The declaration of solvency for Seton House Birmingham, sworn by the directors prior to the commencement of the liquidation, showed the Company's sole asset was an inter-company debtor amount of £11 due from its shareholder, Seton House International Services Limited. The declaration of solvency should have shown an inter-company debtor balance of £1 as the £10 balance was transferred prior to the funds being passed to the liquidator.

The Company had no known creditors. A notice to creditors to prove their claims in the liquidation was advertised in The London Gazette and The Times newspapers on 06 February 2015. No creditors were forthcoming as a result of this advertisement.

Searches of the Index of Proprietors Names at HM Land Registry in the name of the Company proved negative.

Tax

Following their appointment, the joint liquidators sought and received confirmation from HM Revenue and Customs ("HMRC") that the Company had no outstanding corporation tax returns or liabilities, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the liquidators calling a final meeting of members to conclude the liquidation.

A similar assurance was sought and received from HMRC in respect of PAYE and VAT matters.

Distributions

On 04 March 2015 a first and final distribution was declared to the shareholder, Seton House International Services Limited, of £1 per Ordinary share giving a total of £1 on the beneficial shareholding of 1 Ordinary share. The distribution was effected by way of set off against the inter-company debt due from Seton House International Services Limited.

Joint liquidators' remuneration and expenses

A written resolution was passed on 04 February 2015 that the remuneration of the joint liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company.

In the event, the liquidators' remuneration has been paid by PAIG Investments Limited and accordingly no detailed analysis is included in this report
