4% straight line
Half way house	4% straight line
Practice ground	4% straight line
I and & buildings	Nil

Land & buildings Nil

Plant and machinery 20% straight line

Fixtures and fittings:

Office furniture 10% straight line Computer equipment 50% straight line Refurbishments 10% straight line

Motor vehicles 25% straight line

Course alterations 10% straight line

The land and buildings, comprising the golf course and club house are maintained in such a state of repair that their residual value is at least equal to their net book value. As a result, the directors have concluded that the corresponding depreciation would not be material and therefore should not be charged in the profit and loss account. The directors perform annual impairment reviews in accordance with the requirement of Financial Reporting Standards 11 and 17 to ensure that the carrying value is no lower than the recoverable amount.

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31ST DECEMBER 2017

2. ACCOUNTING POLICIES - continued

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Value added tax

The company is partially exempt for VAT purposes. The cost of additions to tangible assets includes the appropriate amount of irrecoverable input tax. The irrecoverable VAT relating to items of income and expenditure is included as an expense item within general expenses.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 16 (2016 - 15).

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31ST DECEMBER 2017
