The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

Turnover represents net invoiced sales of services, excluding value added tax.

**Tangible fixed assets**

The directors are unable to estimate the present value of the freehold land and buildings owned by the company as required by SSAP 19. From advice taken and enquiries made it seems impracticable to obtain a valuation at this time.

No depreciation has been provided in respect of the freehold land and buildings. Though this is a departure from the Companies Act which requires all property to be depreciated, the directors feel that the property is held for investment not consumption. To provide depreciation would be inappropriate and therefore not show a true and fair view.
