#### STRATEGIC REPORT

#### YEAR ENDED 31 DECEMBER 2017

The directors present their strategic report for the company for the year ended 31 December 2017.

#### PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the company during the year was that of a holding company for investments. This activity is unlikely to change in the foreseeable future.

The result and position of the company for the year ended 31 December 2017 are set out in the statement of comprehensive income, statement of financial position and statement of changes in equity on pages 9, 10 and 11 respectively. The result and position of the company were in line with directors' expectations.

#### RESULTS AND DIVIDENDS

The company's profit for the financial year was £499,465,000 (2016 - profit £211,023,000). The retained profit for the year has been transferred to reserves.

The directors do not recommend a dividend payment for the year ended 31 December 2017 (2016 - £730,000,000).

#### KEY PERFORMANCE INDICATORS

The company uses a variety of performance indicators to review historical performance and plan for the future. The key indicators are interest and profit before taxation, as described below.

#### Interest

There was a small increase of 2% in interest receivable in 2017. Interest payable decreased by 52% following an intercompany loan reorganisation.

#### Profit before taxation

Profit before taxation increased by £296,939,000 in 2017, an increase of 140% compared to the prior year. The large increase is due to the release of a provision no longer required, offset by lower dividend income compared with the prior year. The release of the provision was made as part of a loan rationalisation programme (see note 12).

#### FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The company uses a variety of financial instruments including cash, equity instruments and various instruments such as intercompany loans receivable and payable that arise directly from its operations.

The directors are of the view that the main risks arising from the company's financial instruments are exchange rate risk and interest rate risk, as summarised below:

#### Exchange rate risk

Exchange rate fluctuation presents a risk because certain balances are denominated in currencies other than Sterling. The directors do not consider that the potential downside is significant enough to require hedging but continue to monitor the potential risk.

#### Interest rate risk

The company does not have any external borrowings and as such the directors consider the interest rate risk to be minimal at this stage.

#### **STRATEGIC REPORT (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### PRINCIPAL RISKS AND UNCERTAINTIES

The company is faced with similar risks and uncertainties as other companies operating in the recorded music business, broadly:

- competition from alternative entertainment products;
- price pressure from the increased presence of supermarkets in the music market and their threat to the survival of independent music retailers;
- the threat of a devalued product due to piracy and the illegal use of music;
- uncertainty as to whether the growth in the subscription services market can replace the decline in the physical and download market;
- interest rate fluctuations; and
- exchange rate fluctuations.

All risks and uncertainties are regularly monitored by the Board of Directors of the company.

#### **FUTURE DEVELOPMENTS**

Notwithstanding the risks and uncertainties outlined above, the directors do not anticipate any significant change in the activities and results of the company in the foreseeable future.

By order of the board

P Jassal Director

1 8 MAY 2018

#### **DIRECTORS' REPORT**

#### YEAR ENDED 31 DECEMBER 2017

The directors present their report, together with the financial statements and the auditor's report of the company for the year ended 31 December 2017.

They have included the following matters within the strategic report, otherwise required to be disclosed in the directors' report, as they are considered to be of strategic importance to the company.

- · Results and dividends.
- Financial risk management objectives and policies.
- · Principal risks and uncertainties.
- Future developments.

#### **DIRECTORS**

The directors who served the company during the year and subsequently were as follows:

BJ Muir SL Carmel P Jassal A Brown RM Constant

RM Constant resigned as a director on 28 July 2017. A Brown resigned as a director on 31 March 2017.

SL Carmel was appointed as a director on 31 March 2017. P Jassal was appointed as a director on 18 May 2017.

#### DIRECTORS' QUALIFYING THIRD PARTY INDEMNITY PROVISIONS

A qualifying third party indemnity provision remains in force as at the date of approving the directors' report, subject to the provisions of section 236 of the Companies Act 2006. Vivendi SA, headed by Bolloré Group, the ultimate parent undertaking, maintains a Directors & Officers Liability Programme which indemnifies directors' personal liabilities resulting from alleged wrongful acts committed in the line of their employment.

#### POLICY ON THE PAYMENT OF CREDITORS

It is the company's policy that payments to suppliers are made in accordance with those terms and conditions agreed between the company and its suppliers, provided that all trading terms and conditions have been complied with.

#### **DONATIONS**

The company made no charitable or political donations in either year.

#### **DIRECTORS' REPORT (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### **DIRECTORS' RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will
  continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **AUDITOR**

In so far as each of the directors at the date of approving this report is aware:

- there is no relevant audit information of which the company's auditor is unaware; and
- each director has taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

Deloitte LLP were appointed as the company's auditor during the financial period. Pursuant to Section 487 of the Companies Act 2006, they will be deemed to be reappointed and Deloitte LLP will therefore continue in office.

By order of the board

A Abioye

Company Secretary

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EMI GROUP LIMITED YEAR ENDED 31 DECEMBER 2017

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### **Opinion**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of EMI Group Limited (the 'company') which comprise:

- the statement of comprehensive income;
- the statement of financial position;
- the statement of changes in equity; and
- the related notes 1 to 18.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EMI GROUP LIMITED (continued)

#### YEAR ENDED 31 DECEMBER 2017

#### Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in respect of these matters.

#### Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EMI GROUP LIMITED (continued)

#### YEAR ENDED 31 DECEMBER 2017

#### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors report.

#### Matters on which we are required to report by exception

· Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

The notes on pages 12 to 24 form part of these financial statements

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED 31 DECEMBER 2017

#### 1. GENERAL INFORMATION

EMI Group Limited is a private company limited by shares and incorporated in the UK under the Companies Act 2006 and registered in England and Wales. The registered office is 364-366 Kensington High Street, London, W14 8NS.

The principal activities of the company and the nature of its operations are set out in the strategic report on pages 2 to 3.

#### 2. STATEMENT OF COMPLIANCE

The company's financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

#### 3. ACCOUNTING POLICIES

#### Basis of preparation of financial statements

These financial statements have been prepared on a going concern basis, under the historical cost convention, except available for sale investments which are stated at fair value.

The financial statements are prepared in sterling, which is the functional currency of the company, and have been rounded to the nearest £'000.

#### FRS 102 - Qualifying exemptions

The company meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102:

- from preparing a statement of cash flows and related notes;
- from preparing a reconciliation of the number of shares outstanding from the beginning to the end of the financial year;
- from disclosing related party transactions with wholly owned group entities; and
- from certain financial instrument disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instruments.

This information is included in the consolidated financial statements of the company's parent undertaking, Vivendi SA, copies of which can be obtained from 42 Avenue de Friedland, 75380 Paris, Cedex 08, France.

#### Other qualifying exemptions

As the parent undertaking prepares publicly available consolidated financial statements and is incorporated within the European Union the company has taken advantage of the exemption under section 400 of the Companies Act 2006 from preparing consolidated financial statements. As such, these financial statements give information about the company as an individual undertaking and not about its group (see note 17).

#### Going concern

The company's business activities, together with the factors likely to affect future developments, its financial exposures and its risk exposures are described in the strategic report.

After making enquiries, the directors have a reasonable expectation that the company has adequate resources available to it to continue in operational existence for the foreseeable future (i.e. for at least 12 months from the date when the financial statements are authorised for issue). Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

### NOTES TO THE FINANCIAL STATEMENTS (continued)

#### YEAR ENDED 31 DECEMBER 2017

#### 3. ACCOUNTING POLICIES (continued)

#### Fair value measurement

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

#### Investments

Investments in non-convertible preference shares and non-puttable ordinary or preference shares, where shares are publicly traded or their fair value is reliably measurable, are measured at fair value through profit or loss. Where fair value cannot be measured reliably, investments are measured at cost less impairment.

#### Investments in subsidiaries and associates

Investments in subsidiaries and associates are carried at cost less impairment.

#### **Equity instruments**

Equity instruments issued by the company are recorded at the fair value of cash or other resources received or receivable, net of direct issue costs.

#### Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Debt instruments which meet the following conditions of being 'basic' financial instruments as defined in paragraph 11.9 of FRS 102 are subsequently measured at amortised cost using the effective interest method.

Debt instruments that have no stated interest rate (and do not constitute financing transaction) and are classified as payable or receivable within one year are initially measured at an undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

Other debt instruments not meeting conditions of being 'basic' financial instruments are measured at fair value through profit or loss.

#### **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### 3. ACCOUNTING POLICIES (continued)

#### Financial instruments

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

#### Impairment (excluding and deferred tax assets)

#### Impairment of assets

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

#### Non-financial assets

An asset is impaired where there is objective evidence that, as a result of one or more events that occurred after initial recognition, the estimated recoverable value of the asset has been reduced. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Where indicators exist for a decrease in impairment loss previously recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

#### Financial assets

For financial assets carried at amortised cost, the amount of an impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

### **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### 3. ACCOUNTING POLICIES (continued)

#### Interest receivable and Interest payable

Interest payable and similar charges include interest payable, finance charges, unwinding of the discount on provisions, and net foreign exchange losses that are recognised through profit or loss in the statement of comprehensive income.

Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable are recognised in profit or loss as they accrue. Foreign currency gains and losses are reported on a net basis.

#### Dividend income

Dividend income is recognised in the statement of comprehensive income on the date the company's right to receive payments is established.

#### **Taxation**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised through profit or loss in the statement of comprehensive income except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the statement of financial position date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investments in subsidiaries, associated and joint ventures to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the statement of financial position date. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to extent that is it probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### Foreign currencies

Transactions in foreign currencies are translated to the company's functional currency at the foreign exchange rate ruling at the date of transaction. Monetary assets and liabilities denominated in foreign currencies at the statement of financial position date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised through profit or loss in the statement of comprehensive income except for differences arising on the retranslation of qualifying cash flow hedges and items which are fair valued with changes taken to other comprehensive income.

#### **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### 3. ACCOUNTING POLICIES (continued)

#### Critical accounting judgements and key sources of estimation uncertainty

The directors may make judgements in the application of the accounting policies above that have a significant impact on the amounts recognised, and may make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### Critical judgements in applying the Company's accounting policies

The directors have concluded there are no critical judgements to disclose.

#### Key source of estimation uncertainty

The directors have concluded there are no key sources of estimation uncertainty to disclose.

#### 4. OPERATING LOSS

#### Operating loss is stated after charging:

|  | 2017<br>£'000 | 2016<br>£'000 |
|--|---------------|---------------|
| Depreciation of owned fixed assets       | 48            | 48            |
| Auditor's remuneration                   | 65            | -             |
| Net loss on foreign currency translation | 2,338         | 7,325         |
|  | <del></del>   |               |

#### 5. OTHER INCOME

|                              | 2017<br>£'000                          | 2016<br>£'000 |
|------------------------------|--|---------------|

#### **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### 6. AUDITOR'S REMUNERATION

The auditor's remuneration for the year ended 31 December 2017 was £10,000 (2016 - £12,000) and was borne by another group company in 2016.

#### 7. PARTICULARS OF EMPLOYEES

The company had no employees during the year ended 31 December 2017 (2016 - none).

Emoluments for the directors of the company are paid for by a fellow group company. The fellow group company has not recharged any amount to the company (2016: nil) on the basis that they are unable to make a reasonable apportionment of the portion of these total emoluments that relate to qualifying services provided by directors of the company.

#### 8. INCOME FROM PARTICIPATING INTERESTS

#### **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### 11. TAX ON PROFIT (continued)

#### (b) Factors affecting tax charge

The tax assessed on the profit for the year is lower than the standard rate of corporation tax in the UK of 19.25% (2016 - 20.00%).

Under the Finance (No.2) Act 2015, the main rate of corporation tax was reduced from 20% to 19% effective from 1 April 2017. A further reduction to 17% from 1 April 2020 will apply by virtue of the Finance Act 2016 s46 which was enacted on 15 September 2016. Deferred tax assets and liabilities are measured at the rate that is expected to apply to the accounting period when the asset is realised or the liability is settled, based on the above rates.

|  | 2017     | 2016        |
|--|----------|-------------|
|  | £'000    | £'000       |
| Profit before taxation   | 509,219  | 212,280     |
| Profit at the standard rate of UK Corporation tax of 19.25% (2016: 20.00%) | 98,025   | 42,456      |
| Non-taxable income   | (91,504) | (40,348)    |
| Movement in timing differences (no deferred tax provided)                  | (822)    | (851)       |
| Tax deducted at source   | 4,055    | -           |
| Current tax charge for the financial year                                  | 9,754    | 1,257       |
|  |          | <del></del> |

#### (c) Factors that may affect future tax charges

The company has total unutilised tax losses carried forward estimated at £140,569,128 (2016 - £140,569,128), which may reduce future tax charges. No deferred tax asset has been recognised in respect of these losses due to uncertainty as to their future recoverability.

|                          |                   |                 |                   |                |                |

The movement in the year within loans to group companies relates to loans repaid as part of a loan rationalisation programme and subsequent release of the provision for impairment. The movement within available for sale investments relates to foreign currency revaluation of Tencent Music Entertainment Group ("TME") [previously known as China Music Corporation] shares, and share warrants in Blogmusik.

The fair value of TME shares was determined by reference to the most recent transaction of TME shares in 2016. Subsequently, the company was not able to reliably measure the fair value and thus accounted for these investments at cost.

The fair value of the share warrants in Blogmusik was determined using the Black Scholes model, having taken the following key assumptions:

- implied share price based on most recent observable transactions;
- risk free interest rate based on French government 5 year bonds; and
- volatility of 100%.

#### Subsidiary and related undertakings

Details of the company's subsidiary and related undertakings are listed in note 18.

## **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### YEAR ENDED 31 DECEMBER 2017

#### 13. DEBTORS: Amounts due within one year

|                                    | 2017<br>£'000 | 2016<br>£'000 |
|------------------------------------|---------------|---------------|
| Amounts owed by group undertakings | 1,521,613     | 1,252,476     |
|                                    | 1,521,613     | 1,252,476     |

All amounts owed from fellow group undertakings are classified as current as they are repayable on demand. Interest rates on intercompany loans have been agreed between parties on a loan by loan basis.

#### 14. CREDITORS: Amounts falling due within one year

|  | 2017<br>£'000     | 2016<br>£'000  |
|--|-------------------|----------------|
| Amounts owed to group undertakings Other creditors | <b>40,167</b> 777 | 530,608<br>750 |
|  | 40,944            | 531,358        |

All amounts owed to fellow group undertakings are classified as current as they are repayable on demand. Interest rates on intercompany loans have been agreed between parties on a loan by loan basis.

#### 16. RESERVES

Share premium: The reserve records the amount above the nominal value received for shares sold, less transaction costs.

Capital redemption reserve: The capital redemption reserve represents a historical reduction in distributable reserves for the amount paid to redeem preference B shares as part of a share capital reorganisation.

Other reserves: Other reserves of the company contain a special reserve which reflects the share premium account reduction of July 1988.

AFS reserve: Includes amounts on revaluation of investments classified as available for sale.

#### 17. ULTIMATE PARENT COMPANY

The immediate parent undertaking is EMI Group (Newco) Limited. The ultimate parent undertaking and controlling party is Bolloré Group.

The smallest group in which the results of the company are consolidated is that headed by Vivendi SA, a company incorporated in France. Copies of its annual report in English may be obtained from:

42 avenue de Friedland 75380 Paris Cedex 08 France

The largest group in which the results of the company are consolidated is that headed by Bolloré Group, a company incorporated in France. Copies of its annual report in English may be obtained from:

Tour Bolloré 31-32 quai de Dion Bouton 92 811 Puteaux France
