Nelsons of Aintree Limited

Directors' report

The directors present their annual report and the audited financial statements for the 52 week period ended 14 September 1996.

Principal activity

The principal activity is the holding of shares in companies in the food industry and in investment companies.

Business review and future developments

During the period the main activity of the company remained unchanged and the directors anticipate that any future developments would be related to this activity.

As disclosed in note 6, the company transferred certain investments during the period to another group company at net book value.

Trading results, dividends and transfer to reserves

The profit and loss account for the period is set out on page 5. Profit on ordinary activities after taxation amounted to £563,969 (1995: £1,065,189) which has been transferred to reserves. The directors do not recommend the payment of a dividend (1995: £Nil).

Fixed assets

Changes in fixed asset investments are shown in note 6.

Directors and directors' interests

The directors who held office during the period were as follows:

PE Patchett
P Telford

Notification of an interest in, or right to subscribe for, the shares in this company and shares in or debentures of other group companies by the directors is not required because at the end of the period they were also directors of a company of which this company is a wholly owned subsidiary undertaking.

No director had at any time during the period any material interest in a contract with the company, other than service contracts.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985.

They safeguard the assets of the company and have general responsibility for taking such steps as are reasonably open to them to prevent and detect fraud and other irregularities.

Auditors' report to the members of Nelsons of Aintree Limited

We have audited the financial statements on pages 5 to 9.

Respective responsibilities of directors and auditors

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 14 September 1996 and of its profit for the 52 week period then ended and have been properly prepared in accordance with the Companies Act 1985.
