Directors' Report

The directors present their report and financial statements for the period ended 31 December 2016.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

Business review

In the year the company made a profit after tax of £268,517 (2015: £253,846) and held net assets of £844,438 (2015: £761,921) as at 31 December 2016.

Directors

The directors who served during the period were:

B R Thomas (resigned 3 August 2015)
G C Ashton (resigned 3 August 2015)
M M Ashton (resigned 3 August 2015)
NCM Brown (appointed 3 August 2015)
HV Brown (appointed 3 August 2015)

Dividends

The directors have proposed a final ordinary dividend in respect of the financial period of £267,000 (2015: £258,000). This has not been included within creditors as it was not approved before the year end.

Dividends paid in the period comprise and interim dividend of £186,000 (2015: £72,000).

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditors

KPMG LLP were appointed as auditor during the period. Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office.

This report was approved by the board and signed on its behalf.

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice) including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of MAJ Hi-Spec Limited

We have audited the financial statements of MAJ Hi-Spec Limited for the year ended 31 December 2016 set out on pages 6 to 18. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting council's website at www.frc.org.uk/auditscopeukprivate.

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Directors' report:

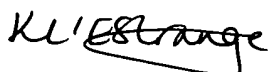

- we have not identified material misstatements in that report; and
- in our opinion, that report has been prepared in accordance with the Companies Act 2006.

Independent auditor's report to the members of MAJ Hi-Spec Limited *(continued)*

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

Notes

(forming part of the financial statements)

1 Accounting policies

MAJ Hi-Spec Limited (the "Company") is a company limited by shares and incorporated and domiciled in the UK. These company financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ("*FRS 102*") as issued in August 2014. The amendments to FRS 102 issued in July 2015 and effective immediately have been applied. The presentation currency of these financial statements is sterling.

The Company's ultimate parent undertaking, The Bright Screw Company Limited, includes the Company in its consolidated financial statements. The consolidated financial statements of The Bright Screw Company Limited are available to the public and may be obtained from Companies House, Cardiff, CF14 3UZ. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- The reconciliation of the number of shares outstanding from the beginning to the end of the period has not been included a second time;
- No separate parent company Cash Flow Statement with related notes is included; and
- Key Management Personnel compensation has not been included a second time.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 102 in its next financial statements.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

1.1 Going concern

Taking into account current and anticipated trading performance and the availability of borrowing facilities for the Bright Screw Group, of which the Company is a member, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The Company therefore continues to adopt the going concern basis in preparing its financial statements.

1.2 Foreign currency

Transactions in foreign currencies are translated to the Company's functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

1 Accounting policies (continued)

1.3 Classification of financial instruments issued by the Company

In accordance with FRS 102.22, financial instruments issued by the Company are treated as equity only to the extent that they meet the following two conditions:

- (a) they include no contractual obligations upon the company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the company; and
- (b) where the instrument will or may be settled in the company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the company's own equity instruments or is a derivative that will be settled by the company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

1.4 Basic financial instruments

Trade and other debtors / creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose only of the cash flow statement.

1.5 Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Long term leasehold properties	18% straight line
Short term leasehold properties	over the period of the lease
Plant and machinery	6.66% - 20% straight line

1.6 Government grants

Government grants are included within accruals and deferred income in the balance sheet and credited to the profit and loss account over the expected useful lives of the assets to which they relate or in periods in which the related costs are incurred.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

Notes *(continued)*

1 Accounting policies *(continued)*

1.8 Impairment excluding stocks and deferred tax assets

Financial assets (including trade and other debtors)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

1.9 Employee benefits

Defined contribution plans and other long term employee benefits

A defined contribution plan is a post-employment benefit plan under which the company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the profit and loss account in the periods during which services are rendered by employees.

1.10 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

Revenue is recognised when the plating process is completed and the goods are ready for delivery to the client.

All revenue is generated within the UK.

1.11 Expenses

Operating lease

Payments (excluding costs for services and insurance) made under operating leases are recognised in the profit and loss account on a straight-line basis over the term of the lease unless the payments to the lessor are structured to increase in line with expected general inflation; in which case the payments related to the structured increases are recognised as incurred. Lease incentives received are recognised in profit and loss over the term of the lease as an integral part of the total lease expense.

Notes (continued)

1 Accounting policies (continued)

1.12 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

2 Operating profit

The operating profit is stated after charging:

	Year ended 31 December 2016 £	17 months ended 31 December 2015 £
Depreciation of tangible fixed assets		
Owned by the company	29,637	23,179
Auditors' remuneration	5,000	5,000

Notes (continued)

3 Directors' remuneration

	Year ended 31 December 2016 £	17 months ended 31 December 2015 £
Aggregate remuneration	-	142,598

During the year retirement benefits were accruing to no directors (2015: 2) in respect of contribution pension schemes.

The above emoluments relate to the remuneration of the previous directors. The emoluments of company directors are paid by the ultimate parent company (The Bright Screw Company Limited). The emoluments attributable to services to this company are £21,833 (2015: £27,833).

4 Staff numbers and costs

The average number of persons employed by the company (including directors) during the period, analysed by category, was as follows:

	Number of employees 2016	2015
Production	21	22
Administrative	1	2
	<u>22</u>	<u>24</u>

The aggregate payroll costs of these persons were as follows:

	Year ended 31 December 2016 £	17 months ended 31 December 2015 £
Wages and salaries	375,145	664,013
National Insurance	27,167	19,709

Total deferred tax credit	1,082	(3,227)
Tax on profit on ordinary activities	65,748	60,386

Factors affecting tax charge for the year

The tax assessed for the year is lower than (2015: lower than) the standard rate of corporation tax in the UK of 20% (2015: 20%). The differences are explained below:

	Year ended 31 December 2016 £	17 months ended 31 December 2015 £
Profit before tax	334,265	314,232
Profit multiplied by standard rate of corporation tax in the UK of 20% (2015: 20%)	66,853	62,847
Effects of:		
Expenses not deductible for tax purposes	2	162
Adjustments to tax charge in respect of prior periods	(557)	-
Adjustments to tax charge in respect of prior periods – deferred tax	361	-
Effect of a change in rate of taxes on opening balances	(1,116)	(2,623)
Fixed asset differences	205	-
Total tax charge for the year (see note above)	65,748	60,386

Reductions in the UK corporation tax rate from 20 per cent to 19 per cent (effective from 1 April 2017) and to 17 per cent (effective 1 April 2020) were substantively enacted on 26 October 2015 and 6 September 2016 respectively. This will reduce the company's future current tax charge accordingly. Deferred tax has been calculated using a tax rate of 17%.

14 Related party transactions

The company operates from land and buildings previously owned by MAJ Holdings Limited. During the year rent of £10,000 (2015 - £22,000) was paid to MAJ Holdings Limited under a formal lease agreement at arm's length.

Included in creditors, amounts due within one year, is an amount of £309,015 (2015 - £190,371) due to MAJ Holdings Limited. The balance is interest free and repayable on demand.

Notes *(continued)*

15 Controlling interest

During the current and previous year, the company's ultimate parent undertaking was MAJ Holdings Limited, a company registered in England and Wales and incorporated in Great Britain.

MAJ Holdings Limited was under the control of G C Ashton.

On 3 August 2015, The Bright Screw Company Limited acquired 100% of the share capital of MAJ Holdings Limited. The Bright Screw Company Limited is registered in England and Wales and is under the control of N C M Brown. The registered office is Boundary Works, Bagley Lane, Rodley, Leeds, LS13 1JB.

The financial statements of MAJ Holdings Limited and The Bright Screw Company Limited are available to the public and may be obtained from Companies House, Cardiff, CF14 3UZ.
