Directors' Report for the year ended 31st December 2006

Statement of Directors' responsibilities

Company law requires the Directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the profit or loss for that year

In preparing the financial statements the Directors are required to

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements

The Directors confirm that they have complied with the above requirements in preparing the financial statements

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

As far as the Directors are aware, there is no relevant audit information of which the Company's auditors are unaware, and the Directors have taken all the steps that ought to have been taken to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the accounts

Auditors

Elective resolutions to dispense with holding Annual General Meetings, the laying of accounts before the Company in general meetings and the appointment of Auditors annually are currently in force. The Auditors, PricewaterhouseCoopers LLP, will therefore be deemed to have been reappointed at the end of the period of 28 days beginning with the day on which copies of this Report and Accounts are sent to members unless a resolution is passed under Section 393 of the Companies Act to the effect that their reappointment be brought to an end
