# 1. Progress of the liquidation

#### Introduction

Further to the appointment of the Joint Liquidators on 30 March 2015, we report on the progress of the liquidation for the period 30 March 2016 to 29 March 2017 ("the Period") in accordance with Section 104A of the Insolvency Act 1986 and the Insolvency Rules 2016.

As previously reported, the Joint Liquidators' appointment followed the removal of David Costley-Wood, Brian Green and Mark Firmin of KPMG LLP ("the Former Liquidators"), pursuant to a Court order made on the same day.

## Work undertaken during the Period

At the date of our appointment, the Company had no physical assets and, therefore, no realisations have been made to date, aside from a rates refund of £296.34 and cash at bank of £1,072,158.48 recovered from the Former Liquidators as outlined in our previous report dated 18 May 2016. Creditors are referred to the Former Liquidators' reports in this liquidation, as well as the directors' statement of affairs dated 7 May 2011.

During the Period and since our appointment, we have continued to progress a number of enquiries in relation to concerns raised by a major creditor relating to the circumstances of the Company's failure.

Our enquiries in respect of the Company's losses and demise are ongoing and, due to their sensitive nature, it would not be appropriate to release further details in relation to this issue at this stage.

In addition, and as previously reported, a European Commission decision in 2014 ruled that four main producers of polyurethane foam had participated in a cartel ("the Cartel"), co-ordinating the pricing of foam in 10 EU member states. One of the Cartel members was a supplier ("the Supplier") of the Company and, further to our investigations, it was established that the Company has a claim against the Supplier

A.B.F. Limited (In Liquidation)
The Joint Liquidators' Progress Report

in respect of overpayments and resultant compensation and interest. Consequently, a claim was issued against the Supplier on 20 June 2016 in respect of damages for overcharges as a result of the Cartel activities.

Given the legal and commercial sensitivity surrounding this claim, it would not be appropriate to disclose any further information in respect of this matter at present. However, we will continue to keep creditors updated of any material developments in this regard.

During the Period, the Company received a number of personal injury claims from historic employees. We are continuing to deal with the Company's insurers in respect of these claims.

Part of our duties includes carrying out proportionate investigations into what assets the Company has, including any potential claims against the directors or other parties, and what recoveries could be made. We have reviewed the Company's books and records and accounting information, analysed the information from the directors, and invited creditors to provide information on any concerns they have concerning the way in which the Company's business has been conducted.

As previously advised, a report on the conduct of the directors to the Department for Business, Innovation & Skills was submitted by the Former Liquidators and no further report was required.

Should any creditor hold information about the assets, affairs and dealings of the Company, which they feel may assist our investigations, please provide this to us as soon as possible.

#### Assets

- To continue investigations into the Company's business, dealings and affairs for the purposes of identifying any assets, if any, which may be realised for the benefit of the estate.
- To continue to progress the claim against the Cartel (as outlined above).

## Statutory compliance and reporting

# 1. Progress of the liquidation

#### Investigations

- Continue to investigate certain matters in respect of the circumstances that led to the Company's failure and demise with a view to achieving a return to the liquidation estate.
- Continue with relevant work required in relation to the claim against the Cartel.

## Receipts and payments account

Attached, at **Appendix B**, is a receipts and payments account detailing both transactions for the Period and also cumulatively since our appointment as Joint Liquidators. You will note that the only receipt in the Period is total gross bank interest of £1,263.08.

As confirmed above, we are continuing to investigate certain matters in respect of the circumstances that led to the Company's failure and demise with a view to achieving a return to the liquidation estate.

# 2. Estimated outcome for the creditors

## Outcome for secured creditors

As previously reported, at the date of the Joint Administrators appointment, Grace Bay Holdings II SaRL ("Grace Bay") was owed approximately £12,700,000 by the Company. This was secured by a debenture conferring a fixed and floating charge over the Company's assets dated 12 February 2011, as well as cross guarantees from various group companies.

As part of the sale of the Company's business, Grace Bay's debt was novated to HIG Snooze Newco Limited, the purchaser of the Company's business and assets ("the Purchaser"), and was therefore effectively paid in full.

#### **Preferential Creditors**

As previously reported by the Former Liquidators, as all employees were transferred to the Purchaser, there have been no preferential claims in the proceedings.

#### **Unsecured creditors**

Claims totalling £70,710,507 have been received from 406 unsecured creditors who have submitted their debts in the proceedings. A total of 259 creditors have yet to submit their claims.

As previously reported, a first dividend of 5p in the £ was declared on 28 March 2012 and the total amount of £5,235,388 was distributed on agreed claims totalling £69,992,224. A second dividend of £12.16p in the £ was declared to unsecured creditors on 7 May 2014 and the total amount of £6,421,304 was distributed to creditors on agreed claims of £69,992,224.

On current information, it is anticipated that a further dividend may be paid to unsecured creditors. However, the timing and quantum of any further interim or

final dividend are uncertain at present. We will, of course, keep creditors updated as matters progress and provide notice of any further dividends in line with statutory requirements.

Those creditors who have not already submitted a statement of a claim form are requested to send details of their claim to us.

#### The Prescribed Part

In accordance with the Enterprise Act 2002, the prescribed part is an element of net realisations due to a floating charge holder which is made available for unsecured creditors (subject to the floating charge post-dating 15 September 2003).

As previously reported, the floating charge creditor in question, Grace Bay, has been repaid in full by the Former Administrators and Liquidators. Accordingly, the prescribed part provisions no longer apply in this instance and all further net realisations are available for distribution to unsecured creditors.

# Joint Liquidators' remuneration, disbursements and expenses

## Joint Liquidators' remuneration

Turning to our own costs in this matter, our remuneration as Joint Liquidators is based on computerised records of all time spent on the administration of this case. Matters dealt with during the assignment are dealt with by different members of staff depending on the level of complexity and experience required. Time is charged to the case in maximum of 6 minute units. Charge-out rates are based on individual expertise, qualification and grade. The costs of the firm's support staff are not directly charge-out rates are unless dealing with directly identifiable case specific matters. Charge-out rates are reviewed at least annually, details of FRP Advisory charge-out rates, together with a breakdown of the time costs and disbursements incurred during the Period of this report and cumulatively, in accordance with Statement of Insolvency Practice 9, are attached at **Appendix C**.

At the creditors' meeting held on 15 May 2015, we were authorised to draw fees on a time cost basis. We have drawn fees of £100,000 plus VAT during the Period.

## Joint Liquidators' disbursements

The Joint Liquidator's disbursements are a recharge of actual costs incurred by the Joint Liquidator in dealing with this matter. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the Period are set out in **Appendix C**.

### Expenses of the liquidation

Attached, at **Appendix D**, is a statement of expenses that have been incurred during the Period.

Creditors have a right to request further information from the Liquidator and further have a right to challenge the Liquidator's remuneration and other expenses, which are first disclosed in this report, under the Insolvency Rules. (For ease of reference these are the expenses incurred in the Period as set out in **Appendix D** only).
