1. INTRODUCTION

1.1 Introduction

This report is prepared in accordance with Rule 2 47 of The Insolvency Rules 1986 to provide the Creditors with an update on the progress of the administrations of the Companies since our last report dated 29 July 2010.

Given the information previously provided in our reports to creditors dated 27 January 2010 and 29 July 2010 we have not included detailed background information and we would refer you to these reports

A schedule of statutory information in respect of the Companies is attached at Appendix 1

1.2 Details of the appointment of the Administrators

Following the filing of a Notice of Appointment of Administrators by Bank of America N A of 5 Canada Square, London, E14 5AQ, on 5 January 2009, Angus Matthew Martin, Neville Barry Kahn, Dominic Lee Zoong Wong and Nicholas James Dargan were appointed Joint Administrators of the Companies

The proceedings for the Companies' administrations are at the High Court of Justice, Chancery Division, Companies Court

For the purposes of paragraph 100 (2) of Schedule B1 of the Act the Administrators confirm that they are authorised to carry out all functions, duties and powers by any of them, jointly or severally

2. STATEMENT OF PROPOSALS PURSUANT TO PARAGRAPH 49 OF SCHEDULE B1 OF THE INSOLVENCY ACT 1986

Set out below are the proposals approved by the creditors of the Companies on 23 March 2009

As previously reported to creditors, the Administrators concluded that the first part of the prescribed objective under Rule 3(1) (a) namely "rescuing the company as a going concern" would not be achievable in respect of the Companies

Consequently the Administrators have performed their functions in relation to the Companies with the objective set out in Rule 3(1) (b) which is "achieving a better result for the company's creditors as a whole than would be likely if the company were wound up"

The Administrators' proposals to achieve a better result for the creditors of each of the Companies than would have been likely if they were wound up are as follows:

1. Conduct of business and affairs:

- The Administrators shall continue to manage the affairs and assets of the Companies in such manner as they consider expedient with a view to achieving a better result for the Companies' creditors as a whole than would be likely if the Companies had been liquidated
- The Administrators shall continue to realise the assets of the Companies, collect or compromise any outstanding pre and post

appointment book debts, utilise realisations of assets where appropriate, and settle any administration expenses where such expenses are incurred for the purpose of the administrations

- The Administrators shall investigate and as appropriate pursue any claims the Companies may have. In addition, the Administrators shall do all such other things and generally exercise all their powers as Administrators as they in their discretion consider desirable in order to achieve the purpose of the administration or to protect and preserve the assets of the Companies or to maximise realisations or for any other purpose incidental to these proposals.

2. Dealing with Claims

- The Administrators be authorised to agree the claims of secured, preferential and unsecured creditors (where applicable) and the costs of doing so shall be met as a cost of the administration as part of the Administrators' remuneration.
- The Administrators may apply to Court for permission under paragraph 65(3) of Schedule B1 of the Act to distribute funds to unsecured creditors whilst in administration (where applicable)
- The Administrators be authorised to distribute funds to the secured and preferential creditors as and when claims are agreed (where applicable).

3. Committee and Remuneration

- A Creditors' Committee be established for those Companies where there are sufficient creditors willing to act on it. The Administrators propose to seek the election of a Creditors Committee for each Company and to consult with it from time to time to assist as appropriate the Administrators in the discharge of their functions
- The Administrators' remuneration be fixed under Rule 2.106 of the Insolvency Rules 1986 by reference to the time properly spent by the Administrators and the various grades of their staff calculated at the prevailing hourly rates of Deloitte LLP for work of this nature and that disbursements for services provided by the Administrators' firm (defined as Category 2 disbursements in Statement of Insolvency Practice 9) be charged in accordance with the Administrators' firms' policy. It will be for the Creditors' Committee to fix the basis and level of the Administrators' fees and Category 2 disbursements but if no committee is appointed, the Administrators be authorised by the creditors to draw, on a monthly basis, remuneration based on their time costs together with out of pocket expenses

4. Extensions and Exit Procedures

- The Administrators shall continue the administrations for such period of time as necessary to achieve the purposes which the administration appointments were made, and if necessary make an application to the Court to extend the terms of the administrations beyond the one year statutory term
- The Administrators may take steps to apply to court to place the Companies into Creditors' Voluntary Liquidation. The Administrators will become the Joint Liquidators of the Companies and any act

required or authorised to be done by the Joint Liquidators may be done by any or all of them and any Creditors' Committee appointed will become a Liquidation Committee pursuant to Paragraph 83(8)(f) of Schedule B1 of the Insolvency Act. Please note that creditors may nominate a different person as the proposed Liquidator for a particular company, provided that the nomination is made after the receipt of these proposals and before the proposals are approved i.e. before the meeting of creditors or any subsequent adjournment.

- Should it not be considered appropriate to place the Companies into liquidation, after the completion of the realisation of assets and distribution of funds to secured, preferential and unsecured creditors, if applicable, and as quickly and as efficiently as is reasonably practicable, the Administrators may apply to court under Paragraph 84, Schedule B1 of the Insolvency Act to end the administrations and for the Companies to be dissolved.
- The Administrators be discharged from liability in respect of any action of theirs as Administrators on vacation of office (whether because they vacate office by reason of resignation, death or otherwise, because they are removed from office or because their appointment ceases to have effect) in accordance with Paragraphs 98 and 99 of Schedule B1 of the Insolvency Act.

2.1 Progress on the approved proposals

We have summarised below the progress and current status in respect of each of the approved proposals.

Proposal	Current status
1	<p>The sale of the Companies' business and assets to WWRD Netherlands Midco BV, WWRD United Kingdom Limited, WWRD (Gibraltar) Inventory Co Limited, WWRD Inventory LLC and WWRD IPCo LLC was completed on 26 March 2009 and encompassed the vast majority of the UK assets, a number of the retail stores and some of the global businesses and excluded Rosenthal, Royal Doulton Japan, Royal Doulton Hong Kong, Spring Switzerland, W/T Designs and some other smaller subsidiaries.</p> <p>The transitional agreement that was in place for the provision of certain services to the Buyers has now ceased. As previously expected, there are still a small number of outstanding matters that are being dealt with by the Administrators and their staff, such as agreeing informal lease surrenders.</p> <p>There are a few residual assets remaining in the UK and their current status is as follows:</p> <ul style="list-style-type: none"> • All concession debts have now been collected, with the exception of one debt of nominal value which has still not been resolved. The Administrators are continuing to pursue this debt. • A sale of Midwinter Tip has now been agreed subject to the appropriate waste license being obtained from the Environment Agency. The Baddley Green greenbelt was owned by Swinnertons Limited, a wholly owned subsidiary of Royal Doulton Limited. A sale of the site was completed on 1 September 2010. The sale of the property at Stourbridge

Proposal	Current status
1 (continued)	<p>completed on 8 November 2010. The remaining two properties to be realised are Tuscan Works and the Johnson Bros Football Fields. Tuscan Works is currently under offer and the expectation is that the sale will be completed in the next few weeks. The sale of the football fields has recently failed to complete due to the prospective purchaser withdrawing their offer. The Administrators property agents have recommended that the site be sold via auction. This auction is scheduled to take place in February 2011.</p>
2	<p>The Tranche A secured debt has been agreed and a distribution of c €34.9m made. It is unlikely that the Tranche A secured debt will be repaid in full, however, this will largely depend on recoveries from the assets elsewhere in the Group.</p> <p>It is not envisaged that there will be sufficient realisations to enable a distribution to unsecured creditors, other than under the Prescribed Part (see section 4.3).</p> <p>The Administrators are in the process of agreeing preferential claims.</p>
3	<p>A Creditors' Committee ("the Committee") was formed in Josiah Wedgwood and Sons Limited and five committee meetings have been held to date.</p>
4	<p>The Administrators on conclusion of their obligations will take steps to finalise the administrations in the most expedient and cost effective manner.</p> <p>Following the twelve month extension granted on 14 December 2009, the Administration Orders were due to expire on 4 January 2011. A further extension was granted on 15 December 2010 for six months in order to undertake the following:</p> <ol style="list-style-type: none"> 1. Complete the settlement of trading period and property-related liabilities 2. Identify and resolve potential "Goldacre" liabilities of leasehold properties 3. Finalise the tax position in respect of the Companies 4. Complete intercompany analysis and any 'marshalling' requirements 5. Identify in which of the Companies there is likely to be a distribution to unsecured creditors under the Prescribed Part <p>The administrations now expire on 4 July 2011. Royal Doulton Overseas Holdings Limited was excluded from the additional extension and is discussed further below.</p> <p>On conclusion of the above, the Administrators will seek to dissolve the Companies or take steps to place the Companies into Creditors Voluntary Liquidation. There is no requirement to apply to Court for either exit route, contrary to the original proposal.</p> <p>The Administrators have concluded the administration of Royal Doulton Overseas Holdings Limited. Form 2.35B, Notice of move</p>

Proposal	Current status
	from administration to dissolution, together with a copy of the Administrators' final progress report to creditors, was registered at Companies house on 16 December 2010, the Company will be dissolved three months from this date

3. JOINT ADMINISTRATORS' RECEIPTS AND PAYMENTS ACCOUNTS

3.1 Introduction

Attached at Appendix 2 are the Receipts and Payments accounts covering the period from 5 January 2009 to 4 January 2011 for each Company

3.2 Asset Realisations

The majority of assets across the Companies have been realised. Further detail of these realisations can be seen in the Receipts and Payments Accounts at Appendix 2

Midwinter Tip has now been sold subject to the purchaser obtaining a license from the Environment Agency. A deposit has been received and is being held by the Administrators' solicitors. It is envisaged that the proceeds of the sale will be received within 2 - 3 months.

A sale of the property at Stourbridge has recently completed and the sale proceeds of £224k have been received.

The Baddley Green greenbelt was owned by Swinnertons Limited, a wholly owned subsidiary of Royal Doulton Limited. A sale of the site was completed on 1 September 2010.

3.3 Payments

The key movements in the period are as follows.

- Property costs have been incurred in the period in relation to the remaining properties and land owned by the Companies.
- Professional fees have been incurred in the period relating to the marketing of the outstanding properties and land.

3.4 Estimated Future Realisations

The freehold property, Tuscan Works, Stoke on Trent, is currently under offer. The Administrators are hopeful that a sale will be completed in the next few weeks.

The Johnson Bros Football Fields are going to public auction in February 2011 following a recent sale falling through.

The Administrators are continuing to pursue a potential pensions realisation in relation to a sum received following action taken by Royal Doulton (UK) Limited and the Royal Doulton Pension Scheme ("the Pension Scheme") for alleged misadvice against a third party. Royal Doulton (UK) Limited claim to be entitled to the settlement monies, as does the Pension Scheme. The funds are currently being held in escrow by Hogan Lovells LLP pending resolution of the issue. Previous negotiations with the Pensions Scheme have failed to reach a settlement. The Pension Protection Fund ("PPF") has recently been appointed to deal with the

scheme and the Administrators are looking to enter negotiations with the PPF in the near future

3.5 Estimated Outcome for creditors

It is unlikely that sufficient funds will be available to the Tranche A secured debt for repayment in full. However, the outcome is dependent on recoveries from assets elsewhere in the Group.

It is not envisaged that sufficient realisations will be made to allow a dividend to the unsecured creditors, except for the prescribed part (see section 4.3 below).

4. DISTRIBUTIONS TO CREDITORS

4.1 Secured creditors

As reported to creditors previously, the Companies' secured debt due to the Lenders at the date of the administrations was c.€181m. In addition, high yield bonds totalling €166m have junior ranking security over the assets of the Companies. As well as specific fixed charges over property, book debts and certain other assets, the Lenders and the bond holders have debentures containing floating charges over all the Companies' remaining assets.

The Administrators have made no further distributions since the last report. Therefore, to date the Administrators have distributed c. €34.9m to the Lenders from the proceeds of the sale of the Companies' assets. We anticipate that the Administrators will be in a position to distribute further funds following the realisation of the properties, along with a return of €25m of cash collateral balances. The Lenders will also receive distributions from other Group companies.

We expect that there will be insufficient funds available to make a distribution to unsecured creditors other than under the Prescribed Part, which is explained in more detail below.

4.2 Preferential creditors

There are preferential claims in the Administrations of Josiah Wedgwood and Sons Limited and Royal Doulton (UK) Limited in relation to arrears of wages and holiday pay. The claims are in the process of being finalised, in order that a dividend can be made in due course. It is anticipated that these claims will be paid in full.

4.3 Prescribed Part

The Prescribed Part (Section 176A of the Insolvency Act 1986 (Prescribed Part) Order 2003) applies where there are floating charge realisations, net of costs to be set aside for unsecured creditors. This equates to

- 50% of net property up to £10,000
- 20% of net property in excess of £10,000
- Subject to a maximum of £600,000

The amount due to unsecured creditors under the Prescribed Part will be subject to future asset realisations. It is presently unclear which of the Companies will have funds available to make a distribution to unsecured creditors under the Prescribed Part.

4.4 Unsecured creditors

The Administrators do not anticipate that there will be any dividend payable to the unsecured creditors of any of the Companies, other than by way of the Prescribed Part

5. JOINT ADMINISTRATORS' FEES AND EXPENSES

5.1 Joint Administrators' Fees

In accordance with Rule 2 106 of The Rules, the Administrators' remuneration in relation to Josiah Wedgwood and Sons Limited has been fixed by the Creditors' Committee formed at the creditors' meeting on 23 March 2009.

In accordance with Rule 2 106 of The Rules, in the absence of a Creditors' Committee, the Administrators have sought approval of their fees and expenses from the Companies' (excluding Josiah Wedgwood and Sons Limited) creditors. At the meeting of creditors held on 23 March 2009, a resolution was passed authorising the Administrators to draw, on a monthly basis, remuneration based on their time costs together with out of pocket expenses

The Administrators' time costs, for the period from 5 January 2009 to 31 December 2010 are summarised in the tables below. A detailed analysis of the time spent in respect of the Companies is attached at Appendix 3.

A "Creditors Guide to Administrators Fees" is available on request for your information and guidance and can also be found online at [http://www.r3.org.uk/uploads/documents/Creditors Administration pdf](http://www.r3.org.uk/uploads/documents/Creditors%20Administration.pdf)

The work has been categorised into the following task headings and sub categories, in accordance with the Statement of Insolvency Practice 9.

Mileage is calculated at the prevailing standard mileage rate of up to 40p used by Deloitte LLP at the time when the mileage is incurred

5.2 Charge out rates

Our charge out rates for the staff involved in this assignment have been agreed as follows

Grade	£
Partners	615 to 780
Managers	200 to 735
Assistants and Support Staff	120 to 240

All partners and technical staff (including cashiers) assigned to the case record their time spent working on the case on a computerised time recording system. Time spent by secretarial staff working on the assignment has not been recorded or recovered. The appropriate staff have been assigned to work on each aspect of the case based upon their seniority and experience, having regard to the complexity of the relevant work, the financial value of the assets being realised and/or claims agreed

Please note, there were some inaccuracies in relation to times costs included in the last report to creditors dated 29 July 2010. This was due to a number of incorrect charge out rates being entered into our time recording system. This has now been rectified and is reported accurately below
