**THE DIRECTORS' REPORT**  
**YEAR ENDED 31 MARCH 2011**

The directors present their report and the financial statements of the company for the year ended 31 March 2011

**PRINCIPAL ACTIVITIES AND BUSINESS REVIEW**

The principal activity of the company is property trading which has remained unchanged during the year and no change is anticipated in the immediate future

The financial results of the company's activities for the year ended 31st March 2011 are fully reflected in the attached financial statements together with the notes thereon

**PROPERTIES**

The company's trading portfolio was professionally valued by the company's valuers, Colliers CRE, at 31 March 2007 on the basis of open market value and at that time, it had a surplus over book value of £1,646,945 (relating to properties still held at 31 March 2011) which has not been incorporated into the financial statements. Had this surplus been incorporated into the financial statements the company would have had a net asset position of approximately £1,472,000. Despite the economic downturn, the directors are satisfied that at 31 March 2011 properties held for trading still have a value considerably in excess of their book value

**DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware
