Report of the Directors to be laid before the Annual General Meeting of the Shareholders to be held on 8th March 1977.

The Directors present their Annual Report and Accounts for the year ended 31st December 1976.

It will be recalled that when commenting upon the results in their 1975 Report your Board regarded the short-term future as being satisfactory. Events have justified this forecast and the group profit before tax amounted to £380,269 for 1976 which is marginally less than 1975 when the figure was £390,997. Comparison with last year is, however, more satisfactory when it is remembered that the 1975 result included a claim of nearly £100,000.

In the North East the success of 1975 continued through into 1976 and three contracts completed during the year made outstanding contributions to the results. The difficulties encountered in the North West in 1975 were again in evidence during the year under review but the successful completion of an exceptionally profitable contract enabled the area to record an improvement over last year.

The parlous state of the construction industry within the United Kingdom can hardly be overstated. The country's economic position in general, and the down-turn in the public sector in particular, contrive to present a particularly gloomy future. The Board are however actively taking such steps as are possible to reduce the adverse effects of the present recession in the industry. It is hoped that the results for the current year will not be unsatisfactory but the picture for 1978 and beyond is one of anxious uncertainty.

By an agreement of the 1st January 1976, Stevin Groep N.V. of Holland and Harbour and General Works (Stevin) Limited (being a subsidiary of Stevin Construction (U.K.) Limited) have an interest in the ANDOC Joint Venture (Anglo-Dutch Offshore Concrete).

Parties to this joint venture intend to obtain orders to construct concrete platforms for oil and gas extraction at sea.

In relation to work performed within the United Kingdom (including the territorial waters of the United Kingdom and waters in any designated area within the meaning of the Continental Shelf Act 1964) Stevin Groep N.V. shall be deemed to be acting as agent for Harbour and General Works (Stevin) Limited.

Performance by Harbour and General Works (Stevin) Limited is guaranteed by Stevin Groep N.V., being the ultimate parent company.

(b) Stocks and work in progress

Stocks are valued at the lower of cost and net realisable value on bases consistent with those adopted in provious years. Work in progress is valued at cost and includes an allocation of overheads less amounts received or receivable at the accounting date. Provision has been made for estimated losses to completion. Profits on long-term contracts are only taken when the final result can be assessed with reasonable certainty.

(c) Depreciation

Depreciation is provided at various rates to write off the cost of fixed assets in equal annual amounts over their anticipated useful lives. No depreciation is provided in respect of freehold land.

(d) Investment and development grants

Grants are treated as reducing the cost of the relevant fixed asset by the amount of the grant and depreciation is calculated on the net cost.

(e) Turnovor

Turnover represents the amount invoiced for work done and services rendered during the year.

(f) Deferred taxation

Deferred taxation represents tax at 52% to take account of stock appreciation relief and timing differences between the treatment of certain items for accounts purposes and their treatment for corporation tax purposes.

2. Turnover

The company's turnover includes inter-group sales of $\Omega_{2,297}$ (1975 $\Omega_{2,146}$).

3. Trading profit

REPORT OF THE AUDITORS TO THE MEMBERS OF STEVIN CONSTRUCTION (U.K.) LIMITED

We have examined the accounts set out on pages 4 - 11 which have been prepared under the historical cost convention.

In our opinion the accounts under this accounting convention together give, so far as concerns members of the holding company, a true and fair view of the state of affairs at 31st December 1976 and of the profit and the source and application of funds for the year ended on that date and comply with the Companies Acts 1948 and 1967.
