The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 April 2013

The members have not required the company to obtain an audit of its financial statements for the year ended 30 April 2013 in accordance with Section 476 of the Companies Act 2006

The directors acknowledge their responsibilities for

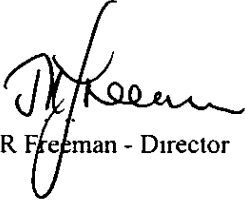

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company

The notes form part of these abbreviated accounts

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Preparation of consolidated financial statements

The financial statements contain information about Forest Products Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements

Turnover

Turnover represents net sales of goods, excluding value added tax

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Freehold property	- Buildings 2% on cost, land not provided
Long leasehold	- 10% on cost
Plant and machinery	- 10% on cost
Fixtures and fittings	- 25% on cost
Motor vehicles	- 20% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate

Non depreciation of investment property

In accordance with IAS 40 investment properties were revalued annually up to 30 April 2005. The requirement of the Companies Act 2006 is to depreciate all properties, but that conflicts with the accounting principle set out in IAS 40. The directors consider the property is not held for consumption but for investment and that to depreciate would not give a true and fair view. Hence IAS 40 as amended by the Financial Reporting Standard for Smaller Entities (effective April 2008) has been adopted
