## **THE DIRECTORS' REPORT *(continued)***

**YEAR ENDED 31 MAY 2011**

---

The directors have pleasure in presenting their report and the accounts of the company for the year ended 31 May 2011

### **Principal activities and business review**

The principal activity of the company continued to be that of a professional football club

The current financial year marked a new era in the 90 year history of Morecambe Football Club, Limited with a move into its new purpose built premises at the Globe Arena

As with many ventures of this kind, some unforeseen delays occurred during the course of the build project resulting in a delay in the stadium opening, which was originally anticipated to complete in July 2010. The stadium doors were successfully opened in August 2010, in time for a 1st round Carling Cup clash with Coventry City FC

In common with many other football clubs, the strategy behind a move to new premises with additional facilities was to introduce alternative income streams, which the Company could benefit from 365 days a year as opposed to being limited to matchdays. A strategy that is key to developing a long term sustainable business and results for this initial period show the further revenues that are now being generated

The new facilities offer a stadium capacity of 6,172, including 2,038 seated capacity in the Peter McGuigan Main Stand. The stand also comprises nine private executive boxes, the Wright & Lord Banqueting Suite, Club Shop, Globe Bar, office facilities and reception. The executive boxes which are available either as a full season or individual match basis, have proved very successful, achieving a 100% utilisation rate during this first season.

Increased revenues from football have largely been as a result of income derived from the Football League. Whilst revenue from the sale of season tickets rose 94%, average league attendances of 2,257 were very similar to those of the previous season (2009/10 2,262), this was despite a much less successful campaign on the pitch finishing 20th in the League (2009/10 4th). Delays in the completion of the stadium in turn led to a loss of revenue from being unable to host any pre-season friendly matches. Players' wages continue to be the largest element of expenditure but do show a small decrease on the prior year. During the year a profit of £49,305 was made from the sale of players (2009/10 £8,313).

The new premises have created commercial opportunities which are proving attractive to both local and national companies wishing to be associated with Morecambe Football Club, Limited and also in using the facilities for entertaining both their clients and staff. Current and future income has been secured from sponsorship agreements for the naming of the stadium and the home and away stands, all of which run for a five year period, expiring in 2015.

The most significant development in trading during the year is from hospitality. The Company now employs an in house team of catering, bars and hospitality staff who deliver a variety of events, including weddings, charity balls, conferences and presentation evenings and the flexibility of rooms can accommodate anywhere from 2 - 400 guests. The numerous accolades and prizes that have been achieved during this initial period reflect the standards that are being achieved and result in the venue already being recognised as a leading operator in the region. Due to opening in August 2010, the accounts only reflect a part year of trading from this area and with utilisation rates of less than 50%, there remains significant scope to develop this area of the business.

THE DIRECTORS' REPORT *(continued)*

YEAR ENDED 31 MAY 2011

---

## **Going concern**

The Company has traded at a loss during the year and has been reliant on the continued support of the Directors, particularly Peter McGuigan (Chairman & majority shareholder) in providing loans to maintain the cashflow of the business. The directors have confirmed that they are prepared to continue to support the company financially and therefore consider it appropriate for the accounts to be prepared on the going concern basis.

## **Future developments**

Adjacent to the stadium, the Company owns over two acres of prime development land, which has the benefit of outline planning permission for a hotel, food and drink outlets, drive through restaurant, retail units and associated parking. This land offers future opportunities either as an income stream if developed by the Company or alternatively as a source of income from disposal.

## **Results and dividends**

The loss for the year amounted to £634,944 after charging depreciation of £95,788. Particulars of dividends and other appropriations paid are detailed in note 7 to the accounts.

## **Financial risk management**

The principal risks to the business are relegation from the Football League and the consequential loss of income this would cause, or if the Company were unable to secure sufficient finance from either the Directors or other sources to continue funding the cashflow requirements. These and other risks are monitored by the Board on a regular basis.

### **Directors' responsibilities**

The directors are responsible for preparing the Directors' Report and the accounts in accordance with applicable law and regulations

Company law requires the directors to prepare accounts for each financial year. Under that law the directors have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

---

We have examined the abbreviated accounts set out on pages 8 to 23, together with the accounts of Morecambe Football Club, Limited for the year ended 31 May 2011 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our work, for this report, or for the opinions we have formed.

## **Respective responsibilities of directors and auditor**

The directors are responsible for preparing the abbreviated accounts in accordance with Section 445 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

## **Basis of opinion**

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

## **Opinion**

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 445(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

## NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 31 MAY 2011

---

### 1 Accounting policies

#### Basis of accounting

The accounts have been prepared under the historical cost convention

The directors have confirmed that they are prepared to continue to support the Club financially and therefore they consider it appropriate for the accounts to be prepared on the going concern basis

#### Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts, to the extent that the company has a right to consideration arising from the performance of its contractual arrangements

#### Intangible fixed assets and amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Player contracts	over the period of the contracts
------------------	----------------------------------

#### Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Leasehold Property	2% straight line
Motor vehicles	25% reducing balance
Plant and machinery	25% reducing balance

No depreciation is provided on freehold land

#### Stocks

Stock represents items held for resale and consumables and is valued at the lower of cost and net realisable value

#### Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis

# MORECAMBE FOOTBALL CLUB, LIMITED

## NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 31 MAY 2011

---

### 1 Accounting policies (continued)

#### Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease

#### Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions

provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold,

deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

#### Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity

Following the passing of a special resolution to increase the authorised share capital to 5,000,000 Ordinary shares of £1 each and 56,181 'A' Ordinary shares of £1 each, in August 2010 an ordinary resolution was passed reclassifying the Ordinary share capital of 1,123,585 £1 Ordinary shares into 1,067,404 £1 Ordinary shares and 56,181 £1 'A' Ordinary shares

The reclassification of the shares entitled the 'A' Ordinary shareholders to receive the distribution in specie as detailed below. The 'A' Ordinary shareholders have no rights in relation to the company

A de-merger representing the transfer of the trade and associated assets and liabilities of the partially completed Community and Leisure Sports Facilities by distribution in specie to a new company, PMG Leisure Limited (which is owned by the 'A' ordinary shareholders of the Morecambe Football Club, Limited) took place on 27 August 2010

As required by the agreement with Lancaster City Council to construct the Globe Arena, the company had a constructive obligation to complete the Community and Leisure Sports Facilities. At the time of the de-merger the company had to meet liabilities of £725,000 in relation to this obligation. In total, assets of £1,296,044 and liabilities of £725,000 were de-merged to facilitate the funding of this development. The cumulative effect of the transaction was a £571,044 reduction in the net assets of the company

During the year ended 31 May 2009 the company sold its long leasehold interest in Christie Park and at the same time the Trustees of the J B Christie Settlement sold their freehold interest in the property. The company subsequently purchased a freehold interest in the Westgate site to develop the new football stadium. In order to comply with the terms of the J B Christie Settlement on completion of the stadium the company was required to sell part of the freehold to the Settlement in return for which the Settlement granted to the company a long leasehold interest in this part of the property. This transaction took place during the current year and is represented by a disposal of £1 freehold property, and a leasehold addition of the same amount. Costs incurred by the company in the development of the new stadium before and after this transaction are treated as additions to leasehold property.

During the year the company distributed the freehold interest in the Community and Leisure Sports Facilities at the Westgate site as detailed in note 7 in order to facilitate the financing of the necessary construction work.

#### Hire purchase agreements

Included within the net book value of £9,179,153 is £9,398 (2010 - £9,302) relating to assets held under hire purchase agreements. The depreciation charged to the abbreviated accounts in the year in respect of such assets amounted to £762 (2010 - £1,642).
