**AUDITORS' REPORT TO THE MEMBERS OF
HALMA INDUSTRIES LIMITED**

We have audited the financial statements on page 4 which have been prepared under the historical cost convention and the accounting policies set out on page 4.

Respective responsibilities of Directors and Auditors

As described on page 2, the Directors of the Company are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Company as at 30 March 1996 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
