

**Federal-Mogul Camshafts Limited (In Administration)**

**Company Number 306023**

**Directors' Report for the Year Ended 31st December 2000**

**Administration**

On 1 October 2001, the Company's ultimate parent undertaking, Federal-Mogul Corporation and its subsidiaries in the United States voluntarily filed for financial restructuring under Chapter 11 of the US Bankruptcy Code. In addition, the majority of Federal-Mogul subsidiaries in the United Kingdom, including the Company, filed jointly for Chapter 11 and Administration under the UK Insolvency Act 1986. The affairs, business and property of the Company are being managed by Kroll Buchler Phillips, the administrators.

**Activities**

The principal activity of the Company is in the field of precision engineering and involves the manufacture of components for truck, tractor, automobile, marine and stationary engines, as agent for T&N Limited. It has interest income and expense on loans to and from other group companies and has also incurred a loss on the restatement of an overseas deposit account of £26 (1999: £nil). The directors do not recommend a dividend (1999: £nil).

**Directors**

The following served as Directors during (and, unless otherwise indicated, throughout) the year:-

T Jayes, appointed 1/12/2000  
M Lee, resigned 7/3/2000

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- \* select suitable accounting policies and then apply them consistently;
- \* state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- \* make judgements and estimates that are reasonable and prudent;
- \* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FEDERAL-MOGUL CAMSHAFTS LIMITED  
(IN ADMINISTRATION)

We have audited the Company's financial statements for the year ended 31 December 2000 which comprise Profit and Loss Account, Balance Sheet and the related notes 1 to 13. These financial statements have been prepared on the basis of the accounting policies set out therein.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the Company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the Company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Fundamental uncertainty

In forming our opinion we have considered the adequacy of the disclosures made in note 1 to the financial statements regarding the filing by the Company for financial restructuring under Chapter 11 of the U.S Bankruptcy Code and for Administration under the U.K. Insolvency Act of 1986. The financial statements are prepared on the going concern basis, the validity of which depends on the outcome of these proceedings. In view of the significance of this uncertainty we consider that it should be drawn to your attention but our opinion is not qualified in this respect.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FEDERAL-MOGUL CAMSHAFTS LIMITED  
(IN ADMINISTRATION) (CONTINUED)

Adverse opinion

Included in the balance sheet is an amount of £1,002 due from Federal-Mogul group companies which are the subject of an Administration Order under the Insolvency Act 1986 and/or a filing under Chapter 11 of the US Bankruptcy Code. The Company has no security for this debt. In our opinion the Company is unlikely to receive full payment and a provision of up to £1,002 should have been made, reducing profit before tax and net assets by up to that amount.

Also included in the balance sheet is an amount of £8,747,217 representing the Company's investment in Federal-Mogul group companies which are the subject of an Administration Order under the Insolvency Act 1986 and/or a filing under Chapter 11 of the Bankruptcy Code. In our opinion the Company is unlikely to realise full value from these investments and a provision of up to £8,747,217 should have been made, reducing profit before tax and net assets by up to that amount.

In view of the effect of the absence of these provisions, in our opinion the financial statements do not give a true and fair view of the state of the Company's affairs as at 31 December 2000 and of its loss for the year then ended. In all other respects, in our opinion, the financial statements have been properly prepared in accordance with the Companies Act 1985.

NOTES FORMING PART OF THE ACCOUNTS

1. ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements have been prepared in accordance with applicable Accounting Standards and under the historical cost convention.

(b) Fundamental Uncertainty

On 1 October 2001, the Company's ultimate parent undertaking, Federal-Mogul Corporation and its subsidiaries in the United States voluntarily filed for financial restructuring under Chapter 11 of the US Bankruptcy Code. In addition, the majority of Federal-Mogul subsidiaries in the United Kingdom, including the Company, filed jointly for Chapter 11 and Administration under the UK Insolvency Act 1986.

The financial statements have been prepared on the going concern basis, which assumes that the Company will continue inoperational existence for the foreseeable future. The validity of this assumption depends on the outcome of the above proceedings. The directors of Federal-Mogul Corporation have stated that the actions are intended to preserve the companies' businesses and allow a reorganisation of their assets while protecting them from actions by creditors and asbestos claimants. It is likely that the final outcome will not be known for some considerable time. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis.

The financial statements do not include any adjustments that would result if the outcome of the proceedings was that the Company was unable to continue as a going concern. The directors do not consider it possible to determine the effects on the financial statements with reasonable accuracy, but adjustments would have to be made to reduce the value of assets to their realisable amount, to provide for any further liabilities which might arise and to reclassify any fixed assets as current assets.

(c) Cash Flow Statement

Under Financial Reporting Standard 1 (Revised 1996), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking of Federal-Mogul Corporation, a company which has prepared a consolidated cash flow statement.

(d) Foreign currencies

Transactions in foreign currency are recorded at the rate ruling at the date of transaction. Any assets or liabilities denominated in foreign currency are retranslated at the year end rate. Exchange differences on transactions in foreign currencies are included in the profit and loss account.

(e) Group Financial statements

The Company is exempt under S228 of the Companies Act 1985 from preparing group financial statements as it is an intermediate holding company. Its ultimate UK parent company is Federal-Mogul Global Growth Limited which is registered in England and Wales. These financial statements present information about Federal-Mogul Camshafts Limited as an individual undertaking and not about its group.

(f) Deferred Taxation

Deferred taxation is recognised in the Company's financial statements to the extent it is probable that it will be payable in the foreseeable future.

2. DIRECTORS

The directors have not received any remuneration for services to the Company during the year (1999: £nil).

3. EMPLOYEES

The average number of persons employed by the Company during the year was 168 (1999: 195). All costs relating to these employees are paid directly by T&N Limited, on whose behalf they are employed.
