Copies of the Agency Agreement and the Deeds of Covenant are available for inspection at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1. Form, Denomination and Title

The Notes are issued in bearer form ("Bearer Notes", which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form ("Registered Notes") or in bearer form exchangeable for Registered Notes ("Exchangeable Bearer Notes") in each case in the Specified Denomination(s) shown hereon.

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Notes that do not bear interest in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Any Bearer Note the principal amount of which is redeemable in instalments is issued with one or more Receipts attached.

Registered Notes are represented by registered certificates ("Certificates") and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "Register"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "Noteholder" means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), "holder" (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same aggregate principal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Unless otherwise required by Belgian law, Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) Transfer of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

(c) Exercise of Options or Partial Redemption in Respect of Registered Notes

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) Delivery of New Certificates

Each new Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition (d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar.

(e) Exchange Free of Charge

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) Closed Periods

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date.

3. [Guarantee and] Status

[(a) Guarantee]

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Notes, Receipts and Coupons. Its obligations in that respect (the "Guarantee") are contained in the Deeds of Covenant executed by ICI Coordination Centre N.V., ICI Finance PLC or ICI Investments (Netherlands) B.V. respectively and, in each case, by Imperial Chemical Industries PLC.]

[(b) Status of Notes [and Guarantee]]

The Notes and the Receipts and Coupons constitute (subject to Condition 4) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and the Receipts and Coupons [and of the Guarantor under the Guarantee] shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer [and the Guarantor, respectively,] present and future.

4. Negative Pledge

(a) So long as any of the Notes, Receipts or Coupons remain outstanding (as defined in the Agency Agreement):

- (i) [neither] the Issuer [nor the Guarantor] shall [not] create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest ("Security") upon the whole or any part of its undertaking, assets or revenues present or future to secure any Relevant Debt, or any guarantee of or indemnity in respect of any Relevant Debt;
- (ii) [each of] the Issuer [and the Guarantor] shall procure that no other person creates or permits to subsist any Security upon the whole or any part of the undertaking, assets or revenues present or future of that other person to secure any of the Issuer's Relevant Debt [or the

Guarantor's Relevant Debt], or any guarantee of or indemnity in respect of any of the Issuer's Relevant Debt [or the Guarantor's Relevant Debt]; and

- (iii) [each of] the Issuer [and the Guarantor] shall procure that no other person [other than the Guarantor] gives any guarantee of, or indemnity in respect of, any of the Issuer's Relevant Debt [or the Guarantor's Relevant Debt];

unless, at the same time or prior thereto, the Issuer's obligations under the Notes, Receipts and Coupons [or, as the case may be, the Guarantor's obligations under the Guarantee] (A) are secured equally and rateably therewith or benefit from a guarantee or indemnity in substantially identical terms thereto, as the case may be, or (B) have the benefit of such other security, guarantee, indemnity or other arrangement as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders.

- (b) For the purposes of this Condition:

"Relevant Debt" means any present or future indebtedness in the form of, or represented by, bonds, notes, debentures, loan stock or other securities that are for the time being, or are intended by the issuer thereof to be quoted, listed or ordinarily dealt in on any stock exchange, automated trading system, over-the-counter or other securities market, denominated, payable or optionally payable in a currency other than *[pounds sterling/Dutch guilders/Belgian francs] or in *[pounds sterling/Dutch guilders/Belgian francs] but with a view to being distributed outside *[the United Kingdom/the Netherlands/the Kingdom of Belgium];

"Subsidiary" means any entity whose affairs are required by law or in accordance with generally accepted accounting principles applicable in the United Kingdom to be consolidated in the consolidated accounts of the [Issuer/Guarantor].

5. Interest and other Calculations

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Fixed Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date if that does not fall on an Interest Payment Date.

Except as provided hereon, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified hereon, amount to the Broken Amount so specified.

If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Conditions, "Fixed Day Count Fraction" means:

- (i) if "Actual/Actual" is specified hereon, the actual number of days in the relevant period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date divided by the product of the actual number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the next scheduled Interest Payment Date (an "Interest Period") and the number of Interest Payment Dates that would occur in one year assuming interest was to be payable in respect of the whole of that year. In the X/N clearing system, Actual/Actual shall be determined in accordance with the Actual/Actual ISMA formula; and
- (ii) if "30/360" is specified hereon, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and

"sub-unit" means with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an "Interest Payment Date") in each year specified hereon; or
- (B) if no express Specified Interest Payment Date(s) is/are specified hereon, each date (each an "Interest Payment Date") which falls the number of months or other period specified as the Specified Period hereon after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a business day convention is specified hereon and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the business day convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, "Business Day" means a day which is:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified hereon; and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open. In these Conditions, "TARGET System" means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System; and
- (C) in the case of Notes in global form issued by ICI Coordination Centre N.V. and deposited with the BNB, a day on which the TARGET System is open.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated hereon) the Margin (if any). For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions (as supplemented by the 1998 Supplement and the 1998 ISDA Euro Definitions), each as amended and updated as at the Issue Date of the first Tranche of the Notes, published by the International Swaps and Derivatives Association, Inc. (the "ISDA Definitions") and under which:

- (1) the Floating Rate Option is as specified hereon;
- (2) the Designated Maturity is a period specified hereon; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate ("LIBOR") or on the Euro-zone inter-bank offered rate ("EURIBOR") for a currency, the first day of that Interest Period or (ii) in any other case, as specified hereon.

For the purposes of this sub-paragraph (A), (i) "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity" and "Reset Date" have the meanings given to those terms in the ISDA Definitions, (ii) the definition of "Banking Day" in the ISDA Definitions shall be amended to insert after the words "are open for" in the second line the word "general" and (iii) "Euro-zone" means the region comprised of Member States of the European Union that adopt the single currency in accordance with the Treaty.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated hereon) the Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of Condition 5(b)(ii)(B)(1), no such offered quotation appears or, in the case of Condition 5(b)(ii)(B)(2), fewer than three such offered quotations appear, in each case as at the time specified above the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

"Reference Banks" means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Calculation Agent or as specified hereon.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided hereon.

(iii) Minimum and/or Maximum Rate of Interest

If a Minimum Rate of Interest is specified hereon for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If a Maximum Rate of Interest is specified hereon for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) Determination of Rate of Interest and calculation of Interest Amounts

The Calculation Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Calculation Agent will calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Floating Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"Floating Day Count Fraction" means, in respect of the calculation of an amount of interest for any Interest Period:

- (i) if "Actual/365" or "Actual/Actual" is specified hereon, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A)

the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

- (ii) if "Actual/365 (Fixed)" is specified hereon, the actual number of days in the Interest Period divided by 365;
- (iii) if "Actual/360" is specified hereon, the actual number of days in the Interest Period divided by 360;
- (iv) if "30/360", "360/360" or "Bond Basis" is specified hereon, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and
- (v) if "30E/360" or "Eurobond Basis" is specified hereon, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of an Interest Period ending on the Maturity Date, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(v) Notification of Rate of Interest and Interest Amounts

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression "London Business Day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b), shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, [the Guarantor,] the Calculation Agent, the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, [the Guarantor,] the Noteholders, the Receiptholders or the Couponholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and
- (2) five days after the date on which the full amount of the moneys payable has been received by the Calculation Agent or the Registrar, as the case may be, and notice to that effect has been given in accordance with Condition 14.

6. Redemption, Purchase and Options

(a) *Redemption by Instalments and Final Redemption*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified hereon) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(d) or 6(e), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding principal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the principal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(d) or 6(e), each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided, is its principal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) *Early Redemption Amounts and Late Payment of Zero Coupon Notes*

The Early Redemption Amount of each Note will be calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified hereon, or determined in the manner specified hereon or, if no such amount or manner is so specified, at its nominal amount; or
- (iii) in the case of a Zero Coupon Note, at an amount (the "Amortised Face Amount") equal to the sum of:
 - (A) the Reference Price; and
 - (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each or on such other calculation basis as may be specified hereon and, in the X/N clearing system, in accordance with its requirements.

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (b)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Fiscal Agent or the Registrar and notice to that effect has been given to the Noteholders in accordance with Condition 14.

(c) *Redemption for Taxation Reasons*

The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this is not a Floating Rate Note) or on any Interest Payment Date (if this is a Floating Rate Note) or, if so specified hereon, at any time, on giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable), at their Redemption Amount (together with interest

accrued to the date fixed for redemption), if (i) the Issuer [(or, if the Guarantee were called, the Guarantor)] has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of the United Kingdom *[or the Netherlands/or the Kingdom of Belgium] or any political subdivision or any authority *[thereof/of either] or *[therein/in either] having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date and (ii) such obligation cannot be avoided by the Issuer [(or the Guarantor, as the case may be)] taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer (or the Guarantor, as the case may be) would be obliged to pay such additional amounts were a payment in respect of the Notes [(or the Guarantee, as the case may be)] then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent a certificate signed by two Directors of the Issuer [(or the Guarantor, as the case may be)] stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer [(or the Guarantor, as the case may be)] has or will become obliged to pay such additional amounts as a result of such change or amendment.

(d) Redemption at the Option of the Issuer (Issuer Call) and Exercise of Issuer's Options

If so provided hereon, the Issuer may, on giving irrevocable notice to the Noteholders, redeem, or exercise any Issuer's option in relation to, all or, if so provided, some of the Notes in the principal amount or integral multiples thereof and on the date or dates so provided. Any such redemption of Notes shall be at their Final Redemption Amount together with interest accrued to the date fixed for redemption.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

(e) Redemption at the Option of Noteholders (Investor Put) and Exercise of Noteholders' Options

If so provided hereon, the Issuer shall, at the option of the holder of any such Note, redeem such Note on the date or dates so provided at its Final Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Noteholders' option that may be set out hereon the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable). No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) Purchases

The Issuer[, the Guarantor] and any of [its/their] subsidiaries may at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(g) Cancellation

All Notes purchased by or on behalf of the Issuer[, the Guarantor] or any of [its/their] respective subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be

reissued or resold and the obligations of the Issuer [and the Guarantor] in respect of any such Notes shall be discharged.

7. Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States (A) in the case of a Specified Currency other than euro, by a cheque payable in such Specified Currency in which such payment is due drawn on, or, at the option of the holder, by transfer to an account denominated in such Specified Currency with, a bank in the principal financial centre for such Specified Currency provided that in the case of Japanese yen, the transfer shall be to a non-resident Japanese yen account with an authorised foreign exchange bank (in the case of payment to a non-resident of Japan); and (B) in the case of euro, by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

(b) Registered Notes

- (i) Payments of principal (which for the purposes of this Condition 7(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the Specified Currency in which such payments are due by cheque drawn on a bank (in the case of payment in a Specified Currency other than euro) in the principal financial centre of the country of such Specified Currency concerned and (in the case of payment in euro) any bank which processes payments in euro and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and subject as provided in paragraph (a) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a bank in the principal financial centre of the country of that currency.

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments Subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer [and the Guarantor] and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrar, Transfer Agents and the Calculation Agent act solely as agents of the Issuer and the Guarantor and do not assume any obligation or relationship of

agency or trust for or with any Noteholder or Couponholder. The Issuer and the Guarantor reserve the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities (including London so long as the Notes are listed on the Official List of the UK Listing Authority) and (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed.

In addition, the Issuer and the Guarantor shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) Unmatured Coupons and Receipts and unexchanged Talons

- (i) Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Bearer Notes should be surrendered for payment together with all unmatured Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If the Notes so provide, upon the due date for redemption of any Bearer Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and, if necessary, another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) Payment Days

If any date for payment in respect of any Note, Receipt or Coupon is not a Payment Day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "Payment Day" means a day which (subject to Condition 9) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation;
 - (B) London;
 - (C) any Additional Financial Centre specified hereon;
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open; and
- (iii) in the case of Notes in global form issued by ICI Coordination Centre N.V. and deposited with BNB, a day (other than a Saturday or Sunday) in which the commercial banks in Belgium are open for business.

8. Taxation

All payments of principal and interest in respect of the Notes, the Receipts and the Coupons [or under the Guarantee] shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom *[or the Netherlands/or the Kingdom of Belgium] or any authority *[thereof/of either] or *[therein/in either] having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer [or, as the case may be, the Guarantor] shall pay such additional amounts as shall result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) to, or to a third party on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the United Kingdom [or the Netherlands, as the case may be/or the Kingdom of Belgium, as the case may be,] other than the mere holding of the Note, Receipt or Coupon; or
- (b) presented for payment in the *[United Kingdom/Netherlands/Kingdom of Belgium]; or
- (c) presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
- (d) when any such taxes, duties, assessments or governmental charges would not have been imposed but for such holder's failure to qualify for an exemption from Belgian withholding tax as a result of such holder's independent circumstances or actions, including, but not limited to, (i) such holder's failure to qualify for the opening of an X-account under the X/N clearing system established under the law of 6 August 1993; and (ii) such holder's withdrawal of the Notes from the X/N clearing system; or
- (e) where such withholding or deduction would not be required if the holder or any person acting on his behalf had presented any form of certificate or had made a declaration of non-residence or similar claim for exemption upon the presentation or making of which the holder would have been able to avoid such withholding or deduction.

As used in these Conditions, "Relevant Date" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Fiscal Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14. References in these Conditions to (i) "principal"

shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) "interest" shall be deemed to include all interest amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) "principal" and/or "interest" shall be deemed to include any additional amounts that may be payable under this Condition.

9. Prescription

Claims against the Issuer [and the Guarantor] for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default

If any of the following events ("Events of Default") occurs, the holder of any Note may give written notice to the Fiscal Agent at its specified office that such Note is immediately repayable, whereupon the Early Redemption Amount of such Note together with accrued interest to the date of payment shall become immediately due and payable, unless such event of default shall have been remedied prior to the receipt of such notice by the Fiscal Agent:

- (i) there is a failure for more than 14 days in the payment of principal or interest in respect of the Notes or any of them when and as the same ought to be paid; or
- (ii) there is a failure by the Issuer [or the Guarantor] to perform or observe any covenant, condition or provision contained in the [Agency Agreement] or in the Notes or the Coupons and on its part to be performed or observed (other than the obligation to pay principal or interest in respect of any of the Notes) and such failure continues unremedied for a period of 30 days; or
- (iii) any indebtedness for borrowed moneys contracted by the Issuer [or the Guarantor] becomes due prior to its stated maturity by reason of a failure to observe the terms thereof or any such indebtedness is not paid at its stated maturity (or within any applicable grace period thereof) or there is a failure by the Issuer [or the Guarantor] to make any payment due under any guarantee and/or indemnity given by it in respect of any indebtedness for borrowed moneys, in each case having an aggregate principal amount in excess of U.S.\$50,000,000 or its equivalent in other currencies; or
- (iv) a resolution is passed or an order of a court of competent jurisdiction is made for the winding-up or dissolution or administration of the Issuer [or the Guarantor] (otherwise than for the purposes of a reconstruction, merger or consolidation the terms whereof have previously been approved by an Extraordinary Resolution of the Noteholders); or
- (v) an incumbrancer takes possession or a receiver is appointed of the whole or any material part of the assets or undertaking of the Issuer [or the Guarantor] and is not paid out in full or discharged within seven days; or
- (vi) a distress, execution or other process is levied or enforced upon or sued out against the whole or any material part of the property of the Issuer [or the Guarantor] and is not discharged within 90 days thereof; or
- (vii) the Issuer [or the Guarantor] stops payment or (otherwise than for the purposes of such a reconstruction, merger or consolidation as is referred to in paragraph (iv) of this Condition) ceases or threatens to cease to carry on business or is unable to pay its debts, proposes or makes a general assignment or an arrangement or composition with or for the benefit of the relevant creditors in respect of any such debts or a moratorium is agreed or declared in respect of or affecting all or any part of (or a particular type of) the debts of the Issuer [or the Guarantor]; or
- (viii) proceedings are initiated against the Issuer [or the Guarantor] under any applicable bankruptcy, insolvency, composition or other similar laws and such proceedings are not discharged or stayed within a period of 60 days; or
- (ix) the Issuer [or the Guarantor] initiates or consents to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar laws or makes a conveyance or assignment for the benefit of, or enters into any composition with, its creditors generally; or
- (x) any event occurs that under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in any of the foregoing paragraphs (iv) to (ix) (inclusive); or

(xi) the Guarantee is not (or is claimed by the Guarantor not to be) in full force and effect.

11. Meeting of Noteholders and Modifications

(a) Meetings of Noteholders

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification of any of these Conditions. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest on the Notes, (ii) to reduce or cancel the principal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount, Early Redemption Amount or Final Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Early Redemption Amount or Final Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to take any steps that as specified hereon may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply[, or] (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, [or (ix) to modify or cancel the Guarantee,] in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Pricing Supplement in relation to such Series.

(b) Modification of Agency Agreement

The Issuer [and the Guarantor] shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

12. Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Fiscal Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in the conditions of such Notes to "Issue Date" shall be to the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to "Notes" shall be construed accordingly.

14. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a leading English Language daily newspaper of general circulation in London (which is expected to be the *Financial Times*) and in respect of Bearer Notes listed on the *Paris Bourse* (so long as that exchange requires) in a French language daily newspaper of general circulation in Paris (which is expected to be *Les Echos*). If any such publication is not practicable in either case, notice shall be validly given if published in another leading daily English language newspaper or another leading daily French language newspaper, in each case with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Notices with respect to the calling of a general meeting of Noteholders of ICI Coordination Centre N.V. shall be published in accordance with the terms provided for in the Belgian Company Laws in the Belgian State Gazette and a leading daily newspaper (if practicable, the *Tijd* or *L'Echo*) printed in the Dutch or French language, respectively and of general circulation in Belgium.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

15. Redenomination and Exchange

(a) Redenomination

Where redenomination is specified in the applicable Pricing Supplement as being applicable, the relevant Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders of the relevant issue, on giving at least 30 days' prior notice to the relevant Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (i) each Specified Denomination will be deemed to be denominated in such amount of euro as is equivalent to its denomination in the Specified Currency at the Established Rate, subject to such provisions (if any) as to rounding (and payments in respect of fractions consequent on rounding) as the relevant Issuer may decide, after consultation with the Principal Paying Agent, and as may be specified in the notice provided that such rounding is not materially prejudicial to the Noteholders;
- (ii) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons will be made solely in euro, including payments of interest in respect of periods before the Redenomination Date, as though references in the Notes to the Specified Currency were to euro. Accordingly, payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee. Neither the relevant Issuer nor any Agent shall be liable to any Noteholder or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of euro or any currency conversion or rounding effected in connection therewith;
- (iii) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Fixed Day Count Fraction (as defined in Condition 5(a)), and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention; and
- (iv) if the Notes are Floating Rate Notes, are specified hereon any relevant changes to the provisions relating to interest; and
- (v) such other changes shall be made to the terms and conditions of the Notes as the relevant Issuer may decide, after consultation with the Principal Paying Agent, and as may be specified in the notice, to conform them to conventions then applicable to instruments denominated in euro or to enable the Notes to be consolidated with one or more issues of other notes, whether or not originally denominated in the Specified Currency or euro.

(b) Exchange

Where exchange is specified hereon as being applicable, the relevant Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders of the relevant issue, on giving not less than 30 days' prior notice to the relevant Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be exchangeable for Notes expressed to be denominated in euro in accordance with such arrangements as the relevant Issuer may decide, after consultation with the Principal Paying Agent, and as may be specified in the notice, including arrangements under which Receipts and Coupons unmatured at the date so specified become void. For the avoidance of doubt and without prejudice to the provisions of sub-paragraph (a)(i) above, any such exchange shall not give rise to any rounding.

(c) Definitions

In this Condition, the following expressions have the following meanings:

"Established Rate" means the rate for the conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to Article 1091(4) of the Treaty;

"euro" means the currency introduced at the start of the third stage of economic and monetary union pursuant to the Treaty;

"Redenomination Date" means a date for payment of interest under the Notes specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (a) or, as the case may be, (b) above which falls on or after the start of the third stage of economic and monetary union pursuant to the Treaty or, if the country of the Specified Currency is not one of the countries then participating in such third stage, which falls on or after such later date as it does so participate; and

"Treaty" means the Treaty establishing the European Community, as amended from time to time.

16. Contracts (Rights of Third Parties) Act 1999

A person who is not a Noteholder, Couponholder or the holder of a Receipt has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, Receipts, Coupons or Talons, but this does not affect any right or remedy of a third party which exists or which is available apart from that Act.

17. Governing Law *[and Jurisdiction]

(a) Governing Law

The Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, English law.

(b) Jurisdiction

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) Service of Process

The Issuer irrevocably appoints the Guarantor of 9 Millbank, London SW1P 3JF (Attention: Company Secretary of Imperial Chemical Industries PLC) as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 14. Nothing shall affect the right to serve process in any manner permitted by law.]

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

Upon the initial deposit of a Global Note with a common depositary for Euroclear and Clearstream, Luxembourg (the "Common Depositary") or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depositary, Euroclear or Clearstream, Luxembourg will credit each subscriber with a principal amount of Notes equal to the principal amount thereof for which it has subscribed and paid. Permanent Global Notes shall be issued in compliance with the C Rules.

Relationship of Accountholders with Clearing Systems

Unless otherwise provided herein, each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, an Approved Intermediary or any other clearing system as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or such Approved Intermediary or clearing system (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or such clearing system (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange

1. Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- 1.1 if the relevant Pricing Supplement indicates that such Global Note is issued in compliance with the C Rules in whole, but not in part, for the Definitive Notes defined and described below; and
- 1.2 otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership [as well as certification to compliance with Belgian selling restrictions] in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Pricing Supplement, for Definitive Notes.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

2. Permanent Global Notes

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under "Partial Exchange of Permanent Global Notes", in part for Definitive Notes or, in the case of 2.3 below, Registered Notes:

- 2.1 unless principal in respect of any Notes is not paid when due, by the Issuer giving notice to the Noteholders, the Fiscal Agent of its intention to effect such exchange;
- 2.2 if the relevant Pricing Supplement provides that such Global Note is exchangeable at the request of the holder (including the holder of a Note represented by a permanent Global Note), by the holder giving notice to the Fiscal Agent of its election for such exchange; and
- 2.3 if the permanent Global Note is an Exchangeable Bearer Note, by the holder (including the holder of a Note represented by a permanent Global Note) giving notice to the Fiscal Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; and
- 2.4 otherwise, (1) if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an "Alternative Clearing System") and any such clearing system or the BNB (or its successor operator of the X/N clearing system) is closed for

business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or (2) if principal in respect of any Notes is not paid when due, by the holder (including the holder of a Note represented by a permanent Global Note) giving notice to the Fiscal Agent of its election for such exchange.

3. Permanent Global Certificates

If the Pricing Supplement states that the Notes are to be represented by a permanent Global Certificate on issue, transfers of the holding of Notes represented by any Global Certificate pursuant to Condition 2(b) may only be made in part:

- 3.1 if the Notes represented by the Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- 3.2 if principal in respect of any Notes is not paid when due; or
- 3.3 with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to 3.1 or 3.2 above, the Registered Holder has given the Registrar not less than 30 days' notice at its specified office of the Registered Holder's intention to effect such transfer.

4. Partial Exchange of Permanent Global Notes

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions (1) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (2) for Definitive Notes (i) if principal in respect of any Notes is not paid when due or (ii) if so provided in, and in accordance with, the Conditions (which will be set out in the relevant Pricing Supplement) relating to Partly Paid Notes.

5. Delivery of Notes

On or after any due date for exchange, the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate principal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate principal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be. In this Offering Circular, "Definitive Notes" means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

6. Exchange Date

"Exchange Date" means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, or in the case of failure to pay principal in respect of any Notes when due 30 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Offering Circular by reason of their particular nature or the clearing system or depository that they are respectively cleared in or deposited with. The following is a summary of certain of those provisions:

1. Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. A record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes.

2. Prescription

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

3. Meetings

The holder of a permanent Global Note or of the Notes represented by a Global Certificate shall (unless such permanent Global Note or Global Certificate represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, the holder of a permanent Global Note shall be treated as having one vote in respect of each minimum Denomination of Notes for which such Global Note may be exchanged. (All holders of Registered Notes are entitled to one vote in respect of each Note comprising such Noteholder's holding, whether or not represented by a Global Certificate.)

4. Cancellation

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the principal amount of the relevant permanent Global Note.

5. Purchase

Notes represented by a permanent Global Note may only be purchased by the Issuer, the Guarantor (if applicable) or any Subsidiary if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

6. Issuer's Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in, and containing the information required by, the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and, accordingly, no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system or Approved Intermediary in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg or any other clearing system (as the case may be).

7. Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Fiscal Agent within the time limits relating to the deposit of Notes with a Paying

Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the principal amount of Notes in respect of which the option is exercised and at the same time presenting the permanent Global Note to the Fiscal Agent, or to a Paying Agent acting on behalf of the Fiscal Agent, for notation.

8. Events of Default

Each Global Note provides that the holder may cause such Global Note, or a portion of it, to become due and repayable in the circumstances described in Condition 10 by stating in the notice to the Fiscal Agent the principal amount of such Global Note that is becoming due and repayable. If principal in respect of any Note is not paid when due, the holder of a Global Note or Registered Notes represented by a Global Certificate may elect for direct enforcement rights against the Issuer and the Guarantor (if applicable) under the terms of the relevant Deeds of Covenant executed as deeds by the Relevant Issuer and, in the case of Notes issued by ICI Coordination Centre N.V., ICI Finance PLC and ICI Investments (Netherlands) B.V., the Guarantor on 15 July 1997 (in the case of the Relevant Issuers other than ICI Coordination Centre N.V.) and 28 April 1998 (in the case of ICI Coordination Centre N.V.) to come into effect in relation to the whole or a part of such Global Note or one or more Registered Notes in favour of the persons entitled to such part of such Global Note or such Registered Notes, as the case may be, as accountholders with a clearing system without prejudice of such persons' individual rights to elect for direct enforcement rights under the terms of the relevant Deeds of Covenant. Following any such acquisition of direct rights, the Global Note or, as the case may be, the Global Certificate and the corresponding entry in the register kept by the Registrar will become void as to the specified portion or Registered Notes, as the case may be. However, no such election may be made in respect of Notes represented by a Global Certificate unless the transfer of the whole or a part of the holding of Notes represented by that Global Certificate shall have been improperly withheld or refused.

9. Notices

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note except that (i) so long as any Notes are listed on the *Paris Bourse* and the rules of that Exchange so require, notices shall also be published in a leading newspaper having general circulation in Paris (which is expected to be *Les Echos*) and (ii) for Notes issued by ICI Coordination Centre N.V., notices with respect to the convocation of a general meeting of Noteholders of ICI Coordination Centre N.V. shall be published in accordance with the terms provided for in the Belgian Company Laws in the Belgian State Gazette and a leading daily newspaper (if practicable, the *Tijd* or *L'Echo*) printed in the Dutch or French language, respectively and of general circulation in Belgium.

Partly Paid Notes

The provisions relating to Partly Paid Notes are not set out in this Offering Circular, but will be contained in the relevant Pricing Supplement and thereby in the Global Notes. While any instalments of the subscription moneys due from the holder of Partly Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). If any Noteholder fails to pay any instalment due on any Partly Paid Notes within the time specified, the Issuer may forfeit such Notes and shall have no further obligation to their holder in respect of them.

USE OF PROCEEDS

The net proceeds of the Notes will be used for the general corporate purposes of the Group.

In the case of Notes issued by ICI Investments (Netherlands) B.V. the net proceeds will be applied in compliance with the Decree of the Dutch Minister of Finance dated 4 February 1993 (BGW 93/6) issued pursuant to article 1, paragraph 3 of the 1992 Act on the supervision of the credit system as amended.

In the case of Notes issued by ICI Coordination Centre N.V. the net proceeds will be used for activities authorised under Royal Decree 187 of 30 December 1982 as well as the Royal Decree, as amended, recognising ICI Coordination Centre N.V. under such legislation.

IMPERIAL CHEMICAL INDUSTRIES PLC

Business Description

Introduction

Since the incorporation of Imperial Chemical Industries PLC ("ICI") in 1926 ICI and its subsidiary undertakings (the "ICI Group") has been one of the major industrial chemical organisations in the world with an impressive record in innovation. In 1997 the Group began a significant reshaping programme, consistent with its plans to focus its resources in specialty chemicals. This reshaping activity continued in 1998 and 1999 and is intended to continue during 2000. The core business of the ICI Group now comprises National Starch, Quest, Industrial Specialties and Paints. The ICI Group also has an Industrial Chemicals business (which comprises Halochemicals, Methanol and a number of Regional Businesses). The ICI Group is actively pursuing the divestment of most of its Industrial Chemicals business consistent with its strategic shift to specialty chemicals.

The ICI Group has leading international positions in industrial adhesives, specialty starch, fragrances, flavours, food ingredients, specialty process intermediates, paints and chlorofluorocarbon (CFC) replacements. It also has strong positions in synthetic resins and polymers, chemicals based on silica and alumina, surfactants and catalysts. In addition, the ICI Group has a strong regional position in the UK in chlor-alkali products.

Current Trading and Prospects

With a very good performance from ICI's core businesses of Specialty Products and Paints the year 2000 has begun well. Excluding the effect of currency translation, acquisitions and divestments sales were 8 per cent. ahead and profits up 18 per cent. compared with the same quarter of 1999 and for the ICI Group as a whole earnings per share were up 67 per cent.

ICI continues to make good progress in improving the performance of all of its businesses and in completing the reshaping of its portfolio. Margins improved in most business segments in spite of the upward pressure on some input costs. Supply chain efficiencies contributed to the higher profits in many businesses. Selling price increases have been secured in a number of markets and further progress was made in minimising the investment in working capital. The Industrial Chemicals businesses benefited from lower costs and the cyclical improvement in chlorine and PTA prices but the segment remained just in loss.

Litigation

- (i) The Glidden Company ("Glidden"), a wholly-owned subsidiary of ICI, is a defendant, along with former lead paint and pigment producers as well as other lead product manufacturers and their trade associations, in a number of suits in the United States of America, three of which purport to be class actions. These suits seek damages for alleged personal injury caused by lead-related products or for the costs of removing lead-based paint. An alleged predecessor of Glidden manufactured lead pigments until the 1950s and lead-based consumer paints until the 1960s. The suits involve substantial claims for damages, and rulings adverse to Glidden could lead to additional claims. The cases pending include a suit filed in 1989 by the New York Housing Authority in New York state court seeking the removal of all lead-based paints from all buildings in two of the New York Housing Authority projects. A purported class action suit filed in August 1992 on behalf of all children alleged to be affected by lead-based paints is pending in the State Court of Ohio, and a purported class action on behalf of all children in the State of New York was filed in New York state court in 1998. An individual personal injury suit is also pending in New York state court in which a New York appellate court recently rejected the plaintiffs' theory of market share liability. In 1999, the State of Rhode Island filed a suit seeking lead paint abatement and other monetary damages including costs of related governmental programmes, and similar suits were filed by the City of St Louis, Missouri in February 2000 and the County of Santa Clara, California in March 2000. In addition, two suits were filed in Maryland in 1999. One of these is a purported class action seeking abatement of lead paint in Maryland and the other is a personal injury suit on behalf of six allegedly injured minors. An individual personal injury suit was also filed in Ohio State Court in April 2000. Several U.S. States legislatures have considered

or are considering proposed legislation that could adversely affect Glidden's position in pending or possible future cases, including proposals that could add additional grounds for legal liability or that would permit suits otherwise time-barred. Glidden believes that it has strong defences and has denied all liability and will continue to vigorously defend all actions.

- (ii) A subsidiary is involved in arbitration proceedings in Singapore regarding PTA technology exchange and licence arrangements with PT Polyprima Karyareksa (Polyprima). Fees due under these arrangements are being claimed against Polyprima who, in response, has claimed damages for alleged fraud, deceit, misrepresentation and concealment, allegations which the subsidiary rejects and intends to resist vigorously.
- (iii) In 1995, ICI Explosives USA Inc. ("EUSA") and a former employee each admitted to a single offence in breach of U.S. anti-trust laws relating to the sale of certain commercial explosives between 1988 and 1992 and, as a result, EUSA paid a fine of U.S.\$10 million. Subsequently, EUSA was named as a defendant in a number of lawsuits including both proposed class action and non-class action lawsuits, by parties claiming unquantified damages from a number of explosives companies in the United States of America. ICI and ICI Canada Inc. were also named as defendants in certain of the non-class action lawsuits. During the period 1996 to 1999 all ICI defendants settled all proposed class action and non-class action lawsuits relating to this matter.
- (iv) ICI, as well as several other ICI companies, were named as defendants in lawsuits relating to the bombing of the AP Murrah Building in Oklahoma City, Oklahoma. The lawsuits alleged, among other things, that the ICI companies were negligent in relation to the sale, through a distributor, of fertiliser allegedly used to prepare the bomb, to a farmers' co-operative in Kansas. Lawsuits were commenced in the U.S. District Court in Oklahoma and Texas and state court in Oklahoma. In November 1996 the District Court in Oklahoma granted ICI's motion to dismiss the complaint, holding that the ICI companies have no case to answer. The judgement was appealed to the United States Court of Appeals for the Tenth Circuit. Concurrently with the District Court's dismissal, the plaintiffs in the Oklahoma state court and Texas District Court case voluntarily stayed their cases pending the outcome of the appeal before the U.S. Court of Appeals. On 9 November 1998, the Tenth Circuit Court of Appeals affirmed the dismissal of the case against the ICI defendants. The Tenth Circuit rejected the plaintiffs' request that it rehear the appeal. The plaintiffs have exhausted all appeals and as of 31 December 1999 all other lawsuits relating to the Oklahoma bombing have been dismissed or withdrawn.

Save as set out above, no member of the ICI Group is or has been engaged in, nor (so far as ICI is aware) has pending or threatened, any legal or arbitration proceedings which may have or have had in the recent past (including at least the 12 months preceding the date of this document) a significant effect on the financial position of the ICI Group.

Other Contingent Liabilities

In addition to specific legal proceedings detailed above, and described as at the date of this document, other contingent liabilities of the ICI Group at 31 December 1999 comprised the points set out below.

Various other legal proceedings, principally in the United Kingdom and United States, arising out of the normal course of business. The Directors do not believe that the outcome of these other proceedings will have a material effect on the ICI Group's financial position.

Certain indemnities given by ICI in the course of disposing of companies, it is believed that these and other guarantees and contingencies arising in the ordinary course of business, for which no security has been given, are unlikely to impair materially the ICI Group's financial position.

The ICI Group's 50 per cent. interest in Teesside Gas Transportation Ltd (TGT) was sold, during 1996, to its other shareholder, Enron Europe Ltd (Enron). TGT contracted with the owners of a distribution network (the CATS parties) for pipeline capacity for North Sea gas and the commitment is guaranteed severally by ICI and Enron (the present value of the commitment guaranteed by ICI was estimated at £158 million at 31 December 1999). ICI received the benefit of a counter guarantee from Enron's parent, Enron Corp.

The ICI Group's interest in Teesside Power Ltd (TPL) was sold on 31 December 1998 to Enron Teesside Operations Ltd (ETOL). TPL had previously contracted with certain gas sellers for the purchase of gas. Enron Corp. and ICI had guaranteed on a several basis the liability of TPL to the gas sellers in the proportions 70 per cent. and 30 per cent. respectively.

On the sale of the ICI Group's interest in TPL to ETOL, ICI received the benefit of a guarantee from Enron Corp. in respect of ICI's 30 per cent. guarantee commitment to the gas sellers. The present value of this commitment at 31 December 1999 was estimated at £302 million.

The only significant take-or-pay contract entered into by subsidiary undertakings of the ICI Group was the purchase of electric power, which commenced in the second quarter of 1998, for 15 years. The present value of this commitment at 31 December 1999 is estimated at £160 million.

Contingent liabilities in connection with guarantees and uncalled capital relating to subsidiary and other undertakings and guarantees relating to pension funds, including the solvency of pension funds. There was no contingent liability in respect of guarantees of borrowings and uncalled capital for the ICI Group at 31 December 1999 (1998 £nil); the maximum contingent liability for ICI, mainly on guarantees of borrowing by subsidiaries, was £2,382 million (1998 £2,460 million).

The ICI Group is also subject to contingencies pursuant to environmental laws and regulations that in the future may require it to take action to correct the effects on the environment of prior disposal or release of chemical substances by the ICI Group or other parties. The ultimate requirement for such actions, and their cost, is inherently difficult to estimate, however provisions have been established as at 31 December 1999 in accordance with the ICI Group's accounting policy which states that the ICI Group is exposed to environmental liabilities relating to its past operations principally in respect of soil and groundwater remediation costs. Provisions for these costs are made when expenditure on remedial work is probable and the cost can be estimated within a reasonable range of possible outcomes. It is believed that, taking account of these provisions, the cost of addressing currently identified environmental obligations is unlikely to impair materially the ICI Group's financial position.

These financial statements have been prepared under the responsibility of the Board of Directors of the Company. Unqualified audit opinion on the financial statements

We conducted our audit in accordance with the standards of the "Institut des Reviseurs d'Entreprises-Instituut der Bedrijfsrevisoren". Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, taking into account the legal and regulatory requirements applicable to financial statements in Belgium.

In accordance with these standards we have considered the Company's administrative and accounting organisation as well as its internal control procedures. The Company's management have provided us with all explanations and information which we required for our audit. We examined, on a test basis, evidence supporting the amounts in the financial statements. We assessed the accounting policies used and significant accounting estimates made by the Company, as well as the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, taking into account the prevailing legal and regulatory requirements, the financial statements present fairly the Company's net worth and financial position as of 31 December 1998 and the results of its operations for the year then ended and the disclosures made in the notes to the financial statements are adequate.

The Company has addressed the millennium problems and has elaborated an action plan. At the date of this report the Company is still subject to the uncertainties linked to this millennium problem, as described in the annual report.

General

The Company was incorporated on 17 June 1997. Consequently the first financial year covers the period from 17 June 1997 through 31 December 1997.

The Company's parent company is ICI Theta B.V., Rotterdam. Its ultimate parent company is Imperial Chemical Industries PLC, London, United Kingdom (hereafter "ICI PLC").

Significant accounting policies

The financial statements have been prepared under the historical cost convention and on an accrual basis of accounting.

Consolidated accounts

The Company has elected to invoke Article 408, Title 9 of Book 2 of the Dutch Civil Code whereby the Company is exempt from preparing consolidated financial statements since the financial and other data of the Company and its subsidiaries is consolidated with that of ICI PLC. The Annual Report of ICI PLC will be deposited together with the Company's statement with the Trade Register.

Foreign currencies

Profit and loss items in foreign currencies are translated into Dutch guilders at average rates for the relevant accounting periods. Assets and liabilities in foreign currencies are translated at exchange rates ruling at balance sheet date. Foreign currency exchange gains or losses arising from translation are processed in the profit and loss account.

Financial derivatives

The Company uses currency swaps to reduce exposure to foreign exchange risks and interest rate swaps to adjust interest rate exposure. Principal amounts of currency swaps are revalued at exchange rates ruling at balance sheet date and included in the Dutch guilder value of long-term liabilities. Interest income and expenses from interest rate swaps are processed with net interest payable.

Financial fixed assets

In recognition of its status as a Dutch intermediate holding company of ICI PLC, the investments in group companies are stated at cost, applying historical exchange rates.

Dividends received from pre-acquisition reserves of participating interests are applied to reduce the historical acquisition costs of the relevant investment.

In the event of a permanent diminution in value of an investment, this impairment is reflected by an adjustment to the carrying value of the relevant investment.

Other assets and liabilities

Unless otherwise stated in the financial statements, all other assets and liabilities are shown at face value.

Recognition of income from participating interests

Dividends from participating interests in respect of the financial year or previous years are recorded as income for the year in so far as such dividends are received or declared before preparation of the Company's accounts.

Taxation

The Company and its subsidiaries are part of a fiscal unit, of which ICI Theta B.V. is the parent company. Due to this unity, the Company is jointly and severally liable for the liabilities of the fiscal unit. Taxes payable by the fiscal unit are allocated to the separate companies in proportion to their fiscal results.

TAXATION

UNITED KINGDOM

The following is a summary of the Issuers' understanding of current law and practice in the United Kingdom relating to the withholding tax treatment of interest payments on the Notes. They do not deal with any other United Kingdom tax implications of acquiring, holding, or disposing of the Notes. Prospective Noteholders who are unsure as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom should seek their own professional advice.

Notes issued by Imperial Chemical Industries PLC and ICI Finance PLC ("U.K. Notes")

1. The U.K. Notes which are and continue to be in bearer form and which carry a right to interest will constitute "quoted Eurobonds" within the meaning of section 124 of the Income and Corporation Taxes Act 1988 ("the Act") provided they are listed on a "recognised stock exchange" within the meaning of section 841 of the Act. The London Stock Exchange and the Paris Bourse are currently recognised for this purpose. Payments of interest on U.K. Notes which constitute quoted Eurobonds ("Eurobond Notes") may be made without withholding or deduction on account of United Kingdom income tax where:
 - (a) payment is made at the specified office outside the United Kingdom of a paying agent; or
 - (b) payment is made by or through a paying agent at its specified office in the United Kingdom and either:
 - (i) the beneficial owner of the Notes and the interest thereon is not resident in the United Kingdom; or
 - (ii) the Notes (and any related Coupons) are held in a "recognised clearing system" within the meaning of section 841A of the Act (Euroclear and Clearstream, Luxembourg (previously Cedelbank S.A.) (but not Sicovam or BNB) are both recognised clearing systems for this purpose);and, in the case of (b)(i) and (ii) any other administrative conditions imposed by regulations made under the Act (which may include the making of declarations on the occasion of each payment) have been satisfied.
2. Interest payable on U.K. Notes with a maturity of less than one year from the date of issue and not issued with such a maturity date under any arrangement the effect of which is to render such Notes part of a borrowing with a total term in excess of one year, will not be regarded as "yearly interest" for the purposes of the Act, and interest on such Notes may be paid without withholding or deduction for or on account of United Kingdom income tax, whether or not such Notes constitute quoted Eurobonds.
3. In all cases to which neither 1 nor 2 apply an amount must be withheld from payments of interest on the U.K. Notes on account of United Kingdom income tax at the lower rate (currently 20 per cent.), subject to any direction to the contrary by the Inland Revenue under an applicable double taxation treaty.

Notes issued by ICI Investments (Netherlands) B.V. and ICI Coordination Centre N.V. ("Non-U.K. Notes")

4. Payments of interest on Non-U.K. Notes may be made without withholding or deduction for or on account of United Kingdom income tax provided that:
 - (a) payment is made at the specified office outside the United Kingdom of a paying agent; or
 - (b) payment is made by a paying agent at its specified office in the United Kingdom and:
 - (i) the Notes (and any related Coupons) are held in a recognised clearing system (for which see (b)(ii) above); or
 - (ii) the beneficial owner of the Notes and the interest thereon is not resident in the United Kingdom; or
 - (iii) the beneficial owner of the Notes and any related Coupons and, in some cases, the recipient of the interest, if not that beneficial owner, falls into certain other specified categories.and, in the case of (b)(i) to (iii), any other administrative conditions imposed by regulations made under the Act have been satisfied.

In all other cases where payment is made by a paying agent in the United Kingdom an amount must be withheld on account of United Kingdom income tax at the lower rate (currently 20 per cent.), subject to any direction to the contrary by the Inland Revenue pursuant to the provisions of an applicable double taxation convention.

U.K. Notes which constitute quoted eurobonds and non-U.K. Notes

5. Where a person in the United Kingdom acting in the course of a trade or profession either:
- (a) acts as custodian of a Eurobond Note or a non-U.K. Note and receives interest on the Eurobond Note or the non-U.K. Note directs that interest on the Eurobond Note or a non-U.K. Note be paid to another person or consents to such payment; or
 - (b) collects or secures payment of or receives interest on a Eurobond Note or a non-U.K. Note for a Noteholder or the holder of a Coupon whether by means of Coupons or otherwise (except by means solely of clearing a cheque or arranging for the clearing of a cheque),
- that person (a "collecting agent") will be required to withhold on account of income tax at the lower rate unless:
- (i) the relevant Note is held in a recognised clearing system (for which see 1(b)(ii)) and the collecting agent either:
 - (A) pays or accounts for the interest directly or indirectly to the recognised clearing system; or
 - (B) is acting as depository for the recognised clearing system; or
 - (ii) the person beneficially entitled to the interest is not resident in the United Kingdom and beneficially owns the relevant Note or is specified by regulations; or
 - (iii) the interest arises to trustees not resident in the United Kingdom of certain discretionary or accumulation trusts (where, *inter alia*, none of the beneficiaries of the trust is resident in the United Kingdom); or
 - (iv) the person beneficially entitled to the interest is eligible for certain reliefs from tax in respect of the interest; or
 - (v) the interest falls to be treated as the income of, or of the government of, a sovereign power or of an international organisation; or
 - (vi) the relevant Note and the interest are beneficially owned by a person falling into certain specified categories, or one of certain other circumstances applies, in each case as prescribed by regulations, which would apply, for example, to relevant Notes held under a personal equity plan, in a pension funds pooling scheme or a superannuation fund.

In the case of each of the above exceptions (except (i)(B)), further administrative conditions imposed by the regulations referred to above may have to be satisfied for the relevant exception to be available.

Proposed EU Withholding Tax Directive

6. In June 1998, the European Commission presented to the Council of Ministers of the European Union ("EU") a proposal to oblige Member States to adopt either a "withholding tax system" or an "information reporting system" in relation to interest, discounts and premiums. It is unclear whether this proposal will be adopted, and if it is adopted, whether it will be adopted in its current form.

The "withholding tax system" would require a paying agent established in a Member State to withhold tax at a minimum rate of 20 per cent. from any interest, discount or premium paid to an individual resident in another Member State unless such an individual presents a certificate obtained from the tax authorities of the Member State in which he is resident confirming that those authorities are aware of the payment due to that individual.

The "information reporting system" would require a Member State to supply, to other Member States, details of any payment of interest, discount or premium made by paying agents within its jurisdiction to an individual resident in another Member State.

For the purposes of the proposed directive, the term "paying agent" is widely defined and includes an agent who collects interest, discounts or premiums on behalf of an individual beneficially entitled thereto. If the proposed directive is adopted in its current form, it will not apply to payments of interest, discounts and premiums made before 1 January 2001.

Interest Provisions in Finance Bill

The Finance Bill published on 7 April 2000 contains proposed legislation which, if enacted, would have the effect that payments of interest on the non-U.K. Notes and, for as long as the U.K. Notes are listed on a recognised Stock Exchange, on the U.K. Notes may be made without withholding on account of United Kingdom income tax, and would also have the effect of removing the obligation of a collecting agent to withholding account of United Kingdom income tax as referred to in paragraph 6 above. The proposed legislation, if enacted, would have effect for payments of interest made on or after 1 April 2001, but it cannot be stated with certainty whether the legislation will be enacted and if so in what form.

BELGIUM

The following is a general summary of Belgian taxation as of the date hereof in relation to payments made under and other transfers involving the Notes, Receipts or Coupons. It is not exhaustive and Noteholders who are in doubt as to their tax position should consult their professional advisers.

- (a) by application of the Belgian law of 6 August 1993 implemented by the Royal Decree of 26 May 1994 concerning transactions in certain securities, withholding tax is not levied if the Notes are booked on an account that has been opened in the books of a direct or indirect participant of the X/N clearing system of the BNB, and if the holder of the Note falls within the category of persons which may open an X-account in accordance with the requirements of the said legislation. This category includes, among others, non-residents of Belgium who do not use the Notes in connection with a business or any other professional activity in Belgium;
- (b) a holder of a Note, Receipt or Coupon who derives income from a Note, Receipt or Coupon or who realises a gain on disposal or redemption of a Note, Receipt or Coupon will not be subject to Belgian taxation on income or capital gains unless (i) the holder is a non-resident who is using the Notes in a fixed base or permanent establishment which he maintains in Belgium, (ii) the holder is an individual resident of Belgium who is using the Notes for his professional activity or (iii) the holder is a company resident in Belgium;
- (c) the Notes, Receipts or Coupons will not be subject to Belgian gift taxes provided the gift is not required to be and is not made or evidenced by a deed or other instrument subject to registration in Belgium;
- (d) the Notes, Receipts or Coupons will not be subject to Belgian inheritance taxes if held by persons not resident in Belgium at the time of their death;
- (e) the Belgian tax on securities transactions will not be levied on subscription to, or purchase or sale of, the Notes, provided such transfers do not take place with the intervention of a Belgian professional securities intermediary; and
- (f) the Belgian tax on delivery of bearer securities will not be levied on the Notes so long as they are maintained in the X/N clearing system of the BNB.

- (f) No Netherlands registration tax, customs duty, transfer tax, stamp duty or any other similar tax or duty, other than court fees, will be payable in the Netherlands in respect of or in connection with the execution, delivery and/or enforcement by legal proceedings (including the enforcement of any foreign judgement in the Courts of the Netherlands) of the Notes, Receipts or Coupons or the performance by the relevant Issuer of its obligations under the Notes, Receipts or Coupons.

Proposed Netherlands Tax Legislation

In the Netherlands a major tax reform is pending. The Netherlands income tax system will substantially change while the net wealth tax will be abolished. The Second and First Chamber of Netherlands' Parliament approved the proposed legislation on 3 February and 9 May 2000, respectively. The proposed effective date is 1 January 2001.

The proposed legislation will not significantly change the Netherlands' income tax consequences, as described above, for a holder of Notes who is not a resident or a deemed resident of the Netherlands.

Prospective investors (whether or not resident or deemed resident of the Netherlands) are advised to consult their tax advisor on the specific consequences relating to the proposed legislation with respect to the purchasing, holding and/or selling of the Notes.

SUBSCRIPTION AND SALE

Summary of Dealer Agreement

Subject to the terms and on the conditions contained in a Dealer Agreement dated 15 July 1997 supplemented and amended by a First Supplemental Dealer Agreement dated 28 April 1998, as amended and restated by an Amended and Restated Dealer Agreement dated 7 May 1999 and supplemented and amended by a Second Supplemental Dealer Agreement dated 17 May 2000 (together the "Dealer Agreement") between the Issuers, the Guarantor, the Permanent Dealers and the Arrangers, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, each Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by each Issuer through the Dealers, acting as agents of the relevant Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The relevant Issuer (if applicable, failing whom the Guarantor) will pay each relevant Dealer a commission in respect of Notes subscribed by it as separately agreed between them. Each Issuer (if applicable, failing whom the Guarantor) has agreed to reimburse the Arrangers for certain of their expenses incurred in connection with the establishment of the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions payable in respect of an issue of Notes on a syndicated basis will be stated in the relevant Pricing Supplement.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the relevant Issuer.

Selling Restrictions

United States

The Notes and the Guarantee have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the Issuer, by the Fiscal Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the restricted period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Each issuance of index-, commodity- or currency-linked Notes will be subject to such additional United States selling restrictions as the relevant Issuer and the relevant Dealer(s) may agree, as indicated in the applicable Pricing Supplement. Each Dealer has agreed that it will offer, sell or deliver such Notes only in compliance with such additional United States selling restrictions.

United Kingdom

Each Dealer has agreed that:

1. it has not offered or sold and will not offer or sell (a) any Notes having a maturity of one year or more, in respect of which admission to listing in accordance with Part IV of the Financial Services Act 1986 (the "Act") is to be sought, to persons in the United Kingdom prior to admission of such Notes to such listing or (b) prior to the date six months after their date of issue, any Notes having a maturity of one year or more, in respect of which admission to such listing is not to be sought, to persons in the United Kingdom, in each case, except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances that have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995 or, in the case of Notes in respect of which admission to such listing is to be sought, the Act;
2. it has complied with and will comply with all applicable provisions of the Act with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom; and
3. it has only issued or passed on and will only issue or pass on in the United Kingdom any document received by it in connection with the issue of the Notes, other than any document that consists of or any part of listing particulars, supplementary listing particulars or any other document required or permitted to be published by listing rules under Part IV of the Act, to a person who is of a kind described in Article 11(3) of the Financial Services Act 1986 (Investment Advertisements) (Exemptions) Order 1996 (as amended) or is a person to whom such document may otherwise lawfully be issued or passed on.

Germany

In connection with the initial placement of any Notes in Germany, each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will offer and sell such Notes (i) unless otherwise provided in the relevant subscription agreement or the applicable Pricing Supplement in the case of an issue made on a syndicated basis, only for an aggregate purchase price per purchaser of at least DM 80,000 (or the foreign currency equivalent) or such other amount as may be stipulated from time to time by applicable German law or (ii) as may otherwise be permitted in accordance with applicable German law.

Japan

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan (the "Securities and Exchange Law"). Accordingly, each of the Dealers has represented and agreed that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the Securities and Exchange Law and other relevant laws and regulations of Japan. As used in this paragraph, "resident of Japan" means any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

Netherlands

Each Dealer has represented and agreed (and each further Dealer appointed under the programme will be required to represent and agree) that it has not, directly or indirectly, offered, sold or transferred and that it will not, directly or indirectly, offer, sell or transfer in or (in the case of Notes issued by ICI Investments (Netherlands) B.V.) outside the Netherlands any Notes issued under the Programme which have a denomination of less than NLG 100,000 (or its equivalent in any other currency), to any person (including legal entities) other than (a) to persons who trade or invest in securities in the conduct of their profession or trade within the meaning of the 1995 Act on the supervision of the securities trade (*Wet toezicht effectenverkeer* 1995 (the "Securities Act")) and its implementing regulations, and (b) with due observance of article 2 paragraph 2 of the Exemption regulation pursuant to the Securities Act (*Vrijstellingsregeling Wet Toezicht Effectenverkeer* 1995), except in circumstances in which (i) one of the other exemptions set out in article 3 paragraph 2 of the Securities Act or (ii) one of the other exemptions pursuant to article 4 of the Securities Act is applicable, or (iii) the Securities Board of the Netherlands has, upon request, granted an individual dispensation from the prohibition contained in article 3, paragraph 1, of the Securities Act and the conditions attached to such dispensation are fully complied with.

In addition to the above, Zero Coupon Notes in definitive form or other Notes that qualify as savings certificates as defined in the Savings Certificates Act (*Wet inzake spaarbewijzen*) may only be transferred and accepted through the mediation of either the Issuer or a member of the AEX Stock Exchange¹ with due observance of the Savings Certificate Act and its implementing regulations, provided that no such mediation is required (i) in respect of the initial issue of such Notes to the first holders thereof, (ii) to the extent that such Notes are physically outside the Netherlands and are not immediately thereafter distributed in the Netherlands in the course of primary trading or immediately thereafter or (iii) in respect of any transfer and acceptance by individuals who do not act in the conduct of a profession or trade. If the Savings Certificates Act applies, certain identification requirements in relation to the issue and transfer of, and payments on, Zero Coupon Notes have to be complied with.

Savings certificates within the meaning of the Savings Certificates Act are Notes in bearer form which constitute a claim for a fixed sum against the Issuer and on which interest does not become due prior to maturity or on which no interest is due whatsoever.

Belgium

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that in respect of Notes except those having a denomination of or for which the minimum investment amount is at least EUR 250,000 or the equivalent thereof in other currencies, it has not, directly or indirectly, offered, sold, transferred or delivered in Belgium and will not, directly or indirectly, offer, sell, transfer or deliver in Belgium any Notes (including rights representing an interest in a global Note) to any individual or legal entity other than institutional and professional investors referred to in Article 3, 2°, of the Belgian Royal Decree of 7 July 1999 on the public character of transactions which aim to solicit public savings and the assimilation of certain transactions with a public offer. This Offering Circular has been issued to you for your personal use only and exclusively for the purposes of the Offering. Accordingly this Offering Circular may not be used for any other purpose nor passed on to any other person in Belgium. This Offering Circular has not been or will not be approved by the Belgian Banking and Finance Commission (Commissie voor het Bank- en Financiewezen/Commission Bancaire et Financière) in accordance with the Royal Decree N° 185 of 9 July 1935.

In addition, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it shall only offer or sell any Notes issued under the Programme by ICI Coordination Centre N.V. to persons who qualify for an X-account according to Article 4 of the Royal Decree of 26 May 1994 on the X/N clearing system. An X-account is in that respect reserved for: (i) Belgian corporations subject to Belgian corporate income tax; (ii) institutions, associations and companies provided for in article 2, paragraph 3 of the Belgian Act of 9 July 1975 on the supervision of insurance companies; (iii) state regulated institutions ("institutions parastatales") for social security, or institutions which are equated to these, provided for in article 105, 2° of the Royal Decree of 27 August 1993 implementing the Income Tax Code 1992, (iv) non-resident investors provided for in article 105, 5° of the same decree; (v) investment funds, recognised in the framework of pension savings, provided for in article 115 of the same decree; (vi) companies, associations and other tax payers provided for in article 227, 2° of the Income Tax Code 1992, which have used the income generating capital for the exercise of their professional activities in Belgium and which are subject to non-resident taxes pursuant to article 233 of the same code; (vii) the Belgian state in respect of investments which are exempt from withholding tax in accordance with article 265 of the Income Tax Code 1992; (viii) investment funds governed by foreign law which are an indivisible estate managed by a management company for the account of the participants, when their participation rights are not publicly issued in Belgium and are not traded in Belgium; and (ix) resident corporations when their activities exclusively or principally consist in the granting of credits and loans.

France

Each Issuer, the Guarantor and each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that, in connection with their initial distribution, it has not offered or sold, and will not offer or sell, directly or indirectly, Notes to the public in France, and has not distributed or caused to be distributed and will not distribute or cause to be distributed to the public in France the Offering Circular or any other offering material relating to the Notes, and that such offers, sales and distributions have been and shall be made in

¹ Kindly note that the Savings Certificates Act still refers to 'member of the Stock Exchange Association', but that since the reorganisation of the exchanges in the Netherlands, the reference should be to admitted institutions to the AEX Stock Exchange.

France only to (i) qualified investors (*investisseurs qualifiés*) and/or (ii) a restricted group of investors (*cercle restreint d'investisseurs*), all as defined in Article 6 of *ordonnance* no. 67-833 dated 28 September 1967 (as amended) and *décret* no. 98-880 dated 1 October 1998.

Investors in France may only participate in the issue of the Notes for their own account in accordance with the conditions set out in *décret* no. 98-880 dated 1 October 1998. The Notes may only be issued, directly or indirectly, to the public in France in accordance with articles 6 and 7 of *ordonnance* no. 67-833 dated 28 September 1967 (as amended). Where an issue of Notes is effected as an exception to the rules relating to an *appel public à l'épargne* in France (public offer rules) by way of an offer to a restricted circle of investors ("*cercle restreint d'investisseurs*"), such investors must, to the extent that the Notes are offered to 100 or more of such investors, provide certification as to their personal relationship of a professional or family nature with a member of the management of the Issuer.

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers following a change in a relevant law, regulation or directive. Any such modification will be set out in the Pricing Supplement issued in respect of the issue of Notes to which it relates or in a supplement to this Offering Circular.

Other than in the United Kingdom, no action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Offering Circular or any other offering material or any Pricing Supplement, in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Offering Circular, any other offering material or any Pricing Supplement and none of the Issuers, the Guarantor, nor any other Dealer shall have responsibility therefor.

GENERAL INFORMATION

1. The listing of the Notes on the Official List of the UK Listing Authority will be expressed as a percentage of their principal amount (exclusive of accrued interest). It is expected that listing of the Notes by the UK Listing Authority will be granted on or around 19 May 2000, subject only to the issue of a temporary or permanent Global Note (or one or more Certificates) in respect of each Tranche. Prior to official listing, however, dealings will be permitted by the London Stock Exchange in accordance with its rules. Transactions will normally be effected for delivery on the third working day after the day of the transaction. However, unlisted Notes may be issued pursuant to the Programme.

It is strongly recommended by the French Ministry of the Economy, Finance and Industry that Notes denominated in French francs or euro should be listed on the PARISBOURSE^{SBF} SA, particularly but not exclusively, where such Notes are to be offered publicly in France. The following procedures will apply, *inter alia*, to Paris Listed Notes:

- (i) *Commission des Opérations de Bourse (COB)*

Prior to the listing of any Notes on the *Paris Bourse*, the Pricing Supplement applicable to such issue of Notes is currently required to be approved at the time of the relevant issue. The relevant approval in relation to this Offering Circular has been evidenced by the issue of the registration no P00-240 dated 16 May 2000 by the COB. The relevant approval in relation to each issue will be evidenced by the issue of a *visa* by the COB. The *visa* number will be disclosed in the Pricing Supplement applicable to the relevant Notes.

- (ii) *Bulletin des Annonces légales obligatoires (BALO)*

Prior to the listing of any Notes on the *Paris Bourse* details of the relevant issue of Notes will be published (in the form of a *notice légale*) in the BALO.

- (iii) *PARISBOURSE^{SBF} SA*

Prior to the listing of Notes on the *Paris Bourse* a publication shall be made in the *Bulletin de la PARISBOURSE^{SBF} SA*.

- (iv) *Filing of Constitutional Documents*

Prior to the listing on the *Paris Bourse* of any Notes, a (sworn) French translation of each Issuer's constitutional documents will be filed with the *Greffé du Tribunal de Commerce* of Paris.

- (v) *Documents available for inspection*

In the case of Paris Listed Notes, the applicable Pricing Supplement will specify the additional places in Paris at which documents incorporated herein by reference (or otherwise required to be made available for inspection) may be inspected (or received free of charge) during normal business hours. Each Issuer has undertaken to make such documents available as so required.
