Directors' responsibilities statement

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards), including FRS 101 "Reduced Disclosure Framework" ("FRS 101") and applicable law. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether Financial Reporting Standard 101 Reduced Disclosure Framework has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

Castle Acres Development Limited

Directors' report for the 52 weeks ended 3 October 2020 (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 100 'Application of Financial Reporting Requirements' and Financial Reporting Standard 101 "Reduced Disclosure Framework" which have both been applied early. The principal accounting policies adopted in the preparation of the financial statements are set out below. The policies have been consistently applied to all the years presented, unless otherwise stated.

The financial statements have been prepared under the historical cost convention and in accordance with FRS101 "Reduced Disclosure Framework".

In preparing these financial statements the company has taken advantage of all disclosure exemptions conferred by FRS 101. In addition, and in accordance with FRS 101 further disclosure exemptions have been adopted because equivalent disclosures are included in the consolidated financial statements of Shoe Zone plc. The financial statements of Shoe Zone plc can be obtained as described in note 11.

Financial assets

The company classified its financial assets into the categories, discussed below, due to the purpose for which the asset was acquired. The company has not classified any of its financial assets as held to maturity.

Loans and receivables

Loans and receivable assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods to customers (e.g. trade receivables), but also incorporate other types of contractual monetary asset. They are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition or issue, and are subsequently carried at amortised cost using the effective interest rate method, less provision for impairment.

The company's loans and receivables comprise trade and other receivables and cash and cash equivalents included within the balance sheet.

Impairment provisions are recognised when there is objective evidence (such as significant financial difficulties on the part of the counterparty or default or significant delay in payment) that the company will be unable to collect all of the amounts due under the terms receivable, the amount of such a provision being the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable. For trade receivables, which are reported net, such provisions are recorded in a separate allowance account with the loss being recognised within administrative expenses in the profit and loss account. On confirmation that the trade receivable will not be collectable, the gross carrying value of the asset is written off against the associated provision.

1 Accounting policies (continued)

Cash flow statement and related party disclosures

The company is a wholly owned subsidiary of Shoe Zone plc and is included in the consolidated financial statements of Shoe Zone plc, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS 101. The company is also exempt under the terms of FRS 101 from disclosing related party transactions with wholly owned entities of the Shoe Zone plc Group.

Consolidated financial statements

Under the provision of Section 400 of the Companies Act 2006 the company is exempt from preparing consolidated financial statements as it is a wholly owned subsidiary of Shoe Zone plc which prepares consolidated financial statements. Therefore the financial statements show information about the company as an individual entity only.

2 Operating loss

The audit fees are paid by Shoe Zone Retail Limited, a subsidiary of Shoe Zone plc. Property rental income receivable in the current and prior period from group companies has been waived.

3 Employees

The only employees of the company are the directors. During the year, no director received any emoluments (52 weeks ended 5 October 2019 - £nil) from this company. The directors receive emoluments from Shoe Zone Retail Limited for their services to all group companies. It is not considered practical or possible to accurately apportion these costs to each entity in the group. Given the relative size of the respective group entities the effect of not apportioning these costs for disclosure purposes is not considered to be material.

8 Deferred tax

No deferred tax asset has been recognised in the accounts. The company had capital losses of £4,424,000 at 3 October 2020 (5 October 2019: £4,424,000). These can be used to offset future capital gains made by the Company and other companies within the Group that is ultimately controlled by Shoe Zone plc. There is an unrecognised deferred tax asset of £885,000 (5 October 2019: £885,000) in respect of these capital losses on the grounds that there is insufficient evidence that the asset will be recoverable.

10 Commitments under operating leases

The company holds the legal title to certain property leases, however, these interests are in respect of properties which are traded by other group companies. As such the beneficial ownership of these is now reflected in the financial statements of those companies.

11 Parent company and ultimate parent undertaking

The ultimate parent undertaking and controlling party is Shoe Zone plc, which is the parent undertaking of the smallest and largest group to consolidate these financial statements. Copies of Shoe Zone plc consolidated financial statements can be obtained from www.shoezone.com within the investors, financial information section.
