WELBECSON GROUP LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

The Directors present their report and the financial statements for the year ended 31 December 2023.

Principal activity

It did not trade during the current or prior year and, therefore, the financial statements comprise the Balance Sheet and related notes only.

Going concern

The Company has limited activity outside of the Heidelberg Materials AG (formerly HeidelbergCement AG) group and therefore its on-going activity is dependent on the operational activity of the Heidelberg Materials AG group.

The financial statements have been prepared on a going concern basis as the Company's intermediate parent undertaking, which indirectly owns the Company's entire share capital, has committed to continue to support the Company for a period no less than 12 months from the date of these financial statements, in order that it can meet its liabilities as they fall due. The Company's liabilities are typically with Heidelberg Materials AG group companies.

The Directors have considered and satisfied themselves that the intermediate parent company is able to make the commitments it has made to the Company. In doing this, the Directors have noted that the ultimate parent undertaking, Heidelberg Materials AG, has made an assessment of identifiable risks on their global business activities, including the on-going impact of the Ukraine and Middle East crises, political uncertainties, the volatility in energy and raw materials markets, continuing inflationary pressures, high interest rates and the overarching impact these factors have on construction and consumer markets, and continues to operate on a going concern basis.

Thus the Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future and they continue to adopt the going concern basis of accounting in preparing the financial statements.

Directors

The Directors who served during the year and up to the date of signing the financial statements were:

N Benning-Prince
R C Dowley
E A Gretton
A Quilez Somolinos

Directors' indemnity

Heidelberg Materials AG has indemnified, by means of directors' and officers' liability insurance, one or more Directors of the Company against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act. Such qualifying third party indemnity provision was in force during the year and is in force as at the date of approving the Directors' Report.

The articles of association also provide for the Directors to be indemnified by the Company subject to the provisions of the Companies Act.

This report was approved by the board on 27 February 2024 and signed on its behalf.

For the year ended 31 December 2023 the Company was entitled to exemption from audit under section 480 of the Companies Act 2006.

Members have not required the Company to obtain an audit for the year in question in accordance with section 476 of the Companies Act 2006.

The Directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The financial statements were approved and authorised for issue by the board and were signed on its behalf on 27 February 2024.

R C Dowley
Director

The notes on pages 3 to 6 form part of these financial statements.

WELBECSON GROUP LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. General information

Welbecson Group Limited ("the Company") is a limited company incorporated and domiciled in the United Kingdom. The address of its registered office and principal place of business is disclosed in the Company Information.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS102), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The Company's financial statements are presented in Sterling, which is also the Company's functional currency, and all values are rounded to the nearest thousand pounds (£'000).

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have, unless otherwise stated, been consistently applied to all periods presented.

The Company is part of the Heidelberg Materials AG group and is included in the consolidated financial statements of Heidelberg Materials AG. The Company therefore qualifies for the reduced disclosures for subsidiaries under FRS 102 including the exemption to present a cash flow statement. The Company is also exempt under Section 33.1A of FRS 102 from disclosing related party transactions with wholly owned subsidiaries of Heidelberg Materials AG.

2.2 Going concern

The Company has limited activity outside of the Heidelberg Materials AG group and therefore its on-going activity is dependent on the operational activity of the Heidelberg Materials AG group.

The financial statements have been prepared on a going concern basis as the Company's intermediate parent undertaking, which indirectly owns the Company's entire share capital, has committed to continue to support the Company for a period no less than 12 months from the date of these financial statements, in order that it can meet its liabilities as they fall due. The Company's liabilities are typically with Heidelberg Materials AG group companies.

The Directors have considered and satisfied themselves that the intermediate parent company is able to make the commitments it has made to the Company. In doing this, the Directors have noted that the ultimate parent undertaking, Heidelberg Materials AG, has made an assessment of identifiable risks on their global business activities, including the on-going impact of the Ukraine and Middle East crises, political uncertainties, the volatility in energy and raw materials markets, continuing inflationary pressures, high interest rates and the overarching impact these factors have on construction and consumer markets, and continues to operate on a going concern basis.

Thus the Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future and they continue to adopt the going concern basis of accounting in preparing the financial statements.

FOR THE YEAR ENDED 31 DECEMBER 2023**

2. Accounting policies (continued)

2.3 Financial instruments

The Company has chosen to adopt the Sections 11 and 12 of FRS 102 in respect of financial instruments.

Financial assets

Basic financial assets, including amounts owed by group undertakings, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

Financial liabilities

Basic financial liabilities, including amounts owed to group undertakings, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method. Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

Offsetting

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.
