STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company as at the end of the financial year and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

REPORT OF THE INDEPENDENT AUDITORS, KPMG AUDIT PLC, TO THE MEMBERS OF CABLE AND WIRELESS (INVESTMENTS) LIMITED

We have audited the financial statements on pages 6 to 12.

This report is made solely to the Company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members that those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditors

The Directors are responsible for preparing the Directors' report and, as described on page 4, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions with the Company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 31 March 2005 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE ACCOUNTS

Year ended 31 March 2005

1. ACCOUNTING POLICIES

Basis of preparation

The financial statements are prepared in accordance with applicable accounting standards and on the historical cost basis.

The financial statements have been prepared on a going concern basis, notwithstanding net current liabilities of £2,167,953,000. The Directors have reviewed the financial position of the Company, including the arrangements with group undertakings, and believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the going concern basis of preparation being inappropriate.

The Company has taken advantage of the exemption to prepare consolidated financial statements under Section 228 of the Companies Act 1985, on the grounds that it is a wholly-owned subsidiary undertaking of Cable and Wireless plc, a company registered within the European Union. These financial statements present information about the Company as an individual undertaking and not about its group.

Investments

Fixed asset investments are stated at cost less amounts written off in respect of any impairment. Current asset investments are stated at the lower of cost and net realisable value.

Tax

The charge for tax is based on the result for the year and takes into account tax deferred due to timing differences between the treatment of certain items for tax and accounting purposes.

Deferred tax assets are recognised to the extent that they are regarded as recoverable. Deferred tax assets are regarded as recoverable to the extent that on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Except where otherwise required by accounting standards, full provision without discounting is made for all timing differences which have arisen but not reversed at the balance sheet date.

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction, or, where exchange rates do not fluctuate significantly, an average rate for the period is used as an approximation. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

2. INFORMATION REGARDING DIRECTORS , EMPLOYEES AND AUDITORS

The Company had no employees during the year (2004 - nil). The Directors did not receive any emoluments from the Company (2004 - £ nil). The auditors' remuneration for the year and previous year was borne by the parent company.
