Notes

(forming part of the financial statements)

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

These financial statements were prepared in accordance with Financial Reporting Standard 102. The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") as issued in September 2015. As the Company has met the Companies Act 2006 definition of a dormant company as at and since the date of transition the accounting policies applied at the date of transition under previous GAAP have been retained as permitted by paragraph 10(m) of chapter 35 of FRS 102. As a result there will be no change to amounts reported at 1 January 2014 until there is any change to those balances or the Company undertakes any new transactions.

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements.

As 100% of the Company's voting rights are controlled within the group (the "Group") headed by Parkdean Resorts Topco Limited, the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the Group (or investors of the Group qualifying as related parties). The consolidated financial statements of Parkdean Resorts Topco Limited, within which the Company is included, can be obtained from Companies House, Crown Way, Maindy, Cardiff, CF14 3UZ

Classification of financial instruments issued by the Company

Financial instruments issued by the Company are treated as equity (i.e. forming part of shareholders' funds) only to the extent that they meet the following two conditions:

- a) they include no contractual obligations upon the Company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Company; and
- b) where the instrument will or may be settled in the Company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Company's own equity instruments or is a derivative that will be settled by the Company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the Company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

Finance payments associated with financial liabilities are dealt with as part of interest payable and similar charges. Finance payments associated with financial instruments that are classified as part of shareholders' funds are dealt with as appropriations in the reconciliation of movements in shareholders' funds.

Profit and loss account

The Company had no transactions during the year and has made neither a profit nor a loss. No profit or loss account has therefore been prepared.

Notes (continued)

2 Directors' remuneration

All directors' remuneration was borne by Park Resorts Limited until 10th November. From 10 November directors' remuneration is borne by a combination of Parkdean Holiday Parks Limited and Park Resorts Limited, members of the group headed by Parkdean Resorts Topco Limited. Director's remuneration is disclosed in the financial statements of these companies.

No recharges are made for the services of directors. None of the directors received any remuneration from the Company during the current or prior period.

The Company did not employ any staff during the current or preceding period.
