**KINGS GAP COURT LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 MARCH 2016**

---

**1. Accounting policies**

**1.1 Basis of accounting**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**1.2 Going Concern**

Whilst the company has no significant income streams, it continues to service its commitments to creditors as and when they fall due with the support of related parties. The company is dormant and the directors do not expect to make any further investments. The directors have a reasonable expectation that, based on the confirmed support of related parties, that the company has sufficient resources to continue to operate for the foreseeable future.

The directors therefore continue to draw up these financial statements on this basis.

**1.3 Deferred Tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where the transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

**Group accounts**

**1.4** The financial statements present information about the company as an individual undertaking and not about its group.

**1.5 Financial instruments**

Financial liabilities and equity instruments are classified according to the substance of the contractual agreements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

**2. Taxation**

The company has estimated losses of £120,768 (2015: £118,968) available for carry forward against future profits.

The company has a deferred tax asset of £24,153 (2015: £23,794) in respect of trading losses, the directors have decided not to recognise this asset as it is not expected to be utilised in the foreseeable future.
