We have examined the abbreviated accounts set out on pages 3 to 5, together with the full statutory accounts of the company. The scope of our work for the purpose of this report was limited to confirming the opinion as set out in the following paragraph.

In our opinion the company is entitled to the exemptions as set out in the directors' statement on page 3 and the abbreviated accounts have been properly prepared in accordance with Part III of Schedule 8 to the Companies Act 1985.

On 17 February 1995 we reported to the shareholders on the statutory accounts of the company for the year ended 31 May 1994 prepared under section 226 of the Companies Act 1985 as modified by the exemptions provided by Part I of Schedule 8. Our audit report under section 235 of the Companies Act 1985 was as follows:

We have audited the financial statements on pages 5 to 9 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

Respective responsibilities of directors and auditors

As described on page 2 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.
