Auditors' Report to the members of Alsam Limited

We have audited the financial statements on pages 4 and 5.

Respective responsibilities of directors and auditors

The company's directors are responsible for the preparation of financial statements which meet the requirements of company law and accounting standards. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. We also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 1995 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
