## **COATS INDUSTRIAL THREAD LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COATS INDUSTRIAL THREAD LIMITED**

#### **Report on the audit of the financial statements**

#### **Opinion**

In our opinion the financial statements of Coats Industrial Thread Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the profit and loss account;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 16.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

## **COATS INDUSTRIAL THREAD LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COATS INDUSTRIAL THREAD LIMITED (Continued)**

#### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report and the directors' report.

### **NOTES TO THE ACCOUNTS YEAR ENDED 31 DECEMBER 2018**

#### **1. STATEMENT OF ACCOUNTING POLICIES**

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding year.

##### **General Information and Basis of Accounting**

Coats Industrial Thread Limited is a private company limited by shares, incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The address of the registered office is given on page 5. The nature of the Company's operations and its principal activities are set out in the strategic report on page 1.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of Coats Industrial Thread Limited is considered to be US Dollars because that is the currency of the primary economic environment in which the Company operates.

Coats Industrial Thread Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. Coats Industrial Thread Limited is consolidated in the financial statements of its ultimate parent, Coats Group plc, which are available from its registered office. The address of the registered office of Coats Group plc is set out in note 16. Disclosure exemptions have been taken in these separate Company financial statements in relation to financial instruments, the presentation of a cash flow statement and remuneration of key management personnel.

## **COATS INDUSTRIAL THREAD LIMITED**

### **NOTES TO THE ACCOUNTS (Continued) YEAR ENDED 31 DECEMBER 2018**

#### **1. STATEMENT OF ACCOUNTING POLICIES (continued)**

##### **Going Concern Basis**

The Directors have made enquiries into the adequacy of both the Company and Coats Group plc's financial resources, through a review of the current financial projections and the financing facilities available.

The Company's and Coats Group plc's forecasts and projections take account of reasonably possible changes in trading performance. Giving due consideration to the financial resources available to the Company and Coats Group plc, the Directors believe it is appropriate to continue to adopt the going concern basis in preparing the financial statements.

##### **Foreign Currencies**

The Directors consider US dollars (\$) to be the company's functional currency. Accordingly, these financial statements are presented in \$. At 31 December 2018, the closing exchange rate to sterling was \$1/0.78 (2017: \$1/£0.74) and the average exchange rate to sterling for the year ended 31 December 2018 was \$0.75 (2017: \$1/£0.78).

Transactions denominated in foreign currencies are translated into US dollars at the rates of exchange ruling at the date of the transaction. Assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the rate of exchange ruling at the balance sheet date. Exchange gains or losses are included in the profit and loss account.

##### **Taxation**

Current tax is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is recognised on a full provision basis on timing differences that result in an obligation at the balance sheet date to pay more tax or a right to pay less tax at a future date, at rates expected to apply when they crystallise based on current tax rates and law, and is not discounted.

**COATS INDUSTRIAL THREAD LIMITED**

**NOTES TO THE ACCOUNTS (Continued)  
YEAR ENDED 31 DECEMBER 2018**

**1. STATEMENT OF ACCOUNTING POLICIES (continued)**

**Turnover**

Turnover relates to royalties and licensing income, and is credited to the profit and loss account in the year to which it relates.

**Financial instruments**

*(i) Financial assets and liabilities*

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

All financial assets and liabilities are initially measured at transaction price (including transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the balance sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

**NOTES TO THE ACCOUNTS (Continued)**  
**YEAR ENDED 31 DECEMBER 2018**

**1. STATEMENT OF ACCOUNTING POLICIES (continued)**

*(ii) Investments*

Investments in subsidiaries are measured at cost less impairment. Investments are reviewed for impairment whenever events or changes in circumstances indicate the carrying amount may not be recoverable. An impairment charge is recognised for the amount by which the investment carrying amount exceeds its recoverable amount. The recoverable amount is the higher of its fair value less costs to sell and its value in use. In assessing value in use, estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessments of the time value of money.

*(iii) Interest*

Interest is charged/credited to the profit and loss account on an accruals basis.

**Intangible Assets**

Acquired brands are stated at cost less accumulated amortisation. Amortisation is provided within the admin expense line in the profit and loss account, to write off the asset by equal instalments over the expected period that benefit is derived from the asset which in the case of acquired brands is assumed to be no more than 10 years. Intangible assets are reviewed for impairment whenever events or changes in circumstances indicate the carrying amount may not be recoverable. An impairment charge is recognised for the amount by which the intangible assets carrying amount exceeds its recoverable amount. The recoverable amount is the higher of its fair value less costs to sell and its value in use. In assessing value in use, estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessments of the time value of money.

**Group accounts**

Under the provisions of Section 400 of the Companies Act 2006 the company is exempt from the obligation to prepare and deliver group financial statements as it is included in the consolidated financial statements of Coats Group plc. Accordingly, these financial statements present information about the company as an individual entity and not as a group.

**COATS INDUSTRIAL THREAD LIMITED**

**NOTES TO THE ACCOUNTS (Continued)  
YEAR ENDED 31 DECEMBER 2018**

**2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

In the application of the Company's accounting policies, which are described in note 1, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Directors do not believe there to be any critical accounting judgements or key sources of estimation uncertainty.

**3. TURNOVER**
