PRINCIPAL ACTIVITIES AND PROPERTY PORTFOLIO REVIEW

During the year the Company has continued its business of industrial and warehouse property investment and development throughout the United Kingdom. There will be no change in the Company's principal activities in the foreseeable future.

Increased tenant demand became more evident in the latter part of the year in most locations where the Company has industrial holdings. The most significant letting was of the 121,100 sq ft (11,250 sq m) warehouse distribution centre at Tamworth to UCI Logistics. At Interchange West, Sunbury the Company has agreed, subject to completion of lease documentation, to let its 51,500 sq ft (4,770 sq m) warehouse.

At Banbury, half of the 238,300 sq ft (22,140 sq m) high bay warehousing, which is being built on the land acquired last year, has been pre-let to McGregor Cory. The development is due for completion towards the end of the year.

Following the letting of Phase I at Tamworth, construction is planned to commence on a further 142,800 sq ft (13,270 sq m) unit due for completion in February 1999.

Planning permission has been obtained at Pump Lane, Hayes for three units totalling 34,000 sq ft (3,160 sq m). Construction has commenced and one unit is pre-let.

During the year some 200,000 sq ft (18,580 sq m) of industrial space which did not fulfil our investment criteria was sold.

AUDITORS' REPORT TO THE MEMBERS OF RAVENSEFT INDUSTRIAL ESTATES LIMITED

We have audited the financial statements on pages 6 to 15 which have been prepared under the historical cost convention as modified by the revaluation of properties and the accounting policies set out on pages 9 and 10.

Respective responsibility of directors and auditors

As described on page 4 the Company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 1998

. ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention modified by the revaluation of properties and in accordance with applicable accounting standards. Compliance with SSAP 19 "Accounting for Investment Properties" requires departure from the requirements of the Companies Act 1985 relating to depreciation and amortisation. An explanation of this departure is given in (d) on page 10.

The significant accounting policies adopted by the Company are set out below.

a) Profit and loss account and other primary statements

The profit on ordinary activities before taxation is arrived at after taking into account income and outgoings on all properties, including those under development and, in accordance with FRS3 "Reporting Financial Performance", profits and losses on sales of properties calculated by comparing net sales proceeds with book values.

Realised surpluses and deficits relating to previous years on properties sold during the year are taken to other reserves.

Unrealised capital surpluses and deficits arising on valuation of properties are taken to revaluation reserve.

b) <u>Taxation</u>

Tax on capital gains arising on sales of properties is charged against the profits realised.

No provision has been made for taxation which would become payable under present legislation in the event of future sales of the properties at the amounts at which they are stated in the financial statements. However an estimate of the potential liability is shown in Note 5.

c) Properties

Properties are included in the financial statements at open market values based on the latest professional valuation. At 31 March 1998 a valuation was carried out by Knight Frank. The valuation included all properties for which there were unconditional contracts to purchase but excluded those for which there were unconditional contracts for sale.

Additions to properties include costs of capital nature only; interest and other costs in respect of developments and refurbishments are treated as revenue expenditure and written off as incurred.

NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 1998 (CONTINUED)

1. ACCOUNTING POLICIES (continued)

d) Depreciation and amortisation

In accordance with SSAP 19, no depreciation or amortisation is provided in respect of freehold or leasehold properties held on leases having more than 20 years unexpired. This departure from the requirements of the Companies Act 1985, for all properties to be depreciated, is, in the opinion of the directors, necessary for the financial statements to give a true and fair view in accordance with applicable accounting standards, as properties are included in the financial statements at their open market value.

The effect of depreciation and amortisation on value is already reflected annually in the valuation of properties and the amount attributed to this factor by the valuers cannot reasonably be separately identified or quantified. Had the provisions of the Act been followed, net assets would not have been affected but revenue profits would have been reduced for this and earlier years.

2. NET RENTAL INCOME

	,	1998		1997
Rental income Service charges and other recoveries		30,743,046 1,415,985		30,621,239 1,374,208

		1,788,408	,	(1,677,975)
	:	£30,370,623		£30,317,472

Other property outgoings are costs incurred in the direct maintenance and upkeep of investment properties. Void costs, which include those relating to empty properties pending redevelopment and refurbishment, costs of investigating potential development schemes which are not proceeded with, and costs in respect of housekeepers and outside staff directly responsible for property services, are also included.

NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 1998 (CONTINUED)

3. PROPERTY MANAGEMENT AND ADMINISTRATION EXPENSES

Property management and administration expenses consist of all costs of managing the portfolio, together with costs of rent reviews and renewals, relettings of properties and management services as explained in Note (a) below. No staff costs or overheads are capitalised.

a) Management services

The Company had no employees during the year. Management services were provided to the Company throughout the period by Land Securities Properties Limited, which is a group undertaking.

b) Directors' emoluments

The directors of the Company receive emoluments from Land Securities Properties Limited for their services to the Group. These emoluments consist of a basic salary, profit related pay and a bonus of 7 1/2% of salary payable under the annual bonus scheme, pension contribution, car and medical benefits and the value of shares allocated under the 1989 Land Securities Profit Sharing Scheme. The proportion of their emoluments which relates to the management of the affairs of the Company amounts to approximately £94,000 (1997: £87,000).

c) Auditors' remuneration

Administration expenses include auditors' remuneration of £9,450 (1997: £9,275)

No fees were paid to the auditors during the year in respect of non-audit work (1997: £Nil).
