Bibby Factors Borehamwood Limited
Directors' Report for the Year Ended 31 December 2014

The directors present their report and the financial statements for the year ended 31 December 2014.

Directors of the company

The directors who held office during the year and to the date of signing the accounts were as follows:

Ian Downing

Edward James Winterton

Principal activity

The principal activity of the company is debt factoring.

Dividends

The directors recommend a final dividend payment of £nil be made in respect of the financial year ended 31 December 2014. This dividend has not been recognised as a liability in the financial statements.

Going concern

The financial statements have been prepared on a going concern basis.

As set out in the Statement of Directors' Responsibilities, in preparing these financial statements the directors are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors of the parent company have considered in detail the Group's forecast performance, as well as its capital and liquidity resources. The Group's funding facilities were extended to July 2016 in 2014 and on this basis the directors have a reasonable expectation that, despite uncertain market conditions, the Group has sufficient funding and liquidity facilities to ensure that the company will continue in operational existence for the foreseeable future. Accordingly the directors of the company have adopted the going concern basis in preparing the financial statements.

Directors' liabilities

Enhanced indemnities are provided to the directors of the company by Chartis Insurance UK Limited against liabilities and associated costs which they could incur in the course of their duties to the company. All of the indemnities remain in force as at the date of this Report and Accounts. A copy of each of the indemnities is kept at the registered office address of the company.

Disclosure of information to the auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- the director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of this information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Bibby Factors Borehamwood Limited
Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Bibby Factors Borehamwood Limited

We have audited the financial statements of Bibby Factors Borehamwood Limited for the year ended 31 December 2014 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 14. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities (set out on page 4), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements and the Strategic Report in accordance with the small companies regime.

Bibby Factors Borehamwood Limited
Notes to the Financial Statements for the Year Ended 31 December 2014

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable law and United Kingdom accounting standards.

Exemption from preparing a cash flow statement

The company is exempt from preparing a cash flow statement as 90% or more of the voting rights are held within the group.

Going concern

The financial statements have been prepared on a going concern basis.

As set out in the Statement of Directors' Responsibilities, in preparing these financial statements the directors are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors of the parent company have considered in detail the Group's forecast performance, as well as its capital and liquidity resources. The Group's funding facilities were extended to July 2016 in 2014 and on this basis the directors have a reasonable expectation that, despite uncertain market conditions, the Group has sufficient funding and liquidity facilities to ensure that the company will continue in operational existence for the foreseeable future. Accordingly the directors of the company have adopted the going concern basis in preparing the financial statements.

Turnover

Turnover represents amounts chargeable in respect of the sale of services to customers.

Revenue recognition

The factoring administration fee is recognised in the profit and loss account at the time the debts are factored. Other fees are normally recognised in the profit and loss account at the time the charge is made. However, where fees are charged in respect of non-performing debt, the proportion credited to the profit and loss account is limited to the extent that total recoveries will exceed the debt outstanding.

Deferred tax

Deferred tax is provided in full on timing differences which represent a liability at the balance sheet date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income or expenditure in tax computations in periods different from those in which they are included in the financial statements.

Deferred tax assets are recognised only to the extent that it is more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Bibby Factors Borehamwood Limited

Notes to the Financial Statements for the Year Ended 31 December 2014

..... continued

Taxation

Tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years or which are never taxable or deductible. Current tax is calculated using rates enacted, or substantively enacted, at the balance sheet date.

Financing

The company finances its operation through overdrafts and loans from its immediate parent undertaking. Interest is charged at base plus a small premium.

Debtors and creditors

Trade debtors represent the debts assigned under factoring agreements, net of the bad debt provision. The full value of the assigned debt is recognised on the balance sheet as it represents rights or other access to future economic benefits. The corresponding trade creditor recognised represents the difference between the assigned debt and the cash advanced to clients net of appropriate factoring fees.

Bad debts

Bad debts are written off when there is no realistic prospect of recovery. Specific provisions are made to reduce all impaired balances to their expected realisable values. Additional provisions are made for losses not specifically identified based on past experience, knowledge of the group's exposure and other relevant factors. The charge for the year for bad debts is included in cost of sales.

2 Turnover

Turnover, which is derived from within the United Kingdom, is the factoring income earned via agency agreements from fellow subsidiaries.

3 Auditor's remuneration

The audit fees of £1,500 (2013 - £1,500) have been borne by the parent undertaking and not recharged during the current or preceding year.

No fees were paid to the company's auditor for non-audit services in either the current or preceding year.

4 Particulars of employees

The company had no employees during the current or preceding year.

5 Directors' remuneration

The directors received no remuneration for their services to the company in either the current or preceding year.
