1 Accounting Policies

Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Government grants

Government grants received are credited to deferred income. Grants towards capital expenditure are released to the profit and loss account over the expected useful life of the assets. Grants received towards revenue expenditure are released to the profit and loss account as the related expenditure is incurred.

Operating lease rentals

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Pension Costs

The company operates a defined contribution pension scheme for the benefit of its directors/and employees. Contributions payable are charged to the profit and loss account in the period in which they are payable.

Website Cost

Planning and operating costs for the company's website are charged to the profit and loss account as incurred.

Foreign currency

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All foreign exchange differences are included to the profit and loss account.

Dividends

Proposed dividends are only included as liabilities in the financial statements when their payment has been approved by the shareholders prior to the balance sheet date.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Computer Equipment	30% Reducing balance
Motor Vehicles	25% Reducing balance
Fixtures and Fittings	15% Reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.
